- b. School Day - Shall be any day within the adopted school year calendar plus any days prior to the opening of the school year which are allowed for interscholastic activities under IHSAA rules
- c. Suspension - The student shall not be allowed to participate in practices or contests during suspension time. A minimum of five school days of practice (assuming the IHSAA required practice time has previously been met) will be required prior to any involvement in any interscholastic contest after a suspension.
- d. Approved Substance Abuse Program - The program must involve an intake or assessment procedure followed by appropriately prescribed treatment. #### Commitment to the Code

Prior to participation in an activity, each student shall have a copy of the above "Code" signed and dated by himself/herself and a parent or guardian on file in the school office. Failure to comply with this provision shall preclude any participation in an activity until such time as the student and parent/guardian have complied with this section.

#### Activities Council

From time to time a committee composed of nine people representing all interscholastic activities in the school district may be convened to recommend activities policy and on occasion, review rules for recommendations to the administration and/or Board. This committee will be designated as the Lakeland Activities Council and can function with a quorum.

#### Association with the IHSAA
