Good Morning All!

I reveiwed the results printed last night for the Rocori Invitational and have a few changes to tell you about:

Boys Varsity

29th place should be Noah Dahle of Moorhead

54th place - not sure of who this was. Runner lost their tag. Finish line workers put a tag in that spot with an id number on it but due to the rain I couldn't read the number they gave me clearly.

Girls Varsity

25th place time is 17:03

All time listed from 25th on down should move down one place. So 25th is the time for 26th, the time listed for 26th is for 27th place, etc.

Boys Jr Varsity

The times for 87-96 may not be correct. They stopped the watch with the printout on after 86th place and just wrote the times down. I had one extra time on that sheet which was 34:35. I am not sure which time is incorrect.

Thank you all for being so patient waiting for the results to be printed. Looking forward to seeing you at future meets. Good Luck to all the rest of the season.
