Welcome to

WILSHIRE BOULEVARD TEMPLE!

Our congregation opens its arms to you. Our blend of reform tradition and "post-denominational" innovation makes us a unique place to explore and celebrate being Jewish. Even more than our warm and remarkable schools, camps, learning, social justice efforts, and worship, it is our congregants who make us a truly special community. By joining Wilshire Boulevard Temple, you will make lifelong connections as together we travel the Jewish path of purpose and understanding.

Come join us.

B'shalom,
Rabbi Steven Z. Leder
Senior Rabbi

Shabbat and High Holy Days

We celebrate and worship in many ways, always with beautiful music. Try our more traditional Shabbat services or our inventive offerings at Salon Shabbat, Soul Sounds Shabbat, and Nefesh. For families we have First Friday Shabba Dabba with child-friendly songs and activities. Come mingle at our tasty *Oneg Shabbats*. Spend the High Holy Days with us too. Your tickets are an important benefit of your membership. You're sure to find like-minded fellow congregants and an approach to worship that suits your Jewish soul.

Life Cycle

As a member you can turn to Wilshire Boulevard Temple for every important milestone of life, from brit milah and baby naming to end-of-life observance. Along the way, together we celebrate b'nei mitzvah, confirmations, and weddings. Our rabbis and cantors make the time to forge a personal relationship with you. We are always here for you.

Volunteer - *Tikkun Olam*

A central tenet of Judaism, the commandment of *tikkun olam* (repairing the world) is put into practice every day at Wilshire Boulevard Temple, starting in Nursery School. We present year-round volunteer opportunities for families and adults, and we encourage every member to commit to at least one activity.

Karsh Family Social Service Center

Open as of 2016 at the Glazer Campus, the Karsh Center provides the Los Angeles community with dental, vision, and mental health care, a food pantry, and legal aid—and provides our congregants with many opportunities to volunteer.
