

Dear Parents,

In an effort to ensure all our 6th grade students are able to attend Science Camp if they wish, we are beginning a letter writing campaign. Attached is the fundraising letter for distribution to community members and businesses. In order to avoid overwhelming businesses with multiple letters, please email me the name of the business and the contact person when you drop off a letter to a possible donor. I will add this to our spreadsheet of contacts which you can review as the process continues. This becomes especially important when a particular business has denied our request for support.

Thank you so much for your help in fundraising!

Mr. Hummel, Mr. McKilligan, Mrs. Ramirez, Mrs. Triffo

mhummel@lodiUSD.net or mhummel@lodiUSD.org

Dear Members of the Lodi Community:

We have exciting news! A classic experience that many of the adults in Lodi recall very fondly from their school days is back! Lakewood School is sending our 6th graders to Science Camp!

Science Camp is widely known to be one of the most memorable and exciting experiences we offer to our students, but it comes at a cost. This year our school must fundraise \$285 per child to pay for this once-in-a-lifetime trip. While some of our families are able to make this commitment on their own, we need the support of the community to send all seventy of our 6th graders this year. We are in desperate need of cash donations, or the donation of items that can be auctioned at one of our events this year.

May we count on your support?

Please complete the bottom portion and return it with your tax deductible donation today..

Thank you for helping Lakewood School provide our children with this amazing educational experience!

Sincerely,

Matt Hummel - 6th Grade Teacher, Lakewood
