

YOUTH IN ACTION

Calling all 5th and 6th graders! Now is your chance to sign up for "Youth In Action" - a Corinth community service group performing monthly service activities to make our community a better place!

The scoop:

- ❖ Once a month service activities – some at Corinth, some in the community.
- ❖ Activities may land on non-school days, half days, or a weekend
- ❖ Sign ups for each event will be through a sign up genius email sent to the YIA members.
- ❖ If you can make the event...great! If you can't make one, no worries...just as long as you try to make most of them
- ❖ Some activities will need parent volunteers and parent drivers (this will be communicated in the sign up genius emails)

The plan:

- ❖ Our first event will be September 23: Mitzvah Garden of Kansas City (details to follow)
- ❖ Other activities throughout the year will include Harvesters, Salvation Army Bell Ringing at Crown Center, a canned food drive, Giving the Basics and other past favorites as well as new ideas!
