Designing the Future

As educators, we are charged with preparing our students to be contributing members of society. However, with a world that is constantly changing, how can we be certain that our students are adequately prepared? According to the World Economic Forum: “Sixty-five per cent of children currently entering primary school will have jobs that do not yet exist and for which their education will fail to prepare them, exacerbating skills gaps and unemployment in the future”. We need to equip our students to be creative problem solvers with a drive to tackle some of the world’s most complex problems. They need to feel comfortable with “failure” and the notion that not all of our solutions will be successful on our first attempt. Perseverance, the ability to innovate and “think outside the box” and collaborate with peers are the key to success in this ever-changing world.

At Southridge, we have embraced this innovator’s mindset. Not only do students in MYP have a class exclusively dedicated to exploring the design cycle but design-thinking is also infused throughout our curriculum. With support from their teachers, students are encouraged to use design-thinking to approach problems with real world applications. For example, this year in Grade 5 Humanities in one unit, students were looking at developing relationships between communities. In design class the question posed to students was “how might we move forward and build stronger connections between people and communities?” Students then worked in small groups to prototype a solution to this problem. They investigated and researched about different groups in their communities and beyond and then chose one to focus on. Students then conducted empathy interviews to get to know the needs of their user and made detailed plans for their solutions. They then made prototypes and pitched their creations to the class. Their peers gave them constructive feedback and then the group evaluated the success of the solution. A range of inventions from a tent that could charge your cell phone and be used by refugees to a fully automated grocery cart that could be used by the disabled were created. This project demonstrated the fact that complex problems need innovative solutions and that by working together and pushing the boundaries of what we thought was possible is when we are truly able to make a difference in the world.

The most exciting thing about teaching design-thinking is seeing students stretch their creative limits. Design-thinking is about seeing opportunities in the challenges around us. To solve these problems students generate many thoughtful and innovative ideas. Watching students bring these ideas to life is what makes facilitating a design project so

rewarding. As students develop their ideas through multiple versions and iterations the sense of student's accomplishment is demonstrated by the strength of their designs and prototypes. The Design Lab has become a place of passion and energy. This vibe has made teaching through a design lens exciting and fulfilling.

Design thinking has applications that stretch far beyond the classroom. Giving our students opportunities to collaborate, innovate, and evaluate will set them up for success in a world that is complex and constantly changing. To solve the world's' most complex problems we need citizens that are not afraid to deep dive into design-thinking.

End-of-Year Events: Planning Guide for June 2018

As May is soon upon us, we wish to ensure that all Junior School families are aware well in advance of our year-end special events, celebrations, and ceremonies so that you can ensure that your child is prepared, and so that families can plan accordingly to can join us. Below, you will find a chart showing these important dates in June to help you with end of the year planning.

We have created a link to this chart for your reference on the [Parent Portal](#) that can be accessed once this *Wednesday* edition becomes archived.

Class Placements for 2018-2019

At Southridge, we are committed to creating class groupings that consider each child's emotional, academic, and social needs within the wider grade-level context. There is a considerable amount of deliberation and care inherent in our class placement process:

- Current homeroom teachers create the initial lists, assigning students to Class A or Class B (NOTE: homeroom teachers are not assigned at this point)
- Specialist teachers, and PYP and MYP Division leaders and coordinators review the lists and make further suggestions.
- Once the lists are completed they are signed-off on by all the teachers and submitted to the Head of Junior School for a final review.
- The Head of Junior School reviews and finalizes the lists, assigns new students to each class, and determines the homeroom teacher.

Given the sensitivity and confidentiality that must be adhered to when determining best-fit class placements, it is our policy not to entertain parental requests for certain teachers or peer groupings as we simply cannot guarantee that these types of requests can be honoured. While we strive to ensure that each child has at least one close friend in their class, there are only two class options to choose from, which can sometimes pose challenges when creating groupings that balance the needs and dynamics of all children in the cohort. We thank you in advance for your trust and confidence in our faculty as we consider a wide variety of needs in determining class placements for the 2018-2019 school year.

Allergy Aware Reminder

At this time of the year, lots of wonderful appreciation and celebration treats trickle into the Junior School staff room and classrooms. As an allergy aware school, we all need to do our part to minimize the risk of exposure to life-threatening allergens for our students who are anaphylactic. If you are dropping off treats for students or teachers, please ensure that they don't contain nuts or nut products, as we have many students who are severely allergic to these allergens. Please also be considerate of other life-threatening allergens that may be unique to your child's classmates. Thank you for helping to keep all spaces in our Junior School allergen aware.

Grade 6/7 Girls A Team – ISEA Champions!

Congratulations to the Grade 6/7 Girls A Team on a very successful season. After winning their two previous games, the girls participated in the Grade 7 Girls' ISEA Championships on Tuesday, May 15th at Southridge.

Their first match, a 4-2 win over WPGA, started the day off well, and set them up against Collingwood for the final. It was a hard-fought match, but our girls ultimately came out with a 4-1 victory, as ISEA Champions!

Thank you to all of the friends and family who came out to cheer our girls on. A special thank you to Coach Rob and Ms. Sullivan for their support this season.

Congratulations again on a successful season. Go Storm!

TREK

On Friday, June 1st, Senior School students will participate in Southridge's thirteenth annual TREK (Teens Running for Every Kid) by walking or running 5 kilometers in our neighbourhood. *100% of the funds raised from this event will go directly towards our sister school, Ankole Secondary School, in Ibanda, Uganda.* Founded in May 2009 by a group of four teachers, Ankole Secondary operates as an independent "pay what you can" school, ensuring that all students in the Ibanda community have access to a quality education. Several students attended a service trip to Ibanda this past Spring Break, and have shared the special memories and bonds created from this unforgettable experience at our last full school assembly.

Registration for the event will be open during lunch from Wednesday May 23rd to Thursday May 31st. To register, students must fill out a consent form, indicating their chosen method of payment - by account or by cash. Students will then receive a TREK t-shirt and raffle tickets for prizes at the end of this awesome event! This year you will also have the option to buy more raffle tickets for certain prizes, with the proceeds being donated to Ankole Secondary School too. Supervision in the library will be available for those unable to participate.

If you are able to provide raffle prizes for the event please contact: sredies@southridge.bc.ca for further details.

Thank you in advance for your support,

Harry Xie Graduation Recital

I will be holding a graduation recital in the Alan Brown Great Hall of the Southridge Senior School starting at 7:30 PM on June 4th! Admission is by donation and all proceeds will go towards the elementary school music program at Mountainview Montessori. They only receive \$60 a year, which is not nearly enough to cover the cost of instruments and new music, so it would be really awesome if we could give them some help so that more kids can be positively affected by music. Coincidentally, my elementary school band teacher teaches there so it has a really nice personal connection for me.

I will be performing some of my favorite pieces of music which inspired me to pick up the saxophone, including works by Ibert, Maslanka, Decruck, Iturralde, and more. As I am not going into music next year, this may be the last time I play music in this context so it would be really great to have your support. Music has enabled me to meet incredible people, travel all over, and have experiences that I would never have had otherwise and it was music education that allowed music to play such a large role in my life, as well as the lives of many others. I see this as not only the culmination of my musical journey, but also an opportunity to help start the same journey for others.

Come out and listen to some great music while supporting a great cause! There will also be food and refreshments after!

Thanks!

Senior School - Laptop Warranty Repairs

Does your laptop need some TLC? Did something happen to it that requires a visit to Mr. Latta's office but you've been putting it off? Every year we must get all warranty repairs on laptops done prior to exams. This year we are asking that all warranty repairs be **done prior to June 1st**. Please bring your laptops to **Mr. Latta's office (Room 216)** and he will be able to assist you with your repairs. If you do not bring your laptop in for repairs prior to June 1st, any required warranty work will be done in September; thus, we highly encourage you to come in so that next year you can start the year with a device that looks like it's back to new!

Thank you,

Ms. Mosher & Mr. Latta

Café Concerto - May 29th & 30th

Our musical year ends at Southridge with the annual Café Concerto. For two nights, Tuesday and Wednesday, May 29th & 30th, in the Alan Brown Great Hall, our senior school students will showcase the arts. Audiences can look forward to music from all of the

bands, jazz bands, jazz studies, and choir, as well as performances by soloists and small ensembles.

This year, Grade 8 band students will perform on the 29th, and Grade 9 students on the 30th. The choir, senior bands, and soloists will perform on both nights. Audience members can enjoy all of this music while being served delicious refreshments.

Students involved in the music department should set aside the evening(s) of their performance as well as Monday morning, May 28th for the Dress Rehearsal. Tickets are currently available through the parent portal on the school website. We look forward to seeing you there!

Mr. Mitchell, Ms. Parker, and Mr. Burrage

Calling All Parent Volunteers!

It's that time again! Cafe Concerto is just around the corner on Tuesday May 29th and Wednesday May 30th.

I am looking for Volunteers to help with Set Up, Serving and Clean Up on both days.

The shifts are as follows:

Tuesday and Wednesday mornings 8-11 am for setting up tables, plating fruit and general preparations

Tuesday and Wednesday evenings 6-10 pm for preparing coffee and tea, helping serve desserts and clean up

It is an evening of Senior School musical and drama performances with a "dinner theatre" atmosphere. It takes place in the Senior School Great Hall, where we have beautifully set tables, serve desserts and refreshments throughout the evening. It is a lovely evening to take part in, even if you do not have children performing, and a great way to meet other parents. We have a great time working together and at the same time enjoy great music by our very talented students!!

If you are available and can help for a shift or two, please email: Vanessa Hilton at vanessa@hiltonslanding.com.

I look forward to hearing from you.

Sincerely,
Vanessa Hilton

Southridge School Examinations - 2018

The last day of classes for Southridge students will be Thursday, June 7th. School examinations, which take place in the Senior School gymnasium, will begin on Friday, June 8th. It would be helpful to review the schedule, and our examinations policy, (see attachments) very carefully with your children prior to the exam period. In addition, it is really important that students get enough sleep, exercise, relaxation, and quiet study time in order to be at their best.

Southridge exams are designed to be completed within a maximum of two hours, but students may take up to three hours for each exam if they wish. In the event of illness, or any circumstance that prevents the student being on time or able to write the exam, please contact Mr. Brad Smith, Head of the Senior School, or Mrs. Holt, Senior School Academic Director. Thank you.

In case a class has to be missed, please kindly contact you son's or daughter's teacher ahead of time, if possible. Thank you so much for your help and support.

End-of-Year Donations to Southridge

Thank you to all our parents who have already made a donation to Southridge this year! We are most grateful for our continued and generous support!

If you have not yet made a donation for this school year, there is still time! There are some important projects in need of your support:

- **Athletics** – This year’s Athletics wish list item is **branded gym wall pads for the Senior School** gym. Similar to the ones we purchased for the Junior School a

couple of years ago, these wall pads will be mounted on both ends of the gym, provide safety and look great! We need to raise \$7,000 to make this purchase.

- **Arts** – Our Junior School music department has requested a new **electric piano** and our Senior School music department has requested a **French horn**. Please consider giving to our Arts fund to help make these purchases possible. We still need to raise \$2,000 to make these projects possible.
- **Greatest Need Fund** – If you would prefer to make a general or unrestricted donation to Southridge, the Greatest Need Fund is allocated on an annual basis to the projects around the school that need it most. **Our goal is to raise \$75,000 for this important fund.**
- Finally, directing your gift towards our endowment funds allows us to offer bursaries to students who would otherwise be unable to attend Southridge. **This is a remarkable way to make a real impact on a student's life.** Contributing to either the Carol E. Levy Memorial Endowment Fund or the Alan Brown Memorial Endowment fund also allows us to be more accessible to a broader socio-economic family population.

Donations can be made easily and safely [online here](#). Or, if you would prefer to make a donation by cheque, please ensure that you have dropped off your donation to the school by June 22nd.

Please contact me if you have any questions at all at chodson@southridge.bc.ca
Thank you again for all your support of Southridge and our students and for making a donation this year!
