September 2018

Dear Parents,

Welcome to the 2018-2019 school year! The Brockton Public Schools faculty and staff look forward to welcoming your child to an exciting year of learning filled with opportunities to create a strong foundation for success.

Our Pre-School and Kindergarten programs foster a love of learning that prepare our youngest students for the transition to first grade and beyond. Rolling back our Kindergarten age will help these youngest learners be more prepared for the years ahead.

The middle school curriculum and its high academic standards prepare students socially, emotionally and academically for the demands of the future. Our nationally-renowned Brockton High School and alternative pathways provide a varied and challenging curriculum that ensure all students are college and career ready when they leave our campuses.

Wherever your child is in the educational journey, they will benefit from the commitment to excellence and the professionalism of our administrators, teachers and staff. We are devoted to ensuring the success of every child who comes through our doors and are prepared for a great school year ahead.

We invite you to make the most of your child's educational experience and hope you get involved in your PAC, PTO, PTA or School Council to support their missions.

Sincerely,

Kathleen A. Smith, JD  
Superintendent of Schools
