**4 Community Council Issues/ Dianna Barton & Astrid Kramer**

Just a note: Dianna Barton did send a letter to Kathy Bone on the school board after last month's discussion and school board meeting on parent surveys. One of the items was asking them to state more clearly the purpose of the survey and provided a cover letter or something to the parents giving them better information, we also felt the window to do the survey's was too long.

Questions were asked to see if there was more information about the upcoming Bond. At this time there is nothing new to report. The district will plan later to educate the public about the purpose and need.
