Parents may check out as many books as  
they would like for their child  
before and/or after  
school

Please  
take  
good  
care  
of my  
babies

✿ Donation or gift cards for books are always welcome for our library.

✿ If used books are donated, they may be used for rewards, sold or donated.

The selection and purchasing of books includes updating the existing library collection, core curriculum needs, popular series that are requested by teachers or students, and library book list and award winners.

Students may keep their books for two weeks without being overdue. If they need their books longer, they may renew them until they are done. There is not a fine for overdue books. Fines will be given, if the book is lost or damaged. Students need to have books paid for or turned in by the third week in May to attend field day. Fines carry over to all other schools until they are paid for.
