Head of School

Country Fair

The Country Fair is just a breath away and with over 900 volunteer shifts needed to be filled to run a successful event there is still time to sign-up if you have not already done so. As a matter of fact, we require a lot more people to fill still-vacant volunteer shifts, and I know our community will pull through to help create another excellent Country Fair. I look forward to seeing everyone there.

For those of you who may not be aware, the money raised at this year's Fair will support three important purchases for our school. First of all, the money will help fund our revised and updated technology program through the purchase of new smart TV's in specific Senior School classrooms and in the Junior School computer/technology lab. As well, our tractor lawnmower, which has been in need of substitution for a few years now – and is literally on its last legs – will be replaced with a new one due to the proceeds from this year's Fair. Finally, after many years of discussion, our students' initiative of designing and purchasing a Southridge mascot will come to fruition once the net revenue from the Fair have been realized.

All three of these purchases support our students in different, yet equally important, ways. Whether it be academically through the enhanced and upgraded technology program, athletically (and aesthetically) through the preparation of our fields and property or more generally through the creation and perpetuation of school spirit by way of our new mascot, your support as a volunteer goes a long way in helping us create an excellent and robust school environment. We all appreciate the communal effort it takes to stage an event such as the Fair.

And if that weren't enough to call you forward as a volunteer, with between 5,000 and 8,000 guests expected to visit Southridge on the day of the Country Fair (Saturday May 7th) we need you here for safety and security reasons. When we open our doors to our neighbours and the South Surrey community as a whole, we do so knowing that we absorb some exposure in terms of risk. To help manage and mitigate that risk, we need a strong Southridge presence on sight all day long. Being strong in volunteer numbers is instrumental in creating a watchful and thoughtful Country Fair.

Supporting Wellness

Recently, I had the opportunity to attend a talk on wellness at the Canadian Accredited Independent Schools (CAIS) Leaders Conference in Vancouver. As many of us are aware, mental health issues in children and young adults are on the rise. We also heard about this alarming trend from our guest speaker Julie Lythcott-Haims. It seems childhood is no longer as care-free as it used to be.

As a parent and an educator, I am concerned about this trend, and I want to know what I can do to help, which brings me back to the talk I attended on wellness. The presenter was from another CAIS school, and she was sharing some of the resources that her school found useful for supporting and promoting wellness in children and young adults; one of the resources is called the “Healthy Mind Platter” created by Dr. Daniel Siegel and Dr. David Rock. When they designed this resource, they modeled it after the newly revised US version of the food pyramid called “Choose my plate” for a healthy diet; they considered what would be the equivalent of a diet for a healthy mind. The result was the image that you see below. They created each icon on the plate to represent essential daily mental activities to optimize brain matter and create well-being.

ISSUE #29

Focus Time	<i>When we closely focus on tasks in a goal-oriented way, we take on challenges that make deep connections in the brain.</i>
Play Time	<i>When we allow ourselves to be spontaneous or creative, playfully enjoying novel experiences, we help make new connections in the brain.</i>
Connecting Time	<i>When we connect with other people, ideally in person, and when we take time to appreciate our connection to the natural world around us, we activate and reinforce the brain's relational circuitry.</i>
Physical Time	<i>When we move our bodies, aerobically if medically possible, we strengthen the brain in many ways.</i>
Time In	<i>When we quietly reflect internally, focusing on sensations, images, feelings and thoughts, we help to better integrate the brain.</i>
Down Time	<i>When we are non-focused, without any specific goal, and let our mind wander or simply relax, we help the brain recharge.</i>
Sleep Time	<i>When we give the brain the rest it needs, we consolidate learning and recover from the experiences of the day.</i>

At Southridge we have a wellness committee that is made up of teachers from both schools, and we meet to discuss what we can do to promote and support student wellness at our school. I am thankful that we are talking about it and researching ideas, initiatives, and plans to find out how we can best support Southridge students. It is an important issue, and we should all be talking about it with our children. Similar to Bell's "Let's Talk" campaign to promote mental health awareness, we want our community talking too and hopefully by sharing some resources (like our recent guest speaker) this can help start the conversation.

Ms. Alison Graham
Interim Head of Junior School

Bottle Drive May 2-May 6

Hello, I'm Roy and I'm doing Gun Control for my Making a Difference Project in Grade 7 English. I am raising money to donate to the End Gang Life campaign run by BC and Surrey. I am raising money through a bottle drive, so if you have bottles that you are willing to donate, there will be boxes marked "Bottles" outside the Junior School entrance from May 2nd - May 6th. Thank you for helping make a difference!

Roy Jiang
Grade 7

World Wildlife Fund

Many thanks to Grade four students, Matea Collins, Mya Gallant, Sophia Howie and Elianna Watson for initiating and running Earth Week. They challenged students to engage in ***Tune Out Tuesday, World Wildlife Wednesday, Thunderstruck Thursday*** and ***Fresh Air and Water Friday***. These focus days were developed to bring greater awareness to reducing screen time, supporting endangered wildlife, spending time playing and appreciating the outdoors, and using water wisely and trying to reduce air pollution.

Throughout the week students had the option to donate to the World Wildlife Fund in support of panda bears, polar bears, sea turtles and tigers. We are pleased to announce that the students raised \$129.85 for panda bears and \$84.10 for polar bears. Sea turtles were given \$91.80 and tigers received \$123.60. Thank you very much for supporting all of the endangered animals. The girls will have a very special assembly presentation about this project later in the school year.

Taking action as a result of our learning or awareness of what is going on in the world, is an expectation of the Primary Years Programme. These girls exemplify this mind set well and are to be commended for their efforts to inspire others and to support environmental causes. They are becoming confident communicators, capable of using their time well, who show respect to the world around them.

Exciting “technology” news for Grade 2 and Grade 3!

This past week Mr. Anderson introduced the Grade 2 and 3 classes to the new Google Chromebooks. These new devices will replace Netbooks, which the students have used for the past 4 years. These new Chromebooks are touch screen, very fast, and user friendly. Each child has their very own school Google username, which gives students the ability to access their files and documents from any computer anywhere in the world. We are all very excited to have this new technology to integrate into our themes in the third term.

Mr. Anderson (Junior School Technology Leader) and Mrs. Khangura (Grade 3 teacher)

Junior School April Casual Day Money

April has always been “Cancer Month”, and that is why we are dedicating our casual day money in the Junior School to the Friends of Southridge Cycling Team.

The Ride to Conquer Cancer is an annual event which started in 2008. Southridge created a team in 2013, although several teachers and parents had been participating in this ride since it started. The Southridge team is called the Friends of Southridge and over the years, the team has raised almost a quarter of a million dollars. That’s a lot of money, and many of you have supported that cause.

Many parents and some teachers participate in this team, and this year in August 2016, the team will ride again. Traditionally, the team has chosen different colours for their jerseys. The first year, 2013, the jersey was purple and that was to remember Alexa Middelaer, daughter of our former head of Junior School, Laurel Middelaer, as purple was her favorite color. In 2014, the jersey was red because the team was riding for Serena Bonneville who was head girl of the Senior School when she was diagnosed with leukemia.

There are many reasons why people participate in this ride, and the most important reason is to fundraise for cancer research. Nearly everybody here knows someone or has a relative who has been affected by cancer. This could be a grandparent, an uncle, an aunt, a mother, a father, a brother, a sister, a cousin or a friend. Earlier in the year, Madame Boyle spoke about her brother and her niece, two members of the same family diagnosed with cancer at the same time.

Cancer research is made possible through donations, and each rider has to fundraise a total of \$2,500 to be able to ride. The ride takes place over 2 days from start to finish and the riders start in Cloverdale and ride almost to Seattle. They cover almost 240 kms. \$2,500 is a lot of money and the riders work hard to fundraise for this and our April casual day money is going towards helping the Friends of Southridge Cycling team reach their goal. There are 21 members on the team, and each member has to raise \$2,500.

All this money goes to the BC Cancer Agency and I have a special connection with the B.C. cancer agency because my mom works there. Before spring break, we did an interview with my mom. She will talk about how this money is used. We prepared some questions for her and she talked about her job and explained that not all cancers are deadly, and cancer can affect anybody young or old.

Normally, casual day costs a toonie, but we are hopeful that you will contribute more and make that donation in the name of someone who has cancer or has had cancer.

Final Full School – Some Special Moments...

Last week was our final Full School assembly of the year – that in itself was a significant moment, especially for our Grade 12's! It marked the last time that the Grads will be together with the entire community and the final time our current Head Girl and Boy were our masters of ceremonies. While they are likely to have an opportunity to do one more event together with their Kindergarten buddies, the assembly was the final “big” event together. In my own case, this was also the final full assembly for me and I know there are a number of staff, students and parents that were sharing this same milestone. Perhaps it was because I was in this particular mindset, but I found the assembly to be very meaningful and moving.

Upon reflection and looking more clearly at the agenda of the assembly there was a real focus on Southridge's focus on experiential education and the incredibly positive effect it has on learning. There were three specific opportunities that I wanted to highlight.

The first was from the Junior School with three Grade 5 students. After participating in their Exhibition event, the culminating PYP experience for the students, these three girls wished to continue finding ways to take action and make a difference. During lunchtime in the cafeteria over a number of days they developed an idea. They would make fortune tellers (little folded origami-like creations) that are a fun way for kids to share.

ISSUE #29

They decided after hearing that a teacher's colleague would be visiting Vietnam to make these easily transportable paper toys to share words in English that the students could learn. They were able to see photos of the Vietnamese students enjoying their gift and created more enthusiasm for them to take further action.

The second event came as a surprise – even to the organizers of the assembly! After the Senior Boys Basketball Team captured the AAA Provincial Championship, we felt it would be a great opportunity for them to revisit this and to help promote the sport to the rest of the school. The team had another (and better) idea. Two of the Grade 12 members approached the podium and instead of speaking about the victory wanted instead to thank their coach. They presented him with a framed photo of the entire team that they signed and spoke about how appreciative the team was with the commitment and dedication he had shown them all for so many years. While they were certainly excited with their victory they would remember the important life lessons he had shared with them through many practices, games and tournaments. It was an amazing moment to witness.

Finally, we had the opportunity of hearing about the inaugural Service Trip to Uganda. The students and teachers spent time reflecting on their experience and what it meant to them. I find it is during these service trips where the students (and often teachers) truly have a transformational experience. They return changed in their understanding and thinking of the world. To hear of the time these students had in the schools they visited, the work they completed to help the schools and the sharing that occurred between the cultures and people was astounding! To finish their presentation, one of the participants created a slide show with photos and videos of their time for everyone to see. I had a fortunate seat on the stage as I was able to watch the group watch their show. Their expressions and interactions allowed me to see the connections and joy that they found together and I think they were literally transported back to Africa for a time. Many shared smiles and shed tears of joy – it was magical to watch.

I would be remiss not to mention the amazing music that was played throughout the assembly, but I will wait a few weeks before I speak about this when I promote our Café Concerto event!

After the assembly many people remarked that the specific events had really emphasized why and how experiential education plays such a vital role in the growth and development of our students at Southridge. The video of the Full School Assembly is available to [view here](#) and is also in the Video Gallery of the Parents' Portal.

Have a great week!

2016 Annual Heritage Fair:

This year Ms. Alexandra and Aurin Brar (Grade 10) and Carol Chen (Grade 10) are attending the regional Heritage Fair in Abbotsford on Thursday, April 28th to judge elementary student's projects on Canadian Heritage.

Both Aurin and Carol will receive training on how to effectively judge student projects, and will then go on to judge eight to ten projects. They will be joined by municipal government members, museum officials, and business members in the Abbotsford community.

The event is a service initiative Southridge has been involved with since 2012. If you are interested in joining our group last minute, or are interested in attending next year, please notify Ms. Alexandra! ialexandra@southridge.bc.ca

Auwh2!

Auditions With Coffee House the Second 7pm, Thursday, May 12

First call for auditions for our Music Department's annual wrap-up concerts, Café Concerto! The auditions will take place in a concert setting on Thursday evening, May 12, at 7:00 pm in the Alan Brown Great Hall. For our December concerts earlier this school year, we enjoyed a wonderful evening at Auwh1!, where many students prepared and performed for their peers and music teachers.

For Café Concerto, since there is no 'theme' this year, the musical choice is up to you; rehearse, sign up, and blow us all away! Acts will subsequently be chosen from Auwh2! to perform at Café Concerto, on May 31st and June 1st. Sign up on the bulletin board inside room 102. Successful groups/soloists must attend BOTH the Technical Rehearsal (Friday, May 27, 3:15 – 5:30pm) and the Dress Rehearsal (Monday, May 30, 8 – 11:40am).

Jazz Studies 10 - Turtle Studio Recording Session

On Tuesday afternoon, May 19, the Grade 10 Jazz Studies class, affectionately known as the J. Studs, enjoyed participating in a real live recording session at a professional recording studio, Turtle Studios. The combo had been preparing three selections over the course of the previous weeks. We were all set to go on three jazz selections, Swing State, On Green Dolphin Street, and Walkin' With Jackie. Parts were learned, instruments were tuned, and soloists were eager to improvise.

We traveled by beautiful bus of yellow to said studio. Two of our Tech Crew, Ben and Brian, were privileged to watch and learn from Brad Graham, the sound engineer who records our in-school concerts and also works at Turtle Studios. While they crew set up the myriad of microphones and cables, our musicians warmed up. After we laid down a first take of each of the tunes, we entered the sound booth, with its huge sound board, and listened to our own playing. While the quality of the recording was superb, we could hear that, as a group, we could have been tighter rhythmically and more accurate in terms of pitch and articulation.

Ready to re-record, re-entering the recording room, we replayed without re-rehearsing and reaped the rewards. Our second takes were much better! Most of our number contributed as soloists: Cassidy, Evanee, and Amanda on the vamp at in the closing bars of On Green Dolphin Street, Young all alone on keys on Walkin' With Jackie and then again on Swing State, ably joined by Kevin, Jonathan, and Harry squared, that is Harry X and Harry L. Frank added some tasteful fills on kit on the blues tune, too. Sam, as always, was ever so rock solid on the bass, and Cody and Emma filled in the brass sound with strength.

Even though our session was just two hours in length (when many groups take weeks to record a track or two), the students experienced what it is like to participate in a legit recording session. In a week or so, after Brad has had time to remix the mix, we will also have a lovely keepsake of our two years together as yet another iteration of J. Studs at SRS. Thanks to Alan McInnes for lining up this opportunity for our students, both musical and tech.

One Act Festival - 1 Act 2 Nights

Our Senior Drama Department is pleased to present the **One Act Festival - 1 Act 2 Nights** on **Wednesday, April 27 & Friday, April 29** at **6:30 pm** in the **Black Box Theatre**.

Tickets are free, however seating is limited in the theatre. If you wish to attend, please send an email to our Drama Steward, Genevieve (ghilton@southridge.bc.ca) and our Arts Tech, Janet Baily (jbailey@southridge.bc.ca), copying Mr. Pope (gpope@southridge.bc.ca). We will then respond to your email to confirm or discuss your reservation.

One act plays are performed each night by the Grade 10, 11, and 12 Drama students. In addition, there will also be a bonus presentation from the Improv Club.

Wednesday shows:

- ***Tangled Web*** by John L. Carol (Grade 10/11 drama class)
- ***And the Bride Wore . . .*** by Cheryl Barrett (Theatre Performance class)
- ***The Secret Origin of Mojo Man*** by Walter Wykes (Theatre Performance class)

Friday shows:

- ***To Burn a Witch*** by James L Bray , (Grade 10/11 drama class)
- ***Check Please*** by Jonathan Rand (Grade 10/11 drama class)
- ***Under the Balcony*** by Bruce Kane, featuring Grade 12s (Theatre Performance class)

Sponsor the Country Fair Now!

The Country Fair is our biggest fundraising event of the year and requires the support of our entire community. If you have not yet signed up as a Country Fair Sponsor, now is the time to do so! Sponsorship opportunities range from \$150 to \$500, and as a sponsor you will be recognized in *The Wednesday*, on the Country Fair website, on signage and TV monitors at the Fair, and in a post-event Thank You ad in the *Peace Arch News*.

This year, in addition to all the games and activities on the sponsorship list, we've added the opportunity to sponsor on-site parking spots! This is your chance to have a reserved spot in the Junior School parking lot on Fair day – the cost is \$250 per parking spot and available for the whole day.

Thank you to all our families that have sponsored Country Fair to-date – your contribution is tax deductible and your generous support is the reason we all succeed!

If you have any questions about sponsorship, please don't hesitate to contact Shelley Slaughter on 604-542-2334 or sslaughter@southeridge.com.

Important Country Fair Volunteer Information

The Country Fair on Saturday, May 7, is fast approaching and we are still in need for the entire school community to lend a hand and volunteer. We have more than 900 volunteer shifts to fill to make the Fair a success and to-date just over 100 of those shifts are covered.

Volunteering is a great way for parents to connect with our community, so please sign-up for as many pre-fair and day-of shifts as you can squeeze into your calendar. And, if you're having a hard time choosing which job to sign up for, then leave it to us! We are happy to help and all you have to do is sign up for "**Wherever I'm Needed**" and select the time that works best for you – we'll take care of the rest!

There are plenty of early morning shifts available for those of you juggling sports and kids while your spouse volunteers during the day. Why not call your buddy family and book a shift with them, or see if grandma and grandpa are able to volunteer with you that day. In particular, Parking and Security are in need of help (calling all dads!), so please sign up now to join this great group of volunteers who keep our children and school safe on Fair day.

Parent volunteers are crucial to the success of Country Fair and we need everyone's support at this year's event. Please [click here](#) to see a full listing of jobs available!

Thank you,
2015 Volunteer Committee

Country Fair Drop-off starts this Saturday!

Don't forget, drop-off for the Country Fair starts this weekend and we are asking **everyone** to bring in:

- Housewares, baby items, sporting goods, etc. [Click Here](#) for more information.
- Clothing – please bring everything CLEAN and ON HANGERS! [Click Here](#) for more information.
- Toys – [Click Here](#) for more information.
- Books – [Click Here](#) for more information.
- Baskets! – we need hundreds for [Gift Baskets](#) and will have to buy them if we don't have enough.

Hours are 9:00AM-5:00PM Saturday and Sunday and 8:00AM-4:00PM on Monday (no drop-off on Friday, May 6th please).

Please note that we no longer are able to pick-up items from your home or business and will only accept **large items on THURSDAY, MAY 5th between 8:00am – 4:00pm.**

**** Every household in Surrey is entitled to four large item pick-ups per year, so please call the City of Surrey Waste Collection Hotline at 604-590-7289 (OPTION 3) to arrange a pick-up date.**

There are some VERY dedicated volunteers here all weekend, so please bring in your items with a smile and a 'thank you' and stay to help sort if you can!

Also, don't forget that every family is also expected to:

- Volunteer – there are still hundreds of shifts on fair day to be filled. This is the one event where it is ALL hands on deck! Sign-up today [here](#).
- Bring in 3 baking items (OR sign up for Mother's Little Helper if you cannot bring in your own baking!!) [Click Here](#) for more information.

[All Country Fair information can be found on the Fair website.](#)

Thank you so much!

2016 Country Fair Committee

Start your baking!

With only ten days until the Country Fair, it is time to plan for your Bake Table contribution (if you haven't already). Contributions consist of three dozen items (for example: cookies, muffins), three pans of items (for example: three loaves, three pans of brownies), or the equivalent.

This year, packaging kits will be available for cookies, loaves, muffins and squares. These include everything you need to package and label your contribution. Pick up your kits after school on Wed May 4 or Thur May 5 at the Junior School great hall.

You are certainly welcome to create your own creative packaging, or contact cari@windandtide.com if you are considering a baking item and looking for packaging (bags for granola, popcorn, fudge and more are available upon request). Please be sure that all items are labeled. Baking drop off is Friday, May 6th at 8:00 am.

Baskets Needed for Country Fair

Please check your homes for baskets you could donate for use at Country Fair Gift Baskets. No Easter baskets please. Drop off for the baskets is in the Junior School Great Hall, against the wall by the kitchen, from now until May 4th.

Thank you for your support,
Carol Davis & Teri Lydiard

They're Back.....JAM-A-JARS!!!

- Pick up a clear plastic jar in the Junior School Great Hall - they are available for pick up NOW.
- Fill the jar with new items – examples: toys, hair ribbons, sewing items, small rubber balls, puzzle pieces (that make a complete puzzle), dog or cat toys, stickers, bracelets, mini cars, pre-wrapped treats - let your kids use their imaginations!
- Students can then decorate the jar lids if they wish but the jars must remain clear on the sides.
- Bring back the filled jars by April 27 (there will be a table set up beside the Junior School Great Hall)
- We will sell the jars for \$2 at the Fair, in the Junior School Gym, using a numbered lottery system (i.e. you pick a number from a bin and the corresponding jar will be given to you – it's a surprise which jar you get!)

Calling all Savvy Car Enthusiasts!

Do you have a hidden gem in your garage that's a showpiece car, truck or motorcycle? If you do, then we'd like to invite you to take part in the second annual "Show & Shine" car show at this year's Country Fair on Saturday, May 7.

This is a fantastic opportunity to exhibit your pride and joy, and we're looking for anybody with an impressive automobile from the past, present and future to participate – low riders, classic cars, motorcycles and trucks are all welcome! Entry fee is

Save the Date: Southridge School Golf Tournament

On **Friday, June 10, 2016**, join fellow Southridge parents and bring your friends to the annual **Southridge Golf Tournament** at **Hazelmere Golf Course!**

The day costs \$175 per golfer and includes a burger bar lunch, power cart, on course food sampling, games and activities, followed by a delicious bbq buffet dinner and a DJ and dancing. [Click here](#) to book your spot now!

This year we are pleased to once again offer a special Alumni rate of \$100 per golfer – [click here to register](#)

Tickets for dinner and dancing are \$75 per person - space is limited so [register now!](#)

Thank you for your support – see you on the links on June 10!!!

Uniform Shop News – Summer Uniform

Summer uniform starts on May 2nd. If you need to get any new items, please come to the shop if you haven't done so.

For parents with students in Grade 7, please consider getting the Senior School uniforms for your children in May/June because early September is often a very busy time for the Uniform Shop and students may have to wait for fittings.

Uniform Shop opening hours are:

Monday – Thursday: 7:45-9:00 am and 2:00-4:00 pm

Closed on Fridays

Southridge Cafè News

Please see attached menus for the Southridge Cafè for April and May.

Southridge Examination Schedule

June 2016

FINAL

Students will write their examinations in the Gym with the exception of those students who are authorized to write in the alternate setting. Southridge examinations are designed to be completed in under **TWO hours** but students may take up to 3 hours to complete any examination. **Please remember to return all your books prior to the examination. Please return your laptop, including charger and backpack, to Mr. Latta immediately after your last examination.**
