Big Smiles at the Country Fair

As many people have written in recent *Southridge Wednesday* articles, the Country Fair is a wonderful extended community event at Southridge. This year, the entire Country Fair Week had a special kind of energy about it. One of the highlights of the week leading up to the day of the Fair, was that our students saw so many of our parents volunteering in and around their school.

In that respect, our parent volunteers are very important role models for our students because their actions support the notion that Southridge is not the kind of place where we *just talk about* making a difference. It is a place where all members of our community embrace the meaning of our mission statement as an expression of their commitment to helping Southridge be the best it can be. It is through experiences that happen at the Fair, when we are working side-by-side with one another, that we develop a special connection to our school. This kind of connection makes Southridge a truly special place.

The Country Fair is very much reflective of the can-do attitude and sense of focused energy that helped our school in its early days, and I am glad that the same attitude and energy continue to influence our school's culture today. The Fair is a great demonstration of our guiding principles at work, and for that reason it is a significant highlight of what it means to be a member of the Southridge community. Our parents show-up on Fair day to enliven and enrich our strong history of volunteerism, and it is through experiences like the Country Fair that the story of Southridge continues to be written.

Success for the Country Fair is not only defined by the amount of money we raise for our school, even though that is an important part of the day. A successful Fair is also characterized by the experiences and memories that we and our visitors leave with at the end of the day. No other event at Southridge brings our school together with the extended South Surrey community in the same way as the Fair. It is on this day that visitors get a chance to feel what makes Southridge a special school. All of our volunteers' contributions are very much appreciated.

The Courage to Ask...

How amazing was the Country Fair?! A considerable amount of effort and energy went into preparing for and executing the fair. Thank you to everyone who volunteered - your commitment to our community is a very deep well and it is truly wonderful to see how our everyone comes together - not only to support our community, but to also open the doors to our wider South Surrey community for such a fun and lighthearted event. The Country Fair most definitely shows how our guiding principles of community, influence and contribution are alive and well!

A couple of weeks ago a petition appeared on my desk with 136 signatures on it, and the names of the three Grade 5 boys who were responsible for it. Curious to learn more, I invited the boys to a meeting with me to hear more about what prompted them to start the petition and to clarify what they were requesting. Last week, I sat down with the boys and listened to them as they confidently and excitedly made a pitch to advocate for a change - instead of 3 single blocks of PE/cycle, could we have 1 double block and 1 single block/cycle. I must say, these boys came prepared to discuss their concerns and ideas, and to compromise - they clearly had thought this through from every angle and presented me with several valid reasons for why the change could be made and how it could be done, given the constraints we have on gym usage. They came with a solutions oriented approach and were ready to hear my perspective, too. I was struck by their courage, commitment, thinking and willingness to take the risk to make the ask.

Too often, when we want something, we talk ourselves out of asking for it and tell ourselves no. My philosophy has always been, you can always ask for whatever you want so long as you are prepared to hear no for an answer. These three boys were very prepared to hear no, even though they were hoping for a yes. In the end, I didn't give them a yes or a no. I was able to tell them that their input and ideas will be carefully considered as we look at building our timetable for the upcoming school year. While I can't promise a double block of PE, I can promise that we will look to address some of the concerns that led them to ask for the double block of PE. I am proud that our students are thinkers who can problem pose and problem solve while considering multiple perspectives. Thank you Tyler, Cooper and Joshua for showing such leadership and confidence - I am listening!

Whether you are celebrating your own mom, or being celebrated as a mom, I wish all of the mothers in our community a wonderful Mother's Day!

The Student Code of Ethics: Honesty

At an early age I learned that it did not pay to lie. I also learned that I was a lousy liar and that lying just ended up complicating things. When I was about 7 years old my older sister was getting ready to go out with her friends and was blow-drying her hair in the bathroom. There was a five dollar bill on the counter and I stealthily grabbed it and put it in my pocket (she was 17 and too engrossed in her hair to notice). Five dollars was a lot of money in the early 70's and I was pretty proud of the fact that I had more money in my pocket than I could ever remember having. Realizing that I needed a story about how I came about acquiring the cash, I went into my parents and told them I had miraculously found \$5 on

the street on the way home from school. Lacking the ability to visualize the future, I did not realize what inevitably lay ahead of me. Naturally, my sister started asking if anyone had seen her five dollars. “Nope,” I confidently responded. A few minutes later my dad asked me again where I got the money. “On the street,” I said. “Get in the car and show me,” he replied. “*gulp.*”

I got into the passenger seat of my dad’s maroon Oldsmobile Delta 88 and he told me to show him the exact spot where I had found the money. We drove a couple of blocks and were almost at my school when I pointed to the side of the road and said, “there.” He said, “where?” and I pointed again. I looked over at him and saw the stern look on his face and I knew at once that he didn’t believe me. I burst into tears. The jig was up. I’ll never forget the look of disappointment on my sister’s face when we got home. We were very close and I had stolen from her and lied to her. My days of grand theft came to an abrupt end and I think I knew then that a successful life of crime and deception was not in my future - I certainly didn’t like the feeling of being caught and the consequences of my actions.

This week as I was editing our Senior School Student Handbook, I came across a section titled “Lying” that instantly took me back to 1973. At Southridge, not having locks on lockers is a symbol of the trust we demand and expect from every student. This dictates that we must place trust and honesty at the center of everything we do. In the student-written Student Code of Ethics, honesty is an integral component of being a Southridge student. Each student signs this code of conduct in advisory in September. We strive to develop student character and honesty as defined in the code of ethics: “accepting the consequences of telling the truth; being able to accept one’s own actions; standing up for truth; not cheating or stealing; and being trustworthy.” Young people will make mistakes - that is a certainty. It is essential; however, that throughout the process honesty is revered and a strong moral character is allowed to flourish.

Have a great week,

Brad Smith

China Tour – Summer 2018 – Info Meeting May 16th

The Social Studies department has created an opportunity for an academic/cultural trip to China for the summer of 2018. The trip would consist of three main concentrations: Beijing, Nanjing and Hong Kong. In Beijing the highlights would include visiting Tiananmen Square, the Forbidden City, the Temple of Heaven, the Summer Palace, and of course, a trip outside the city to walk on the Great Wall and to also visit the Ming Tombs. In Nanjing, the highlights would include a visit to Purple Mountain, which holds the mausoleum of Sun Yat-sen, and many other spectacular sites. In Nanjing, we will also learn about the history of the city during the Second World War, which will complement their studies in the upper grades of Social Studies. The final destination will be Hong Kong. Once again, there is a huge connection to the Second World War and the Canadians who fought there, which is taught in Socials 10. In addition, we will visit the harbour, Victoria Peak, Stanley Market, and leave some time to do some final shopping!

The trip will begin on Monday June 25th and we will return to Vancouver on July 5th. The dates will not conflict with any final exams or Grad events. The cost of the tour will be around \$4, 100.00 and it covers all transportation, food, lodging, entrance fees, and our guides.

A tour information session has been planned for Tuesday May 16th at 7 pm in the Senior School Library.

TREK – Teens Running for Every Kid

On Friday, May 19th, Senior School students will participate in Southridge's twelfth annual TREK (Teens Running for Every Kid) by walking or running 5 kilometers in our neighbourhood. *100% of the funds raised from this event will go directly towards Project Somos*, a non-profit organization that works to build a Children's Village model in Guatemala. In doing so, the organization is able to create a better future for underprivileged children and their families. Several students attended a service trip to the village this past Spring Break, and have shared the special memories and bonds created from this unforgettable experience at our last full school assembly.

Registration for the event will be open during lunch from Wednesday May 10th to Thursday May 18th. To register, students must fill out a consent form, **indicating their chosen method of payment - by account or by cash.** Students will then receive a TREK t-shirt and raffle tickets for prizes at the end of this awesome event! Supervision in the library will be available for those unable to participate. Thank you in advance for your support!

Auditions for Café Concerto Awh! (Auditions With coffee House!) May 11th, 7pm

Our annual senior school Music Department concerts, Café Concerto, on Tuesday and Wednesday May 30 & 31, are fast approaching! Each year, at the concerts, several students successfully audition to be a part of the show as student-directed small groups or solos. These musical numbers always add a nice breadth to our concerts, as well as reveal some of the amazing talents that our students have.

Auditions for these spots will take place in the form of a coffee house during the evening of Thursday May 11th in the Great Hall. The show is open to any audience members who

want to attend. This will be a performance, so those auditioning should have their pieces fully prepared. There will be refreshments available, so come on out for a great show!

Café Concerto - May 30th & 31st

Our musical year ends at Southridge with the annual Café Concerto. For two nights, Tuesday and Wednesday, May 30th & 31st, in the Alan Brown Great Hall, our senior school students will showcase the arts. Audiences can look forward to music from all of the bands, jazz bands, jazz studies, and choir, as well as performances by soloists and small ensembles.

This year, Grade 8 band students will perform on the 30th, and Grade 9 students on the 31st. The choir, senior bands, and soloists will perform on both nights. Audience members can enjoy all of this music while being served delicious refreshments.

Students involved in the music department should set aside the evening(s) of their performance as well as Monday morning, May 29th for the Dress Rehearsal. In addition, if they would like to audition for a 'solo' spot, they should find an appropriate song and audition at the coffee house on Thursday, May 11th.

Tickets will be available through the parent portal on the school website. We look forward to seeing you there!

Grade 8/9 Girls Soccer Team

This soccer season went by really fast, but it truly was a great experience. Although the team faced the daunting task of playing the big 'AAA' Surrey High Schools, the heart and effort was definitely there and the positive attitudes of all of the girls kept the team moral up. Amongst the team's best performances were a 0-0 draw against LA Matheson as well as holding one of the top teams, Sullivan Heights, to just a 1 goal advantage until late in the game. The key to sport like soccer is working as a team, and despite such a short season, the girls started to find some form towards the end of the season. Looking for a win in the final regular season game, we were disappointed when our opponents forfeited.

Nonetheless, we blended the teams and scored some nice goals in a 7-aside scrimmage. There was definitely potential for us as a team, and hopefully we can be even better next season.

Southridge School Examinations - 2017

The last day of classes for Southridge students will be Thursday, June 8th. Grade 8 and 9 final science tests will take place between June 5th – 8th during classroom time. School examinations, which take place in the Senior School gymnasium, will begin the following day on Friday, June 9th. It would be helpful to review the schedule, and our examinations policy, (see attachments) very carefully with your sons and daughters prior to the exam period. In addition, it is really important that students get enough sleep, exercise, relaxation, and quiet study time in order to be at their best. Southridge exams are designed to be completed within a maximum of two hours, but students may take up to three hours for each exam if they wish. In the event of illness, or any circumstance that prevents the student being on time or able to write the exam, please contact Mr. Jones, Assistant Head of the Senior School, or Mrs. Holt, Senior School Academic Director.

Thank you.

English 12 Provincial Exam - Thursday May 11th (am)

Grade 12 students will be writing the provincial English 12 examination on Thursday 11th May in the morning. Students should ensure that they are **here by 8:00am** and will be writing in one of the four classrooms allocated for the exam (120, 235, 239 & 240). As this is an electronic exam, it is imperative that students take the time to ensure that their computers are in good working order, free of any viruses and that all updates have been completed. Failure to do this will result in delays at the start of the exam. In addition, students will require their PEN numbers to access the Ministry website. This number can be found at the top of a student's report card and it will also be needed later to access the website to find out an individual student's result.
