Antelope Elementary School Library**

Attended: April Tobler, Jacque Bullock, Cassidy Mellor, Wendy Byington, Liz Hansen, Jamie Nash, Jennie DeFriez, Tiffany Tuck, Lori Burnett, Jen Ziegler

Welcome

Cassidy Mellor

Approval of Feb Minutes

Unanimous

Report on current progress with SIP

School board approved moving Land Trust funds to accommodate purchase of the following:

2 smart boards, iPads & a cart, laptops & a cart

We're also striving to have all classrooms updated with projectors by the end of the year.

Next year's SIP

In preparing the SIP for 2018-2019, we reviewed the SIP statements on Antelope and then worked through the document page by page, reviewing updates, goal status of prior year, progress of current year (including budget) and discussion of 2018-2019 goals.

Other Topics

It was asked if Antelope was getting rid of the Music Prep class for next year. It was then discussed that the Music Prep would become an Art Prep class and that there is interest in a teacher doing a school choir and possibly a musical. So the music program will be available to those students who want to participate in that program.

It was also discussed that if parents have concerns or questions about anything happening at the school, there is an open door policy for them to come in and address those concerns or questions directly with the principal.

Future Agenda Items

Do a timeline for CC voting in the fall
