

LEADERSHIP

- Candidates must have demonstrated positive leadership in order to be admitted to the N.H.S.
 - A candidate has to have been in a **specific leadership role** in order to demonstrate leadership.
 - Only leadership **of your peers or of adults that you performed while in high school** will be considered.
 - Your statement should include your best example(s) of actualized leadership. Leadership training programs constitute potential rather than actualized leadership. They belong on the Student Activity Information Form.
-

- A. Please print in ink or type onto this form a complete description of how you have demonstrated your ability to lead or to give direction to your peers or to adults. Please describe the leadership role, how you attained it, and how you have performed it. It is important that you be as specific and as detailed as possible in your leadership essay.
- B. Have an appropriate adult (coach, adviser, employer, etc.) who is able to attest to the accuracy of your description and who is not a relative fill in the bottom of this form after he/she reviews your leadership essay.

To be filled out by adult supervisor:

I attest to the veracity of _____'s description.
