Open House

We were all very happy to see such a big turnout at our annual Open House last week. The response to Southridge and the interest in our school was excellent. I would like to thank all of our parents who spread the word and helped communicate about our Open House. Word of mouth communication is really important for us. Our students were fantastic ambassadors throughout the evening and they represented their school incredibly well. Thanks to all of them and their teachers who did a masterful job of explaining the special features of Southridge. As Ms. Lepp, our Director of Admissions, always says, Open House is the biggest night in our admissions cycle because it is the time when many families make their final decision to apply to Southridge. By the looks of things, we'll have another year of growth in the number of our applications. Thanks again everyone.

Remembrance Day Ceremony

The Remembrance Day Ceremony at Southridge has always been an important date on our school's calendar. It is recognized as one of the three formal assemblies during the school year at Southridge. The other occasions are our Junior School Closing Ceremonies and our Senior School Prize Day and Commencement.

When Mr. Brown first started our Remembrance Day tradition, he wanted to make it a special occasion to highlight the significant contributions of so many Canadians who gave their own lives to maintain the liberties and freedoms that we all enjoy today. Stories from times of war relay a very strong message, especially when they are recounted by individuals who lived them firsthand. For this reason, we endeavor to invite guest speakers to our Remembrance Day Ceremony whenever possible.

At our assembly on Friday morning, our school community will welcome two guest speakers, Captain Pawel Dudek and Mr. Frank Leighton. Our guests will join our student presenters, musicians and choir members as we gather together to remember and honour our Canadian veterans. Mr. Leighton served in the British Royal Air Force in the Air-Sea Rescue Unit during the Second World War, and Captain Dudek currently serves full time as the staff officer in charge of operational equipment and personnel of the 39 Canadian Brigade Group in Vancouver.

The students, teachers and staff of Southridge invite you to join us for our Remembrance Day Ceremony. There will be reserved seating identified for parents, grandparents and guests. Students will begin to assembly at 10:10 AM for our 10:15 AM start time. The assembly will run for about an hour will include a moment of silence at about 11:00 am. The Last Post and Rouse will be played by Jared Wong (Grade 11). Mr. Brian Carse, father of McKayla in Grade 2, will play the bagpipes for this special occasion. Please join us.

Have a wonderful week!

Mr. Drew Stephens
Head of School

Board of Governors

By now you will have received the 2011/2012 Annual Report in the mail. Please be sure to read this very important document as it showcases the amazing successes of our students and faculty.

In addition, this report contains the final update on the outcomes of the recently completed strategic plan. When you understand the sheer amount of work that went into actualizing this plan, it is very gratifying to see these accomplishments succinctly summarized.

This week, the Board and the Strategic Plan Steering Committee will be asking for your help once again as we prepare for the next strategy sessions beginning in January. We will be e-mailing a survey to every parent and ask that you take five minutes to give us your feedback. Because successful planning requires the engagement of the whole community, we are hopeful that you will help us make this next plan the best it can be.

Finally, please be sure to come to the Annual General Meeting this evening at 7:00 PM in the Alan Brown Great Hall.

Mrs. Debra Rasera
Chair, Board of Governors

Remembrance Day

Although Remembrance Day is a time to reflect, mourn and remember - it is also a time to celebrate being a Canadian. Canada has always answered the call to stand up for freedom and human rights. Our commitment to these values is being shown again in Afghanistan, and Canadians, all of us, are proud of the work our brave soldiers are doing to help those less fortunate than us. To me, our troops are making a difference in a very tangible way, in the countries where they are serving.

The Remembrance Day ceremony in the Junior School is quite moving, and very respectful. We will hear several heartfelt written pieces by 6 of our MYP students as they express their own of war and loss. May the Canadian heroes who lie beneath the poppies in Flanders fields, and in other places, rest in peace knowing that their lives are being honoured, remembered, but mainly that our young people are thriving in this free country of peace bought by the sacrifice of others. Please join us on Thursday morning at 8:10 for this ceremony. Additionally, our Grade 3 – 7 students will be attending the full school Remembrance Day assembly in our Senior School gym at 10:15 a.m. Please join us as we honour those whom have sacrificed for our freedom. Have a great week.

Head of Junior School

Late Start on November 13th, 2012

Please note that this coming Tuesday, November 13th will be a late start morning. Please ensure that the students are here between 10:10 and 10:25 AM as we start classes at 10:30 AM. Note also that there will be no supervision for any student who arrives early as our faculty will be in meetings. Enjoy this upcoming extended weekend.

Gala Art - Grade 3 and Kindergarten

Our final two Junior School projects were completed last week and will be ready just in time for the Gala!

The always adorable Kindies were delighted to decorate and sign the ever-so-popular Thumbprint Bowls. Each class created their own and both will be available to the highest bidders on November 17th!

If you're a Kindie parent, you won't want to miss this one-of-a-kind opportunity. Be sure to get your gala tickets today!

The Grade 3 classes also had a great time creating artwork for their gala project. A drawing of themselves as a grown-up in their chosen profession will adorn the shelves of a custom-made, had-crafted wooden bookshelf. You'll have to see it to believe it – and you can on November 17th.

Pumpkin Day

The Great Hall was very festive for the Halloween activities with all the creative pumpkins that were brought in. Thank you to everyone for their support in this event that the students really enjoy participating in. We raised \$200.00 towards Unicef which is an organization that helps build a world where the rights of every child are realized.

Unicef's Mission

- believe that nurturing and caring for children are the cornerstones of human progress. UNICEF was created with this purpose in mind - to work with others to overcome the obstacles that poverty, violence, disease and discrimination placed in a child's path.
- advocate for measures to give children the best start in life, because proper care at the youngest age forms the strongest foundation for a person's future.
- promote girls' education - ensuring that they complete primary education as a minimum - because it benefits all children, both girls and boys. Girls who are educated grow up to become better thinkers, better citizens, and better parents to their own children.
- act so that all children are immunized against common childhood diseases, and are well nourished, because it is wrong for a child to suffer or die from a preventable illness.

The house points accumulated from this event are:

Ravens 275 points, Otters 210 points, Chinooks 245 points, Hawks 290 points.

Mrs. Khangura

W. E. Kinvig Clothing Drive is Happening Again!

If you remember, last year we collected clothing and school supplies for a school in North Surrey called W. E. Kinvig Elementary School. Many families at this school live in poverty; many are refugees who come from war-torn countries and are not well-prepared for winter in Canada. Many of the children do not get enough to eat and do not have proper clothes to wear. Last year we collected a tower of boxes to help the children and their families at W. E. Kinvig; thank you for all your generous donations. We at Southridge have so much more than we need, and we again want to share with those who don't have enough.

Our collection will start on Wednesday, November 7th, 2012, and it will end on Friday, November 16th, 2012. Please place all your items in the labeled boxes that will be provided in the Junior School Great Hall. Please help us to fill even more boxes this year!

Kyla Davies, Madisen Muncey-Buckley, and Isabelle Lei (Grade 8)
Morgan Muncey-Buckley and Mckenna Gill (Grade 6)

Junior School Swim Team

The Junior School Swim Team is going to be starting very soon! Swim practices will be Fridays from 3:45 - 4:45 PM at the Surrey Sport and Leisure Complex off of Fraser Hwy. We are able to start on Friday, November 16th, 2012 however; we will only have 3 lanes. Since there is not enough room for all swimmers, only the MYP swimmers (Grade 5 - 7) are invited to attend on Friday, November 16th.

Friday, November 23rd, 2012 will be the first practice where all swimmers can attend. All swimmers must be confident and capable of swimming at least 25m freestyle (front stroke) and 25m backstroke independently. If you are interested in joining the swim team, and not too sure yet, you are welcome to come out on Friday, November 23rd, and try it out.

There are 2 swim meets this year. Swimmers must choose to attend one meet in January:

- Monday, January 21st, 2013 at the Victoria ISEA for Grades 3-5 swimmers (this is a great swim meet for first timers!)
- Tuesday, January 22nd, 2013 is a competitive meet at UBC, hosted by Mulgrave School for Grades 5 - 7 (plus Grade 4 club swimmers optional).

Please email or sign up with Ms. Trisha Wray (Riley). When you sign up, please add your name, homeroom and your parent's name. We would like to create a Schoology account for the swim team.

Ms. Trisha Wray

Senior School Educational Program (SSEP) Night

Over the past few years we have worked at creating a Senior School Educational Program. Graphically, this has taken the form of a wheel divided into three main parts: knowledge, skills and attitudes. Each of these three main parts is further subdivided and gives a detailed view of what are essential components that students need to have in order to be successful in post-secondary education and beyond.

Throughout this time we have begun to implement the program in a number of ways, which have included creating a new timetable, introducing new Advanced Placement (AP) and other courses, increasing experiential education opportunities, reducing class size, and expanding the Senior School facility to allow for further flexibility in timetabling. This explains our first phase of implementation.

Over the past number of months we have formulated a new phase of this implementation. If you were able to attend the Senior School Mini-School Night, you would have heard me speak very briefly about a few aspects of this plan. In addition, we promised to have another evening that would allow a greater amount of time to share some key aspects of the plan.

With this in mind, we invite you to join us on Monday, November 19th, 2012 at 6:30 PM. in the Alan Brown Great Hall. We will be sharing further details of our implementation plan and explaining the SSEP in greater depth. In addition, we hope that this evening will afford you an opportunity to ask any questions you may have.

We certainly hope to see many of you there! Have a great week!

An Evening in December: Senior School Music Concerts

Wednesday & Thursday, December 12th & 13th are the two evenings of our Music Department's concert. Students who are involved (all band students, jazz band members, soloists (see announcement below), technical crew, and any others participating) need to attend BOTH nights. For parents and guests, you may attend one or both (or none if you want to be

Scrooge-like!). There are no tickets, per se, but we do ask that each attendee bring a can or two of something to donate to the food bank. The concerts begin at 7:00 PM in the Alan Brown Great Hall.

Mr. Steve Burrage

An Evening in December: A Call for Auditions

On Wednesday & Thursday, December 12th & 13th, we will hold our annual Music Department December concerts. As in other years, we invite soloists or small ensembles to perform. Not only does this give us a fuller picture of the talents and abilities of our student body, but it also provides the listeners with a wider variety of musical genres. Though “Christmassy” or “winter music” is nice, it is not necessary. In fact, something that ties in with the theme of giving would be excellent. The auditions for these spots will be held on Tuesday, November 20th, at the beginning of lunch in the band room. Please see Mr. Burrage if you have any questions. Historic Fort Langley

The Grade 10 Social Studies classes experienced the historical town of Fort Langley yesterday in order to conduct research on the Canadian pioneer era.

Students visited the BC Farm Museum, The Langley Centennial Museum, and conducted a walking tour of the historical buildings in the town and the cemetery. Thank you to Ms. Davies for accompanying Mr. Chiarenza and Ms. Alexandra on a day of history!

Student Exchanges: Where Do You Want to Learn?

Southridge is accepting applications for student exchanges with several independent schools from around the world. Students currently in Grades 9, 10 or 11 are invited to apply for student exchange. While on exchange, our students are hosted by the families of their exchange partners with the exception of The Doon School in India, where all students are boarders. While at Southridge, exchange students stay with our host families. The only major cost is for travel to and from the exchange location. The duration of the different exchanges varies from 3 weeks to 6 weeks.

We have exchanges with the following schools:

- Stewart's Melville College, Edinburgh, Scotland
- El Limonar, Murcia, Spain
- The Doon School, India
- Central Coast Grammar School, Erina Heights (near Sydney), Australia
- Ballarat Grammar School, Ballarat, Australia
- Ruyton School, Melbourne, Australia
- Trinity Grammar School, Melbourne, Australia
- College Francois de Laval, Quebec City, Quebec

Applications can be downloaded from the Student Resources section of the school website, or obtained directly from Mr. Weaver. Potentially successful applicants will meet with Mr. Weaver and their parents, and will be further screened by the Exchange Committee.

Please contact Mr. Weaver if you have any questions about the exchanges or the student exchange program in general. The deadline for applications is November 9th, 2012.

Grade 12 Parent Night

Last Tuesday we held a Grade 12 parent information night to go over the timelines and process for applying to universities. For those who were not able to make the session, please refer to the University Counselling information available on the Southridge parents' pages. The university application process is underway for a number of institutions and your students are receiving the information in their Portfolio classes. Parents are encouraged to take a look at the Naviance system that monitors and tracks student progress for post-secondary plans.

Interested in Studying in the United Kingdom?

Grade 10 and 11 students who are interested in knowing about the process for applying to UK universities can attend an information session on Thursday, November 15th at 3:00 PM in the Alderdice Library. Any parents who wish to join in the session are welcome to attend. This will be a presentation geared to understanding the timeline involved in applying through the UCAS application system.
