Head of School

New Heads Welcome

As many of you know, last week we hosted a special evening reception to introduce and welcome Mrs. de Hoog and Mr. Smith to Southridge. Thank you to those of you who were able to make the time to attend our event. I thought it was an excellent way to begin this next chapter in our school's history.

Mrs. de Hoog and Mr. Smith gave all of us glimpses into their lives from both professional and personal vantage points. Creative, warm and funny, they are both that much more a part of our Southridge community for having been so open and willing to share their journeys to Southridge and their values and beliefs as educational leaders.

Beyond what was actually said during their presentations, though, it strikes me that the comfort and excitement that so many parents felt was grounded in something less tangible than words. In fact, I'd go as far to say that it was grounded in something more emotional. Let's face it, when meeting the people who will be working with you and our teachers to literally shape the lives of your children, I bet you want to both know and, much more importantly, feel that you are connected with them at a core emotional level.

In that regard, there were certain characteristics that both Mrs. de Hoog and Mr. Smith shared that probably struck all of us. Devoted, compassionate, patient and kind were evident, for sure; but what stood out for me was their sincere commitment to pay close attention to each and every one of your children, to truly "see" them, to know them and to care for them. As Mr. Smith said, what kids need is love. I am very glad he said that because it is so true and yet too often left unsaid, especially in high schools.

Mrs. de Hoog and Mr. Smith also stressed how important it is for children and youth to feel safe. The philosopher Simon Weil has been quoted as saying that attention is the rarest and purest form of generosity. Mrs. de Hoog and Mr. Smith are generously committed to creating a loving and safe school environment, a place where your children are "seen" and known.

Welcome to Southridge and thank you Mrs. de Hoog and Mr. Smith.

Have a wonderful week!

Head of Junior School

There's no I in team, but there is a U and I in community

As I continue to make connections and engage in conversation with people around the school, there is a common theme that emerges regardless of who I talk to, and that is

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

community. After this first full week of classes and experiencing many wonderful school events, such as the Welcome Our New Heads Evening, the whole school assembly, the Grade 5-7 Celebration of Reading, and the Welcome Back BBQ I've been reflecting on this concept of *community*.

You've likely heard the saying, "there is no *I* in team". A typical team exists for a competitive purpose - there is no "*I*" in team, because a team exists as one side in a competition, usually with the shared goal of defeating the opposing team. Individuals don't win or lose, the entire team wins or loses, based on how effectively the team functions as a singular unit. In contrast, a *community* does not exist for competitive purposes. It exists to meet the needs of individuals that share common attitudes, interests and goals. A *community* works towards something; and if we look at the word in the literal sense, we can see that there is a *U* and *I* in *community*.

Our Southridge community is made up of many unique groups and individuals (*Us* and *Is*): child and parent, child and teacher, classes and cohorts, friends and families, clubs and teams, the list goes on... Although we are all individuals, we all share in the vision, mission and guiding principles of the school. It's true, *we are all one* - one person, yet also one of many groups, within a larger community called Southridge.

In *community*, we find strength to keep moving forward, despite the challenges that may arise, because we have a built in network of support as we work towards our shared vision, mission and goals. I believe this is thriving at Southridge. We celebrate the successes of the whole community, but we also celebrate the success of individuals or smaller groups within the community.

This year, during our Junior School community time (aka assemblies) we will focus on the school wide theme, "It starts with one". During our first assembly, students and teachers were challenged to think about what they might, as one person, start this year - from little things that matter to them as individuals, to bigger things that have an impact on our Southridge community and the wider global community.

As we begin this new school year, let's celebrate and honour the *U* and *I* in community, and look forward with anticipation to what we will accomplish together, *in community* with one another. Omnis Anima Volet - Let every spirit soar!

Important Date Change

Due to a conflict with our Ministry of Education Inspection Visit, Junior School Parent-Teacher interviews have been rescheduled from Thursday, October 20 to Thursday, October 27. Please save the date, mark your calendars and plan accordingly. We apologize for any inconvenience this may cause and appreciate your understanding.

Junior School Terry Fox Run

The Southridge School Terry Fox Run is coming up! Students can participate in the run on Friday, September 23rd after lunch recess. We are running to raise money, as we do each year, for cancer awareness.

The Terry Fox Run is named after Terry Fox, a Canadian man who had his leg amputated because of cancer. Three years after his amputation, he made it his mission to run across Canada to find a cure for cancer. This run was named "The Marathon of Hope". He ran halfway across Canada before the cancer in his leg spread to his lungs, and soon sadly passed away. People all over Canada still run each year to raise awareness and money to find a cure.

This year, we will be continuing our tradition of the run. The grade 7s will be setting up a course around the school campus for grades K-7 to run around and it will be a \$5 minimum donation to participate. Students can wear house colour t-shirts with Southridge PE shorts because they will be raising house points for each lap they do! To make things even more fun, all students are allowed to wear temporary hair dye and face paint for the day. We hope everyone has fun at the run! Parents, you are welcome to come out and run/walk with your child.

- Wear House Colour t-shirts with your Southridge PE shorts
- Temporary hair dye and face paint are allowed!

By Lauren Tkatch 7SM

Sandwich Making

Thank you so much to all of the parents and students who donated to and participated in our successful sandwich making sessions last school year. We are ready to begin our weekly sessions in Room 154 at 3:00 pm tomorrow, Thursday, September 22nd. The sandwiches will be taken to the Surrey Urban Mission on Friday, September 23rd, with a

visiting Senior School advisory group. This food contribution is highly appreciated by the staff and patrons at the mission. Thank you!

Mrs. Murchie

Order Hot Lunch Online (Kindergarten—Grade 3)

We are now accepting your Hot Lunch orders online at <http://www.munchalunch.com/schools/southridgesurrey>. Please place your child's order by September 22nd. At this stage we are unable to accept online payment. Be sure to submit your cheque to the Junior School front desk once you have placed your online order. For more detailed instructions, please see the attached document. If you have any problems or concerns, please contact your Hot Lunch Chairs: Gabe Embley, gabe.embley@yahoo.ca and Cindy Moreno, cindyvisnjak@hotmail.com.

Hot Lunch Volunteers

We are still looking for Hot Lunch Volunteers to distribute the meals to our students. Volunteering requires being at the school 5-6 times throughout the year on Wednesdays from 11:15 a.m. to 1:15 p.m. If you are interested, please register through the [volunteer portal](#).

Junior School Cross Country Team

The cross country team (Grades 3-7) is up and running! All registered members should check in with Schoology to see upcoming events, dates, and more detailed information about the meets. We look forward to a great season. We meet 3:15 - 4:15 pm (Tuesdays and Thursdays) on the Junior school field. Remember, cross country goes rain or shine!

Head of Senior School

The Legacy of Terry Fox

This Friday, Senior School students will board busses and head to Crescent Park where we will have our annual Senior School House Picnic and participate in the annual Terry Fox run and celebrate the legacy of a young man who in the 1980s captured the hearts of Canadians and people around the world.

In April of 1980, Terry Fox dipped his artificial leg into the Atlantic ocean in St. John's, Newfoundland and without a great deal of fanfare began his Marathon of Hope. 143 days later, just outside of Thunder Bay, Ontario, and after running 5300 km (he averaged 40 km/day), Terry Fox's dream of running across Canada came to an abrupt end as cancer had spread to his lungs. Terry Fox died in September of 1981. To date, the Terry Fox Foundation has raised nearly \$700 million for cancer research.

Terry Fox is a household name for the vast majority of Canadians as well as for millions of people around the world. Every September, people of all ages in over 25 countries participate in the Terry Fox Run to raise money for cancer research through the Terry Fox Foundation. Terry Fox is a Canadian hero who has schools, medical research facilities and roads named after him across the country. Countless monuments depicting Terry in his struggle to run are scattered across Canada. Terry Fox's iconic legacy continues to live on.

How many young Canadians have heard the name Steve Fonyo? When I asked the Senior School students that question in assembly this week, two hands went up. Steve Fonyo, like Terry Fox, was an amputee who set out to run across Canada in 1984, but that is where the similarities between the two end. When you look at the accomplishments of these two men, there is no doubt that Steve Fonyo was successful in reaching his goal. He completed his cross-country trek in 1985, running almost 8000 km on one leg; however, Steve Fonyo's legacy was nothing like that of Terry Fox.

Steve Fonyo was named an Officer in The Order of Canada after completing his run, but never received the respect he felt he deserved from the media and the Canadian public. He ran into difficulties with the law a few years later and was charged with multiple criminal offences including assault with a weapon, possessing a stolen car, numerous drunk driving offences, and fraud. His organization, Journey for Lives, raised \$14 million but is no longer an active charity. Unfortunately, Steve Fonyo's legacy is a

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

sad one littered with violence, trouble with the law, as well as addiction and homelessness. His membership in the Order of Canada was revoked in 2009.

Though Terry Fox was unable to complete his Marathon of Hope, his legacy will continue to live on. He is a Canadian hero, remembered as a man of character, and a symbol of determination, selflessness and hope. He was a young man with a positive attitude and unwavering pursuit of his goals who will continue to live on in the hearts and minds of many as a great Canadian hero and role model. My message in assembly this Monday encouraged kids to consider the power of their legacy that they leave behind; the power of our attitude, our values and our integrity will define how people remember us.

Please consider donating to The Terry Fox Foundation this Friday.

Brad Smith
Head of Senior School

Senior School Picnic

This year's senior school picnic is on Friday September 23rd. After a short day of classes (period 1 and 2), students will get on the buses (10:40) and travel a short distance to Crescent Park. Students will enjoy a picnic and participate in welcoming rituals, tug of wars and finally, the Terry Fox Run. New students will get their house t-shirt at the picnic. We will return to school by 3:00. Students need to come to school on this day wearing their house colours/costumes and bring:

- Bag lunch
- Water Bottle/water
- Running Shoes
- Clothes should be old clothes in house colours that are ok to get dirty
- Students can dress up in house coloured crazy costumes
- Students can paint their faces/hair in their house colour
- A towel to clean up after welcoming ritual or a change of clothes
- Raincoat or suntan lotion...we go rain or shine
- Donation for Terry Fox

Welcome to the Southridge Senior School Mini School Night

There are several opportunities to get to know teachers on an informal basis early in the school year at events such as the Welcome Back Picnic and on the sidelines at sporting events, but on Thursday September 29th from 6:30 to 9:30 pm Southridge invites you to the Senior School Mini School Night.

This evening provides you with an opportunity to follow your son or daughter's schedule and to meet his or her teachers. This popular event has received excellent feedback from parents who have found it to be a very informative and valuable experience. To parents of students in all grades please come and join us and learn a little more about the varied curriculum and daily lives of our students in the Senior School.

Registration begins promptly at 6:30 pm in the Senior School gym. We look forward to seeing you there.

Ms. Jan Holt
Senior School Academic Program Director

Senior Boys Soccer at ISA Tournament

This past weekend, the Senior Boys Soccer team travelled to Vancouver Island for the annual ISA's. The team of 18 boys arrived in Victoria on Thursday night, ready to kick the season off. The tournament begun early Friday morning, with two games ahead of the Senior boys. The first game was arguably one of the toughest games they would play throughout the entire season. With great optimism, the team begun the tournament against St. Georges School. Having only one practice prior to the tournament, the team was not completely familiar with one another, proving to be the difference in the game. Two unfortunate plays led to a 2-0 win for the Saints. Without some outstanding saves by Southridge's keeper Lukas Schenk, the score could have easily been doubled.

Coach Smith made subtle tactical changes to the line-up for Game 2, adding Landon Gill, Southridge's first string goalkeeper to his favored position. He began the tournament with a slight injury, however he proved to be unfazed as he parked himself in the net. The team went down early on a penalty kick to Brentwood, however Rowan Frost brought the boys level with a handful of minutes left. The end result was a win on penalty kicks, with Landon locking down the net.

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

The boys rolled into Day 2 of the ISA's on a high, although much of the team having little optimism about the task at hand. The first game on Saturday was against the host school, St Michaels University. The team began the game slow, however upping the intensity proved to be the turning point. Lockdown defense displayed by center-backs Kale Fehr and Luke Zhang was crucial down the stretch, arguably the game savers, sending the game to penalty kicks. Landon picked up where he left off, hammering a kick through the posts before saving the final shot to win Southridge the game. Players described the win as a great accomplishment, meanwhile many seniors were in "shock" afterwards. The final game of the tournament was the toughest game physically for the boys. Collingwood came out strong, but the boys pushed right back. A slight header from Nick Strecker put the boys in front, after an unbelievable 40-yard throw-in from Noah Cender. Nick Strecker put Southridge up 2-0 as he buried a penalty kick.

Overall, the Senior Boys Soccer had a great start to the season, placing 5th in the ISA's.

Nick Strecker

BC Ministry Curriculum and Provincial Examination Changes for 2016-2017

A Brief Background

As you may know the Ministry of Education in British Columbia has been working on changes to the curriculum since 2011 when the need for changes to the existing graduation program was initially highlighted. The Ministry, in consultation with stakeholders, has been working on modernizing curriculum, assessment and the graduation program since that time.

It is worth noting that Southridge developed its own [Senior School Education Program \(SSEP\)](#) in response to many of the same imperatives for better meeting students' needs in the increasingly diverse, technology rich, collaborative, and globally focused world in which we live and work.

The changes envisaged by the Ministry will be brought in over the next few years after further consultation with post-secondary institutions. In order to allow schools to adjust to the new curriculum and new provincial exams, only modest changes to the graduation credit requirements will be made for now.

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

The changes to the provincial examination program are effective as of July 1, 2016, which is the legislated start to the school year. Under the new curriculum, the path to graduation is designed to be more flexible. The graduation program still spans Grade 10, 11 and 12, but a student's path to their Dogwood may be more varied than before.

There is a clear emphasis on real-life experiences - community involvement, gaining business knowledge, and hands-on learning. Beginning in the 2017/18 school year, every student will have to take Career Education to graduate with the intent to build closer links between classroom learning and future career goals and pathways.

The emphasis in B.C.'s redesigned curriculum is the core competencies of communication, creative & critical thinking, and social & personal responsibility <https://curriculum.gov.bc.ca/competencies>, essential learning, and foundational literacy and math skills. **The current provincial examinations are being discontinued**, and will be replaced with two new exams, which focus on literacy and math skills.

What This Means for Students

For students entering Grades 10-12 in the 2016/2017 school year:

- **Grade 10 students will:**

- Follow most of the current Graduation Program requirements
- Take a Math 10, a Language Arts 10 and Science 10, with classroom assessments **instead of provincial exams**
- Meet Social Studies graduation requirements with classroom assessments
- **Write a provincial math skills exam and a provincial literacy exam before graduation**

- **Grade 11 students will:**

- Have completed a Math 10, a Language Arts 10 and Science 10 or equivalent and written the provincial exams
- Meet Social Studies graduation requirements with classroom assessments instead of a provincial exam

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

- Write a provincial literacy exam before graduation
- Not write the new provincial math skills exam

- **Grade 12 students will:**
 - Finish all the current Graduation Program requirements
 - Have completed a Math 10, a Language Arts 10, Science 10 and Social Studies 11 (or equivalent) and have written provincial exams
 - Take Language Arts 12 (or equivalent) and write the associated provincial exam
 - Not write the new provincial literacy or provincial math skills exams
 - Students who have completed courses associated with discontinued exams by June 30, 2016 will have until June 2017 to write or re-write exams
 - Students taking summer school during July and August 2016 will not be required to write provincial exams in Math 10, Language Arts 10, Science 10 and Social Studies 11 (or equivalent)

There is considerably more detailed information on the Ministry's website and I would encourage all parents and students to review the information there.

Both Schools

Thanks to you . . .

Our Southridge community really is remarkable. Each year, through the generosity of donors, we are able to purchase items, supplies and equipment that we would otherwise do without. From technology to athletic equipment, your annual donations to the school really do make a difference in the lives of our teachers and students.

In fact, thanks to you, every single day our Junior School students can be found on the new playground equipment. Our previous playground equipment was purchased used when the school opened over 20 years ago and was overdue for an overhaul. Fundraising for the new playground began in the summer of 2015 and was completed in April 2016 – a mere 9 months after the project began. In that time, \$100,000 was raised in directed donations and the remainder was raised at the gala in November. This is a remarkable gesture from our parent community, many of whom were already regular contributors to the Legacy and Annual Giving Campaigns. The laughter of our youngest students as they chase each other up the platforms and down the slides will be heard every day for many years to come, thanks to you.

Every year we ask our families to make a donation to Southridge. If you have not yet made a donation this year, please consider [making your gift online today](#). Your gift can be directed to an area at the school that means the most to you including Arts, Athletics, any of our bursary funds, or you can choose to support our Greatest Need fund.

Alternatively, have you ever considered donating publicly traded securities or shares? When you donate such securities to Southridge (or any Canadian registered charity), you do not have to pay a capital gains tax. Capital gains, or the increase in value of your securities over the price you paid when you purchased them, would be subject to tax if you were to simply sell them, even if you plan to donate the proceeds from the sale. But when you donate securities that have increased in value directly to Southridge, those capital gains are not subject to tax and your donation can have an even larger impact. The process is simple – just contact me directly if you have any questions or would like additional information at 604-542-2330 or via email at chodson@southridge.bc.ca.

If you have any questions about making a gift to Southridge, please don't hesitate to contact me directly any time.

Thank you for your continued support.

Video Training for Schoology – Lesson 2 How to set up notifications

Ms. Mosher, our Senior School Education Technology Leader, is creating a series of videos to show you how to use Schoology. In this second video, she demonstrates how to view and customize your notifications. [Click here to view the video.](#)

Volunteers are paid in six figures S-M-I-L-E-S!!!

A huge thank you to all our keen volunteers for their hard work and help at the Welcome Back BBQ. The event was a great success and we are so fortunate to have a community that is always willing to be there for us whenever they are needed. The key to our success is having committed volunteers like you and your amazing dedication and incredible support was much appreciated last Friday – great job!

A special thanks goes to the Nick Nuraney Family for their generous donation of A&W hamburgers and root beer floats – it just wouldn't be a bbq without their kind support!

Ms. Slaughter
Advancement Officer

Volunteering at Southridge

Did you know that many of the things that make our school great depend on volunteers? Volunteering gives you a wonderful glimpse into the world of your child, and is a great way to give back to the Southridge community.

Volunteers are needed for playground supervision, library, hot lunch, the baking committee, hospitality, and lost and found. These positions follow a schedule, and you can let the coordinators know what frequency would work best for you (weekly, biweekly, monthly):

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

Playground Supervision: Interested in seeing your children at play during lunch? Volunteer as a playground supervisor! Playground Supervisors have the important job of ensuring that our kids are kept safe on the playground. Choose which day or days of the week work for your schedule, and how often you would like to volunteer (from 1 day a month to twice a week). On-Call Playground Supervisor positions are also available if you can't commit to a schedule but would like to help out when you can. Please sign up online and contact ianpovey@gmail.com and tracy.povey@gmail.com for more information.

Library: With 80 library shifts a week there is always room for more volunteers! Please consider lending a hand in the Junior Library once a month or more. We still have a lot of spots to be filled, especially morning shifts. Each shift is either in the morning from 8:00 am to 11:30 am, or in the afternoon, from 11:30 am to 3:00 pm. Contact Teanna Moe at Southridgejrlib@hotmail.com for more information.

Hot Lunch: We are still looking for Hot Lunch Volunteers to distribute the meals to our students. Volunteering requires being at the school 5-6 times throughout the year on Wednesdays from 11:15 a.m. to 1:15 p.m. If you are interested, please register through the volunteer portal.

***Order Hot Lunch Online (Kindergarten—Grade 3)**

We are now accepting your Hot Lunch orders online at <http://www.munchalunch.com/schools/southridgesurrey>. Please place your child's order by September 22nd. At this stage we are unable to accept online payment. Be sure to submit your cheque to the Junior School front desk once you have placed your online order. For more detailed instructions, please see the attached document. If you have any problems or concerns, please contact your Hot Lunch Chairs: Gabe Embley, gabe.embley@yahoo.ca and Cindy Moreno, cindyvisnjak@hotmail.com.

Bakers: Calling all bakers! Are you looking for a volunteer position that you can do at home? If you are a busy parent who can't always be on-site to volunteer, the Southridge Baking Committee is the perfect position—you can even bake ahead and freeze it! We provide home-baked goods to the faculty at the Junior and Senior Schools each Friday morning. With enough volunteers, most committee members end up baking only 4-5 times over the year. Contact Vanessa.Lapointe@shaw.ca for more information. Happy baking!

Hospitality: We are in need of hospitality volunteers to assist with providing coffee and treats when required for events such as the coffee mornings and Open House in the

SOUTHRIDGE WEDNESDAY

Our Weekly News

SEPTEMBER 21, 2016
ISSUE #03

Junior School. Volunteers help with preparing the setup and take down at the end of the event or meeting. Please contact Sejal Shah at sejal@shatex.com.

We are also looking for volunteers for hospitality events in the Senior School—if you are interested please sign up online!

Lost and Found: We are looking for one volunteer to come in on Fridays at 11:45 for about 30 minutes, and periodically pop in during the week to tidy and sort the lost and found closet. The position also includes washing unlabeled clothing once a week.

***Reminder:** please ensure all items are clearly labelled. The Junior School lost and found cabinet is located near the exit to the playground. Valuable items such as eyeglasses, jewelry, and watches will be held at the junior school office.

Terry Fox Run: On September 23rd, Southridge Junior School students will participate in our annual Terry Fox Run, with all donations going to the Terry Fox Foundation. We need parent volunteers as course monitors—please sign up online under “School Events.”

SIGN UP TODAY!

Similar to previous years, volunteer positions are posted online through the Parent Portal, and you can sign up today through the Volunteer Corner (found on the left side menu bar), and then by clicking on the orange “Volunteer Now” button!
<https://registration.campbrain.com/Portal/Login>

Criminal Record Check: Please remember that some positions require you to submit a completed Criminal Record Check. If you have submitted one in previous years, you do not need to re-submit one (they expire every 5 years). If you are new this year, or have not submitted one previously, please do so as soon as possible.

[Criminal Record Check Form](#)

Driver’s Abstract: If you are planning on driving students on a field trip or sports trip this year, you must submit your Driver’s Abstract and have a Criminal Record Check on file at the school. Driver’s Abstracts expire every year. You can request a copy of your Driver’s Abstract by calling 1-800-663-3051 (have your Driver’s License number ready), and they will email it to you. You can then forward it via email to drivers@southridge.bc.ca.

More information about these processes can be found in the Parent Portal under “Volunteer Corner.” If you have any questions about volunteering at Southridge, please don’t hesitate to contact the Volunteer Committee at volunteer@southridge.bc.ca.
