

Emergency at School

When experiencing serious medical emergency at school, students are transferred without delay to the nearest hospital (AUBMC)

Emergency cases are the following:

- Cardiac and Respiratory arrest
- Severe Trauma or Injuries
- Open Fractures
- Severe Asthma attacks
- Anaphylactic shocks

-The nurse will provide emergency aid and meanwhile the parents will be notified to accompany their child to the hospital.

-An accident report and insurance statement are filled and signed by the nurse. All our students are insured against accident over 24 hours all over the year.
