Dear Parent/Guardian,

The \_\_\_\_\_ class will be using materials that contain potential issues of social or sensitive content. The material that will be used is entitled \_\_\_\_\_. While we feel that this material does a good job of conveying pertinent content, it does contain some content which some might find questionable/objectionable. If you wish for your student to not be exposed to these materials, this can be facilitated without any penalty to your student's grade. If you opt your student out, I/we are planning to use the following materials and/or do the following assignment instead:

By signing and returning this form, you are giving consent for your student to participate in/use the materials being presented in his/her class. If this form is not returned by \_\_\_\_\_, your student will be given an alternative assignment and, in some cases, moved from the class to an alternate location for the duration of the usage of these materials.

If you have questions or need clarification, please don't hesitate to contact me.

Sincerely,
