Strategic Plan Refreshed

Best practice recognizes the importance of annually reviewing your school's strategic plan. I am very glad to say that Southridge did just that during a dedicated six hour session last Tuesday afternoon and evening. Members of our Board of Governors worked in close collaboration with our Senior Management Team to review the progress we have made toward achieving our strategic action plan for the year, and to make amendments to our priorities and initiatives, where required.

Under the careful assistance of a strategic planning professional facilitator who is very familiar with our community through past work with our Board of Governors and our school, our agenda took us through a comprehensive review process. In the past, the school has chosen to complete this kind of refresh retreat in October but because the Senior Management Team wanted to be more pro-active in their approach to establishing their annual team and individual goals, the Board was in agreement with adjusting the placement of the retreat and scheduling it for May. The spring date allows the Senior Management Team to have a crystal clear view of the priorities of the school for the upcoming academic year in a timely manner, which allows for more effective planning at their summer and fall retreats.

Goals, priorities and action items that are identified at the strategy day in May are transferred to individual goals of Senior Management Team members who hold responsibility in specified areas. This alignment process allows the school to function in a unified way so that the priorities of the school can be actualized through both a team approach and on an individual basis. Every month, members of the Senior Management Team prepare a written report to the Board of Governors describing and highlighting important steps made toward achieving key initiatives and strategic priorities. As you can imagine, this accountability measure (put in place by the Board) ensures that the school is moving forward in a strategic way and it positions the Board to effectively fulfill its role as it relates to strategic oversight.

Within the next month, the Senior Management Team will be presenting their annual strategic action plan to the Board for approval. Once that is done, our website will be updated so that, if interested, you can keep abreast of any developments in the strategic orientation of the school. I can tell you now, however, that the strategic priorities and key initiatives remain unchanged. What has changed, however, is the action steps the Board and Senior Management Team will take to ensure that the initiatives and priorities are being actualized. Over the course of this year, the school was successful in achieving close to forty points of action, and next year we anticipate being in the position to be just as successful.

Have a wonderful week!

Mr. Drew Stephens
Head of School

An “Exhibition” of Collaborative Learning

Collaboration is a skill that has been getting a lot of attention in the professional realm and particularly in the field of education. As an IB school, it is an expectation that we provide opportunities for collaborative learning for our students and for our teachers. I believe that the PYP exhibition is an excellent culmination of the collaborative learning that takes place in PYP at Southridge. Exhibition is a unique unit in the sense that students not only collaborate with their peers, but also with their mentors, and with other members of the community.

This year the Grade 4’s explored the central idea that “global citizens protect the rights of others.” Each group focused on a basic human right such as the right to medical care, or the right to food. They developed their own inquiry, and completed an analysis of the different sides to the issue. Working collaboratively, and beneath the guidance of a mentor, they creatively consolidated and communicated their findings to a greater audience. Another component that is required is an action piece, where each group must ‘do’ something as a result of their learning, in order to make a difference. I can certainly say from attending Exhibition that each group has made a positive contribution to protecting the rights of others just by raising awareness about the issues surrounding some basic human rights.

The ability to work together toward a common goal can be very rewarding and very challenging at the same time. I think the fact that our Grade 4 students rise to this challenge at such a young age is a testament to all PYP teachers and parents. On that note, I want to extend thanks to the Grade 4 students for their expertise and enthusiasm, the PYP mentors for their effective and constructive guidance, and to the parents for their patience and support throughout the unit. Finally, I wanted to acknowledge the tremendous organization, dedication and leadership of Mrs. Shanaz Ramji-Motani, Ms. Jackie Birch, Mrs. Rowena Raber and Mrs. Joyce Chong. Thank you for continuing to make a difference!

Ms. Alison Graham
Interim Head of Junior School

Grade 5-7 Parent Laptop Evening

Thursday, June 5th, 2014 6:30 - 7:30 p.m. in the Junior School Great Hall

As the year draws to a close, we want to prepare our existing Grade 4 students and parents for the upcoming MYP programme. Perhaps the most exciting addition to their educational programme is the use of the computer laptops. We view the laptop as an educational tool, and work with the students to teach the proper care and use of the laptop. We are also mindful that the students have access to the internet and email with the laptop, and we teach the appropriate use of these tools as well. We do feel that it is very important for our parents to understand our philosophy for these laptops, and also our expectation for their use at home. As such, we are hosting a parent laptop information session on Thursday, June 5th from 6:30 - 7:30 p.m. Our education at Southridge School is a partnership and Mr. Anderson, our MYP Technology Coordinator, welcomes you as we present the goals of the laptop programme, and our recommended use for the laptop at home.

Junior School World Partnership Walk - Friday, May 23rd, 2014

On Friday, May 23rd 2014, the two Grade 6 classes invite all Junior School students to participate in the World Partnership Walk to help support their unit on developing nations. Students will walk or run from 1:30 - 3:00 p.m. on the Southridge school grounds. Parents are welcome to run with the students if they wish to join in with this worthwhile cause. Students must bring a minimum donation of \$5.00 on Friday, May 23rd.

Students are required to wear the Southridge P.E. strip and house colours (Hawks - red, Ravens - black, Otters - blue, Chinooks - white). House points will be awarded to each house team for every lap completed. PYP earns 2 points per lap and MYP earns 1 point per lap. We encourage students to bring their own water bottle (with their name and home room on it), as there has been lots of waste in the past when we have used paper cups.

Let’s work as a community and help improve the lives of children in developing countries!

Graeme Lister, 6SA

Lice Clinic

Lice are often prevalent in schools due to the close head-to-head contact and sharing of personal items amongst students. We want to be pro-active and ensure that we are all lice free before some of our students head off to camp where they will be in even closer quarters. We have invited a professional lice clinic to come and do a screening on Wednesday, May 28th and Thursday, May 29th in the Junior School.

Students will also receive information about actions they can take to prevent the spread of lice. We would like to normalize the subject by doing regular screenings next year. We hope this will promote preventative measures as well as reduce the negative stigma often associated with lice.

Junior School

Congratulations To Our Golden Grade 7s!

Congratulations to the Grade 7 band who received a 'gold' level rating at last Wednesday's Kiwanis Music Festival in Langley. The students did an excellent job preparing and performing their three pieces: *Regal March*, *Mozart Serenade and Dance*, and *Guantanamera*. Ms. Owusu, a practicum student from UBC who was with us for the past three weeks, conducted one of the selections. The students are to be commended for their commitment to the group and for the progress that they have made since beginning on their instruments this past September. Special recognition goes to the trombone section, which was singled out as being the best beginning band trombone section that adjudicator Dr. Wayne Jeffrey has heard in the past 15 years!

If you would like to hear our gold medal Grade 7s in action, please join us for our year-end band concert on Thursday, June 12th at 6:30 p.m.

Dr. Bessflug, Mr. Burrage, and Mr. Mitchell

PYP Speech Celebration and Year End Dates

We need to begin preparing for the PYP Speech Celebration. All students in Grades 1, 2 and 3 will participate. (Grade 4's did their speeches during exhibition.)

The goal for the students is to gain confidence and feel successful speaking in front of an audience. It is not a speech competition at the PYP level, but a celebration of all the students' courage! It takes tremendous courage to present in front of a crowd of people. The students will present their speeches first to each other, then to other classes and finally to the parents.

The Speech Celebration will take place on Tuesday, June 17th in the morning. The MYP Competition will be happening the same day in the afternoon. The teachers will send home detailed instructions on how the students will be prepared for the great event.

Details for the year end will be coming soon. Meanwhile, mark your calendar with these dates for the PYP special days:

- Monday, June 3rd: Sign up to bring items to the year end picnic/beach. Sign up sheets will be on the classroom doors.
- Monday, June 16th: Sports Day (Grades K-7)
- Tuesday, June 17th: Speech Celebrations (Grades 1-3)
- Wednesday, June 18th: PYP Picnic (Grades K-4)
- Thursday, June 19th: Regular Classes (Grades K-4) casual clothes
- Friday, June 20th: 9:00 - 9:45 a.m. Closing Ceremonies (Grades K-7) full winter uniform

Enjoy these last weeks of school!

Mrs. Rowena Raber
PYP Division Leader
Grade 4 Teacher

MYP Junior School Term Tests

This year, all MYP students will write only one term test: math on Friday, May 30th. Study schedule will run from Friday, May 23rd - Thursday, May 30th. No new material that is taught after Friday, May 23rd will be on the math term test, and regular homework will not be assigned during this time period. Study guides will be distributed by math teachers by the beginning of study schedule time.

Please see below for answers to frequently asked questions.

1. **What are study guides?** Study guides outline the content and skills students are responsible for on the test. They help students identify what they should be studying and may offer suggestions about how to study it.
2. **What will students do at home during the study schedule?** Some study blocks will be self-directed with students choosing how to review content and practice skills. Others may be teacher-directed with teachers assigning specific exercises designed to reinforce concepts that will be on the math term test.
3. **What will students do in class during the study schedule?** Students will continue to learn new material as they move through their units of study in accordance with the Southridge curriculum.
4. **When and where do students write term tests?** Students write the term test in their homeroom during the *first two periods* of class on Friday, May 30th. Please do not schedule any appointments for your child during this time.
5. **How much time do students have to complete their math term test?** They have 90 minutes to write their test.
6. **How will term tests affect student learning?** The primary goal of term tests is to help students learn how to prepare for tests and exams. Effective study and time management skills become increasingly important when students proceed to the Senior School. Term tests also provide students and teachers with valuable feedback about their learning. Combined with unit tests, quizzes, assignments, projects, and observation, term tests form one part (between 10-20%) of the student's overall evaluation for Term 3.

Ms. Sue McNeil
MYP Division Leader
Grade 7 Teacher

Senior School News

Reflections From The Harkness Evening

Last Thursday, May 15th, 2014 we hosted an information evening in the Senior School that we termed the Harkness Evening to share with parents the student-centred, discussion-based collaborative learning we have been implementing in many classes over the past few years.

When parents arrived, we asked them to sign up for two 'classes' in which to participate - math, science, social studies, English or modern languages. Prior to the classes, everyone gathered in the library where we provided an overview of the Senior School Educational Program (SSEP), and the reasons why this particular discussion-based approach fits the skills and attitudes we wish to develop in our students. For each class, parents became participants in a 30 minute lesson similar to what their children are experiencing. I want to thank those parents that attended, participated with great engagement and also provided helpful feedback.

Based on feedback from our recent survey about the SSEP, we wanted to provide an opportunity for parents to learn more about the SSEP and specifically the student-centred, discussion-based collaborative approach we are taking in the Senior School. We were excited to offer this practical, ``learn-by-doing`` opportunity for our parents, and we will have another similar evening in mid-October next year. The teachers, leadership team and I are all hoping that even more parents will come out to the school to take advantage of this opportunity to learn about the SSEP and how we are striving to create an excellent learning environment for your children. We will be certain to remind you of the exact date during our annual Mini-School Night at the end of September and through the *Southridge Wednesday*.

Another interesting point that was gleaned from the survey was the fact that many parents hadn't contacted a teacher or administrator to learn more about the SSEP and the implementation that is occurring. I encourage you to speak with any of the teachers or administrators about any of the programs or offerings we are providing to Senior School students. We are happy and eager to help clarify any questions or concerns you may have.

In the future we will continue to share some key findings and trends from the survey results and I want to thank each of you that took time to provide your ideas, thoughts, questions and concerns so willingly. We are committed to providing a program that gives Southridge students the knowledge, skills and attitudes to be prepared to make a difference in their post-secondary choice and beyond. Your help is an important part of this success.

Great Success to Enjoy in the Coming Weeks

We have had some wonderful Senior School successes over the past few weeks and there are some key events coming up before the next Wednesday that I wanted to share with you. On the athletic front, we have a number of teams that have qualified for a berth in the Provincial championships. These occur the week after next.

Our Senior Girls Soccer team continues to dominant, and by way of the best league record, hosted many games in the Fraser Valley Championships, including the finals where they won, once again. This gave them not only a berth in the Provincials, but a strong seeding as well for the tournament happening at UBC this year. We wish the girls and their coaches Mr. Smith, Mr. DiPietro and Mr. Sterelyukhin much success.

The following day, our Senior Boys rugby team had a chance to qualify for their own berth in the Provincials with a win on home soil. To say the game was exciting would be an understatement. After looking like they had tied it up with only a few minutes left in the game with a try, the convert was missed and they trailed by 2 points. On literally the last play of the game, their captain, Nick Collett made an impressive score and their ticket to the Provincials was punched. Good luck to the team and coaches, Mr. Doig and Mr. Collett.

Then, in the latter part of the week, our golf team made it a perfect three and won the Fraser Valley Championships once again this year, allowing the team to compete at the Provincial level. They will be travelling to Osoyoos, BC the week after next to have Southridge colours present in another Provincial championship with their coach Mr. Porpaczy.

Finally, our Senior Tennis team, not to be left out, won convincingly in their Fraser Valley semi-final and then beat Archbishop Carney in the finals to be crowned Fraser Valley champions and receive the only Provincial berth from our region. Best of success to the team in their preparation and competition and coaches Minhoo Kim and Mr. Davies and sponsor, Ms. Jones.

It is not an easy feat to make it to the Provincial championships and to have all four of our sports to do it in the same term is a testament to the commitment, skill and effort of all of our athletes and coaches. A truly amazing few months of athletics around Southridge!

If this isn't enough success to celebrate, on Tuesday and Wednesday, May 27th & 28th our annual Café Concerto will be taking place in the Alan Brown Great Hall beginning at 7:00 p.m. This is a culmination of the efforts of our music department and it is not an event to miss! The variety and talent of the students is phenomenal and the evening takes place in a lovely setting with dessert and beverages. In addition, there are always contributions from our visual arts, drama and media arts departments that make the evening a very special opportunity. Tickets will be on sale soon through the website so keep your eyes peeled!

I certainly hope to see many of you out at the above events and I hope you have a great week,

Mr. Doug Palm
Head of Senior School

Tickets for Café Concerto

Tickets are now available on the [school website](#) for the Music Department's annual Café Concerto. The concert dates are Tuesday, May 27th and Wednesday, May 28th, 2014 and the cost of the ticket is \$10.00 per person.

See you at the show!

Ms. Parker, Mr. Mitchell and Mr. Burrage
Music Teachers

Still Looking for Current Grade 8 - 12 Students for Summer Camp Volunteers

We are still looking for summer camp volunteers for July 14th - 18th and July 21st - 25th. The volunteer positions are open to current Grade 8 - 12 students.

Volunteering at summer camps is a great opportunity to have fun, achieve service hours and enjoy the summer. Students often use their volunteer experience to gain future employment.

Application forms are available at the Senior School reception desk or click [here](#) to download.

Ms. Kahl
Summer Camp Coordinator
campleader@southridge.bc.ca

Café Concerto Needs Volunteers

It's that time again! Cafe Concerto is just around the corner on Tuesday, May 27th and Wednesday, May 28th.

It is an evening of Senior School musical and drama performances with a "dinner theater" atmosphere. It takes place in the Senior School Great Hall where we have beautifully set tables and serve desserts and refreshments throughout the evening. It is a lovely evening to take part in, even if you do not have a child performing. It is also a great way for all parents to meet other parents, especially Grade 8 parents, since all your children will perform. We always have a great time working together and at the same time enjoy the enormous musical talent at Southridge School!

I am looking for volunteers to help with set up, serving, and clean up on both days. The shifts are as follows:

- Tuesday and Wednesday morning from 8:00 - 11:00 a.m. for setting tables, plating fruit and general preparations
- Tuesday and Wednesday evening serving from 6:00 - 8:00 p.m. for preparing coffee and tea, helping serve dessert and general clean up
- Tuesday and Wednesday evening clean-up from 9:00 - 10:30 p.m. for stacking dirty dishes, cleaning tables
- Wednesday evening for putting away tables and chairs (here is where we could use some dads).

If you are available and can help for a shift of two, please contact Sangita Verma at 604-617-5224 or csveverma@aol.com. I look forward to hearing from you.

Café Concerto Committee

International Service Trips 2015

This week we launched our two service trips for March 2015. As these transformative experiences are open to any student in the Senior School and are often highlights of their time here, consider having your child participate in one of the following:

- India - in conjunction with Me To We, we will be returning to Lai Gow near Udaipur in Rajasthan for the third time. There, we will be working on a school-building project while learning about the intense local culture through a variety of experiences - including participating in the paint-throwing tradition of Holi festival! Cost of the trip is approximately \$5,000.00. For more information, see www.metowe.com/trips/india and then join us in Room 118 of the Senior School on Thursday, May 29th at 7:00 p.m.
- Guatemala - as part of our partnership with Project Somos, we will be returning to their children's village in the Western Highlands. For the first time, there will be children living in the village, so our tasks will be to continue building the project, but to also work and play with its inhabitants. We will also visit beautiful Lake Atitlan with its picturesque villages and stay in the UN World Heritage city of Antigua. Cost of the trip is approximately

\$3,400.00. For more information, see www.projectsomos.org and join us in Room 118 of the Senior School on Thursday, May 22nd at 7:00 p.m.

Mr. Daryl Weaver
Assistant Head of Senior School
Director of Experiential Education

Book Return Process for Senior School Library

With the Term 3 AR deadline coming up on Friday, May 23rd, it is time to start considering the book return process for the end of the school year.

Library Books

- Students will receive a printout of overdue library books by Thursday, May 22nd from their advisors.
- Students need to return all library books by Tuesday, May 27th.
- The library will be closed to borrowing starting Wednesday, May 28th for a few days while we conduct our annual inventory.

Text Books

- Most textbooks will be returned in the Great Hall on exam days. We will begin collecting textbooks at 7:45 a.m. for morning exams and at 11:30 a.m. for afternoon exams.
- All textbooks should be returned by the final day of exams on Friday, June 20th.

Please note that charges will be incurred for any library books and text books not returned by Tuesday June 24th, at which point replacement orders will be processed. A summary of the return process and related dates is in the attached file. Thank you in advance for your cooperation.

Ms. Maggie Yee
Senior School Teacher-Librarian

Students Win Multiple Awards in WorkSafe B.C. Video Contest!

Congratulations to the two groups of Grade 9 Southridge students who won awards for their entries in the 2014 WorkSafe B.C. Student Safety Video Contest!

Representatives from WorkSafe B.C. and industry sponsors visited the school on Monday, May 12th to present the awards. This is the third year in a row that Southridge students have been recognized in this province-wide student video competition for youth, judged by industry health and safety representatives.

Using the theme, *Don't Let Your First Job Be Your Last*, students were challenged to create a two-minute video targeting young workers that explores the topic of health and safety in a first job. Winning videos are ultimately used for young worker health and safety training.

2nd place, Junior Category (\$500.00 to students, \$1500.00 to the school)

"Through the Roof"

- Karl Rumm
- Jacob Baxter
- Justin Sanghe

Honourable Mention, Junior Category (\$500.00 to students)

"The Man in Blue"

- Angad Mann
- Shane Killoran
- Raghav Taneja

Please enjoy watching the winning videos by clicking [here](#). To learn more about the WorkSafe B.C. Student Safety Video Contest click [here](#).

One Act Plays

It has been a busy time in the Little Theatre over the past few months as the theatre performance class has been enthusiastically directing and rehearsing three entertaining one act plays:

1. *The Proposal* by Anton Chekov,
2. *The Necklace* based on Guy de Maupassant's short story and
3. an adaptation of Oscar Wilde's *The Importance of Being Earnest*.

This Friday, May 23rd at St. George's School in Vancouver, the students will be performing the shortened version of *The Importance of Being Earnest* by Oscar Wilde. Tickets are \$5.00 and will be sold at the door.

There will also be performances by Crofton House and St. George's drama departments on Thursday, May 22nd at 7:00 p.m. We would love to see our Southridge community in the audience.

Additionally, we will be performing all three one act plays on Monday, May 26th at 6:30 p.m. in the New Little Theatre. Parents and students are invited to attend the performance.

Ms. Jennifer Kelly
Drama Teacher

French and Spanish Speaking Exams

During the last week of May and the first few days of June, the Modern Languages Department will be doing oral exams. As the oral component is an important element of the final exam, it is important that your son and/or daughter be in class. If your son or daughter is ill or is absent for some other reason, kindly get in touch with their teacher as soon as possible. Thank you very much!

Modern Language Department

News for Both Schools

Attention All Golfers - Friday, June 6th is Almost Here!!!

With less than three weeks to go before the Southridge Golf Tournament at Morgan Creek Golf Club, we need your support to make this year count!!! Below are the ways you can participate:

- Be a golfer! If you would like to join us on the course, the cost is \$225.00 per golfer and includes your golf cart, on-course food sampling, games and activities, and a sumptuous gourmet buffet dinner in the Morgan Creek Clubhouse. There are limited dinner-only spots, so click [here](#) to download the player registration/dinner-only form.
- There are still a number of sponsorship options available - click [here](#) to see how you can participate with a sponsorship or donation.
- We need a variety of raffle prizes to make this great new fundraiser be the best! Click [here](#) for a suggested list of prize items
- It takes a lot of helping hands to make the day a success - click [here](#) if you would like to volunteer

Thank you to everyone who has already supported the event - your sponsorship donations are much appreciated and will go towards purchasing important capital items for the school and our classrooms.

It's going to be a great day on the links, so make sure you're a part of this year's success!

2014 Golf Committee

Spring Tea For All Junior and Senior School Parents

*"Volunteers are the sun, moon and the stars of our universe!"
Volunteers light up our world!*

The teachers would like to thank all the parents for all their contributions to making Southridge School a fantastic place to work. We really appreciate all the ways that you assist us, the teachers, to make a wonderful learning environment for your children. You are the sun, moon and stars of our universe and make Southridge a great place! Thanks for making a difference! Please join us for coffee/tea, treats and a chat on Thursday, May 22nd from 8:00 - 9:00 a.m. in the Junior School Great Hall so we may personally thank you for all your help. Thank you!

Southridge Teachers

Special Thank You - "Alex's Story"

Thank you from the bottom of our hearts for your love, support and willingness to reach out and offer a helping hand to the Knihniski family. Your generosity and kindness have been overwhelming, exemplifying our caring community, and is so greatly appreciated by James, Brenda and family.

Your amazing words of support, touching messages and thoughtful poems from students, alumni, families and colleagues, along with your very generous named and anonymous donations have truly given the Knihniski's the hope and encouragement that they need to carry on with a renewed vitality, while facing the challenges of their tomorrows.

Our very special thanks to Debbie MacDougall and Alan McInnes for leading our Facebook platform and, through video, providing an inspiring visual reality to "Alex's Story". We encourage you to check out the video clips on [Facebook](#) and the [website!](#)

As well, we sincerely thank Southridge School for supporting this initiative and helping us to "spread the word" through *The Wednesday*.

We would also like to especially acknowledge MJ and Dave Reich who have dedicated so much time and talent as "Guardians of Alex's Story" authoring and managing our website.

James and Brenda are so very grateful to all of you for your support! As a community, you truly have helped to lighten their load and brighten their spirits! The "Alex's Story" [YouCaring Website](#) will remain open for anyone who still wishes the opportunity to contribute. With our sincerest gratitude and best wishes,

MJ Reich, Sue Willms, Ruth Ward, Debbie Sabatino and Dori Martin

Country Fair Clean-up

Now that the Country Fair is over, we're in the final clean-up stages and would appreciate receiving any outstanding invoices, lawn signs and volunteer t-shirts. Please leave any of the above items at either the Junior or Senior School reception desk.

Thank you again for all your hard work and support - this year's event was another great success because of your participation!!!

Country Fair Committee
