Remembrance Day Assembly

Southridge will be holding its annual Remembrance Day Assembly on Friday, November 9th at 10:15 AM in the Senior School gymnasium. Please join us as we honor those men and women who have fought for and continue to guard our freedoms.

The Value of Our National Association

Last week I spent four days in Toronto at the annual CAIS (Canadian Accredited Independent Schools) Heads and Chairs Conference. Our national organization is an accrediting body but it also has a professional development focus as well as a student events focus. This year's Heads and Chairs Conference was hosted by Upper Canada College and St. Clement's School, and the theme was sustainability and strategy. There were many highlights, not least of which was listening to great speakers who are experts in their area and engaging in really purposeful dialogue with other heads, board chairs and business managers from across the country. (Ms. Hector and her colleagues from other CAIS schools were also in attendance at this year's conference).

At the banquet on Friday evening, there was an opportunity to say good-bye to and recognize retiring heads of school from across the country. This year, the heads of West Point Grey Academy, Mr. Clive Austin, and Havergal College (Toronto), Dr. Susan Groesbeck, were recognized. The presentation to Dr. Groesbeck was particularly interesting because it highlighted an important aspect of CAIS. To bid farewell to their colleague, the heads of the three other Toronto girls' schools gathered together for a combined effort that demonstrated their friendship, mutual support and respect for one another. At CAIS conferences, there is the opportunity to share stories and find out how other schools are dealing with various issues, but I think we take for granted the other benefit of the conference – that despite the explicit or implicit competition between some of our schools (especially those in close geographic proximity to another), the friendships we make through CAIS and the memories that result are worth a great deal.

The presentation to Dr. Groesbeck made me think of our students and the experiences they have because of our association with other schools – through both CAIS and the ISABC (Independent School Association of British Columbia). Most often our students come together with their peers in friendly athletic and academic competitions, play days and festivals. But our students also have special opportunities to form friendships around the world by way of our service learning trips, our athletic tours, our academic trips, our exchange program and various competitions. These kinds of experiences really enrich the Southridge experience because they help to develop connections and relationships that last a lifetime.

A strong value of a Southridge education lies in the opportunities our students are presented with during their time here. Taking advantage of all of our programs and making friendships through a variety of experiences really helps to make Southridge a special place for people. When there is a strong sense of connection with school, we know that students learn and grow in terrifically holistic ways. Southridge has never been about just the academics. Southridge is a community that aims to draw out the very best in its students, and we accomplish this when they experience the fullness of what our school has to offer.

When our founding headmaster, Mr. Brown, said that Southridge is a serious place of lighthearted purpose, he was making reference to the fact that our school is the kind of place where we work hard but still have a good time doing it. Our school is the kind of place where students engage with peers from other schools to make friendships and develop relationships that supplement classroom experiences. Mr. Brown knew that great schools make connections with other schools. He also knew that we shouldn't take ourselves too seriously, even though we should be serious about what we do.

Have a wonderful week!

Mr. Drew Stephens
Head of School

Close Call Serves to Remind

Lately, we are reminded of how fortunate we are when we view the events of the past few days as our context: the 7.7 earthquake off the coast of Haida Gwaii, and the devastating weather effects brought on by Super Storm Sandy. Indeed, the impact of Mother Nature cannot be fully predicted or prepared for in every circumstance. You can never prepare entirely for the unexpected, but you can anticipate eventualities, and apply the best practices for safety. These unfortunate events serve as reminders for readiness, and the precise reason why we have drills at Southridge. Each year we have three fire drills in the Fall and three in the Spring—we try to vary the times that these occur and they are unannounced drills for our faculty as well. Additionally, we have 2 earthquake drills and a lockdown drill. The purpose of the drill is to implement protocol and awareness—sort of habits—so that when an unpredictable does occur, we can easily fall into the pattern of what we know to do. Although these drills are not pleasant, we want our students to practice so that they can react in a calm, predictable manner for everyone's safety. We do take your child's safety very seriously—and these events serve to remind us again to ensure that our practices are streamlined and effective.

Open House- Thursday, November 1st, 2012

This coming Thursday, we are proud to host an Open House for our community to come and converse with our great people about our educational program at Southridge. The event begins at 6:00 p.m. and many of our students, including all our Grade 7 ambassadors, will be here to host new families to Southridge.

Medication

If your child requires medication for allergies or for other reasons, please stop by our Junior School office to see Ms. Rickard to check that the medicine is dated and current. We have been going through our supplies, and have noticed some outdated medicine. Thank you in advance.

Remembrance Day Ceremonies

In the Junior School, we offer a Remembrance Day ceremony on Thursday, November 8th at 8:10 – 8:30. Students will hear a message of peace, but also practice the formal aspect of the moment of silence ended with the trumpet playing of “The Last Post”. On that day, we ask students to bring in donations for the Canadian Legion, and they receive a poppy. We do collect the poppies, as on Friday, November 9th, the students in Grade 3 to 7 have a full school Remembrance Day ceremony at 10:15- 11:15AM. Please ensure that all students wear their green cardigan, sweater, or vest that day, and we will distribute the poppies again. Please join us as we honour those men and women who have fought for, and continue to guard our freedoms. Please note that in honour of Remembrance Day, there will be no school on Monday, November 12th, 2012.

Casual Day Collection

This month's Casual Day collection was connected to our Grade 4's awareness building about the challenges girls face in developing countries. They visited classrooms earlier in the month and shared their understanding and feelings, using the video clip at <http://becauseiamagirl.ca/page.aspx?pid=4931> to help all of us understand both the issues and how we might support efforts to increase opportunities for girls. Being a woman, a mother, and teacher of girls, it was not hard to be tremendously moved by this cause. Thank you for your support in furthering change for girls around the world. We donated \$405.10 to "Because I am a Girl" fund.

Skating for 2012-13

Please note that there is a change in our skating routine. We were unable to book South Surrey Arena in December so we will meet at Cloverdale Arena in December. Some of us will skate in March as we were able to book South Surrey Arena at that time. Please take careful note of the arena and date that your child is going skating. Everyone will have a skating time but they are in two different terms. Thanks for your flexibility!

If you need support to car pool your child to/from the rink, please contact your room rep and they will help to organize a ride. We hope that this is also family time and that as many parents and younger siblings can join us.

Date and Time Arena Grade and Class
December 6th at 8:30-9:30 AM *arrive at 8:15*
Cloverdale Arena

March 12th at 8:45-9:45 *arrive at 8:30*
South Surrey Arena
2199-148th Street
KLW, KJW, 3CC, 4JB, 4RR

Cost: ice time to be covered by Southridge
Your cost: if you rent: \$3.00 skate rental; \$1.50 helmet rental (charged to your account)
Dress: Come in PE strip and stay in it all day! Everyone MUST wear a HELMET including adults!!

We welcome all parents and younger siblings who wish to join us. Please come directly to the rink up to 15 minutes prior to actual start time. (The children should register with their classroom teacher and inform him/her if you required rent anything.) EVERYONE is required to wear a helmet on the ice.

Skating is only 1 hour and we feel that the students should not need a snack before we get back to school. Please refrain from bringing or buying snacks at the rink. We will let the children have their snack immediately on returning back to school.

Midterm Report Arrives Home This Week

Happy Halloween! As you read this perhaps you are continually answering the door for trick or treaters. Maybe you are waiting for the kids to arrive back from their own 'treating' or just finding out all of the news from the day of costumes in the Senior School. I know our Senior Boys Soccer Team is enroute to Victoria to participate in what we all hope is a highly successful Provincial Championships! It is a fun and certainly frenetic day filled with sugar! It also adds to a week that involves the Mid-Term Report coming home likely on Friday and the theme of my Wednesday submission this week.

It is important to remember that this report's grades (both percentages and effort) represent only a small number of assessments to date. In some cases, for classes that only meet a few times per cycle, teachers may have noted an "IP" (in progress).

The Interim Report is intended to provide students and their parents with a general sense of the student's academic performance and effort in each subject in these opening weeks. For the next reporting period, with the term's work having been fully completed, the marks will reflect far more accurately each student's progress in a given class. This is planned for a December 14th distribution. It is one week later than the Interim report last year due to the Leadership Experience Week that occurred this year.

In addition to the actual report, we will be including the rubric that is used to assess a student's effort for each class. Hopefully, this will provide a clearer understanding of your son or daughter's effort grades and, if necessary, aid them in understanding how to improve within a specific area.

Comments have been provided for all Grade 8 students, new students to Southridge, and those students who received an effort grade of '2' or below. In the next reporting period, all students will receive comments for each class as well as a comment from their Advisors.

As always, parents should feel comfortable with contacting teachers at any time with questions regarding their son or daughter's progress. Students can also consult with teachers on a daily basis. This is an excellent way to continually gauge the learning that is occurring or any impediments that might be causing difficulties in this process.

Please feel free to contact me if you have any questions or concerns as well as the Senior School Academic Program Director, Mrs. Jan Holt.

Have a great week!

Successes at the Fraser Valley Swimming Championships!

Fifteen senior swimmers spent 9 hours at Fleetwood Pool on Thursday October 25th competing in the Fraser Valley Championships alongside more than 35 other high schools, most of them much larger than Southridge. At the end of the day, we had three Fraser Valley champions. Stephanie Pak won the summer swimmer 50m freestyle – posting the fastest time in the pool and competing against a lot of Grade 11s and Grade 12s. Melissa Liu won the 100 m breaststroke with a personal best time, also against many 11s and 12s. She also won the 50m free in the Junior category. Isabelle Lei came third in the same event. Six out of our eight relay teams qualified for provincials. Anna Shocohian, Isabelle Lei, Nicole Ure and Melissa Liu finished second in their 4x50m freestyle relay, and our mixed freestyle relay made up of Tony Ma, Karl Rumm, Melissa Liu and Isabelle Lei placed third. It was great day. Thanks so much to all the swimmers for putting in a tremendous effort. Thank you also kindly to Mrs Roberta Pak for baking and serving food to coaches, and to Mrs Wendy Lei for giving her time as a stroke and turn official. Congratulations to all and see you at Watermania in two weeks!

Student Exchanges: Where do you want to learn?

Southridge is accepting applications for student exchanges with several independent schools from around the world. Students currently in Grades 9, 10 or 11 are invited to apply for student exchange. While on exchange, our students are hosted by the families of their exchange partners with the exception of The Doon School in India, where all students are boarders. While at Southridge, exchange students stay with our host families. The only major cost is for travel to and from the exchange location. The duration of the different exchanges varies from 3 weeks to 6 weeks.

We have exchanges with the following schools:

- Stewart's Melville College, Edinburgh, Scotland
- El Limonar, Murcia, Spain
- The Doon School, India
- Central Coast Grammar School, Erina Heights (near Sydney), Australia

- Ballarat Grammar School, Ballarat, Australia
- Ruyton School, Melbourne, Australia
- Trinity Grammar School, Melbourne, Australia
- College Francois de Laval, Quebec City, Quebec

Applications can be downloaded from the Student Resources section of the school website, or obtained directly from Mr. Weaver. Potentially successful applicants will meet with Mr. Weaver and their parents, and will be further screened by the Exchange Committee.

Please contact Mr. Weaver if you have any questions about the exchanges or the student exchange program in general.

The deadline for applications is November 9th, 2012.

Safeway Gift Cards Plus MORE!!!

The grads will be continuing to sell Safeway gift cards as we have done in the past but we will also be selling other gift cards as well. Percentages of each card will go towards the grads fundraising efforts. These gift cards are a great stocking stuffer for family, gifts for co-workers, gas cards for new drivers in the family, food cards for students away at university and the list goes on. We greatly appreciate all of your support!

The International Independent Schools Public Speaking Championships 2012

The International Independent Schools Public Speaking Championships is an annual competition that offers top debaters and public speakers from across Canada, and around the world, the opportunity to compete in a series of categories that range from impromptu speaking to dramatic interpretation. This year's competition was hosted by Strathcona Tweedsmuir School, in Okotoks, Alberta, and Southridge was ably represented by Cassia Armstrong, Serena Bonneville and Abby Wells.

Although the competition was fierce, with participants vying for positions on the Canadian and American public speaking teams that will compete at the World Debating and Public Speaking Championships in South Africa next spring, all of the competitors were very supportive of each other. On the debating and public speaking circuits, the IISPSC is known for being an unusually friendly and cooperative tournament.

An added bonus to this year's championships was a day trip to Banff where competitors were invited to explore the Canadian Rocky Mountains. One of the highlights of this part of the trip, for me, was listening to a particularly extroverted young man from Bermuda respond to the beauty of the Rockies with a complete sense of awe and wonder. I am told that, later in the day, he was given a lesson on "good" snow and "bad" snow as he became embroiled in his first snowball fight. As no one on our team had ever been to the IISPSC before, Serena is to be commended for earning a place in the finals for dramatic interpretation, placing second overall after the regular rounds of competition.

We should all be very proud of the way that Cassia, Serena and Abby represented Southridge throughout the tournament. They were worthy competitors and great ambassadors for our school.

This year's top overseas school was The Doon School (Uttaranchal, India). The top American school was The Hotchkiss School (Lakeville, Connecticut) and the top Canadian school was Branksome Hall (Toronto, Ontario.)

Next year's IISPC will take place at The Country Day School in King City, Ontario.

Men of Southridge - Movember

We are in the process of organizing our annual MOVEMBER Campaign here at Southridge. This is our annual event supporting the Movember fundraising campaign for men's health, focusing on Prostrate cancer and, newly added this year, men's mental health. The campaign runs from November 1st to November 30th and the men partaking in this campaign will be challenged with growing moustaches in support of this global effort to raise awareness for men's health.

Movember has become a huge success in Canada, and particularly here at Southridge. In Movember 2009, I was the lone Southridge staff growing a 'stache. The students in my Grade 11 physics class were in such support of the cause, and the Mo', they spearheaded an internal campaign and raised over \$1,500.00 in support of Movember. For Movember 2010, Southridge expanded its wings and invited all Grade 12s and male staff to partake in the cause. We had over 30 participants and raised over \$5000.00. Last year's 2011 campaign saw our Grade 11s and Grade 12s and staff raising over \$6,000.00 and culminated with a shaving of one boys hair to further contribute to the fundraising.

So the call is out to expand our campaign and we look to the MEN OF SOUTHRIDGE. It is the call to support our campaign to raise the awareness of men's health. In our 4th year as a team, Southridge is looking to raise over \$7,000.00, and that can only come through with the help of each MoBro in our community (Grade 11s, Grade 12s, Staff, Dads, Uncles, Brothers, Granddads and, of course, Alumni).

To join the Southridge team, please go to:

- <https://www.movember.com/ca/register/>
- Register with your name, email, and login information.
- After your personal info is done, the Movember system will ask if you are registering as an individual, or if you are "JOINING A TEAM".
- Select "JOINING A TEAM" and type in "Southridge".
- Easy.

More information about our Southridge campaign will be forthcoming. I hope this year is a fun and lucrative campaign for the Men of Southridge.

Thank you MoSistas for your support of the 'Stache! :{)

Welcome to Southridge Mrs. Yee

On behalf of Southridge I'm delighted to share with you that Mrs. Yee will be joining us as the Senior School teacher Librarian on a one year contract basis commencing immediately. Mrs. Yee has been working for Southridge as a Teacher on Call in the English Department for the past two years. Mrs. Yee graduated from UBC and holds a Bachelor of Education Degree with a Major in English. Mrs. Yee has held various secondary education teaching assignments throughout her career and has also travelled abroad to teach in Hong Kong. As a member of the Southridge community Mrs. Yee is looking forward to enriching and expanding upon her established relationships with students, staff and volunteers. Given her passion and love for English literature she is excited about connecting students with books and instilling a love for reading as well as continuing to promote the library and information services as a welcoming and rich learning environment.

Purchasing Tickets for Gala

While ticket sales for this year's Gala have been very encouraging and we are almost halfway to selling out, we still need to fill the gym with guests to help ensure this night is a success! If you haven't bought your tickets yet and want to attend, here is [the link](#) to purchase your tickets. There is always a rush to buy tickets in the days prior to this event and last year this resulted in some people not being able to get tickets. Don't let this be you! Buy now and there is no need to worry later!

Also, this event is for our families and our community. We have had many questions about this and we want to make sure everyone knows that anyone (of legal drinking age) is welcome to attend. Friends, neighbours, business acquaintances, anyone you know can come out to this fun night of dinner, dancing and auctions!

Daily Digest and Menu for the Week of November 5th – 9th

Southridge Café is a great place to enjoy many healthy, fresh options but also some that take care of those cravings that aren't everyday choices. Come into our Café and see all the wonderful and delicious items we have to offer. We have always tried to keep our pricing quite low but unfortunately we just can't hold back the things that are happening around the world that directly affects our costs of doing business. I just wanted to share with you some information that was sent to us from our head office regarding some price increases in everyday products. We will try to keep our pricing lower than our competition and continue serving good health options. Our prices increases won't be immediate but gradual and I will let everyone know as to the new prices when it happens.

Our primary poultry supplier (Olymel) have increased their prices across the board on all chicken and Turkey products, effective November 1st, 2012. Reasons for the increases are twofold. The cost of the live birds to the manufacturer has increased by up to 30 % over the past year (our pricing hasn't changed since 2011) and in the case of Turkey supply is limited, resulting in higher pricing. Canadian Marketing Boards dictate what the pricing will be and it's expected that we will have another two increases before the end of the year.

The weather this year has played havoc with the fruit crops in North America. Michigan and Ontario account for 80% of the North American cherry supply. The unusually warm spring weather caused the buds to blossom early. Unfortunately the weather changed dramatically with spring frosts setting in. The damage caused greatly reduced the 2012 harvest, especially in cherries and blueberries. Suppliers have been trying to source raw material from Europe which is coming at a premium. Poland has reported a 35% - 50% reduction in cherries adding to the price pressures. Compass pricing will be increasing an average of 4.25%.

I look forward to seeing you at the Southridge café. HAPPY HALLOWEEN and Bon Appetite.
