

# CAMPUS MINISTRY

*The Totino–Grace Campus Ministry Department allows students to develop a personal understanding of their own faith. Students share the leadership and vision of discovering their own faith formation—through liturgies, retreats, and service projects.*

## FAITH

Totino-Grace shares in the mission of the Catholic Church by promoting a Christ-centered educational experience. We invite all Totino-Grace students to know God, experience God, and love God. Through annual retreats, student-led prayer, engaged chaplains, Masses, music ministry, and a supportive community, TG is a place for students to grow in their faith.

- **Student Led** - Our students experience distinct roles in prayer at TG as sacristans, servers, behind-the-scenes coordinators, musicians and more.
- **Active Prayer** - At the beginning of each day and class, through student reflections, and during Masses, we consistently call to mind God's presence in our community.
- **Lasallian Charism** - Our school's founders, The Christian Brothers and School Sisters of Notre Dame, continue to influence our traditions and commitment to a faith life driven by vocation.

## COMMUNITY

Totino-Grace faculty, staff, and co-curricular advisors serve as models of faith in action, inspiring students and providing opportunities for faith development. In the classroom and beyond, each student has a place at TG to grow in their faith and take the gospel message beyond our campus and into the world.

- **All Are Welcome** - We make it easy to be involved in Campus Ministry. Students with a variety of interests, activities, and comfort levels can find ways to be active.
- **Mission-Driven Programming** - Global and local non-profit mission collections and raising awareness and support for the needs of our own students and families connect the goals of our mission to the needs of a larger community.
- **A Place to Grow** - Campus Ministry offers many levels of involvement for students who want to explore and those for whom mission work is their primary interest.

## SERVICE

Students at Totino-Grace are global citizens committed to serving vulnerable populations. Annual retreats, team and club activities, daily after school service projects, and extensive immersion programming all provide opportunities for students to be servants.

- **Mission Trips** - Totino-Grace offers more than one dozen local, national, and international mission trips each year. These experiences include nearly 25% of the student body.
- **Lasallian Youth** - Local service projects take place each day after school. Students are engaged in our local community as mentors and tutors, friends to the elderly, and volunteers at food shelves and shelters through sponsored service sites.
- **Together and by Association** - Teachers act as chaperones for service and mission experiences, modeling and sharing their faith, and guiding our students through these formative opportunities.

## LEADERSHIP

Campus Ministry at Totino-Grace provides training, opportunities, and support in developing students as leaders in the church. Students lead all programming and initiatives, finding their voice and their passion as they inspire and drive our faith community.

- **Student Ministry Team** - Select juniors and seniors work as leaders in our community, exploring faith themes, guiding prayer life, and coordinating and driving service and mission work.
- **Finding Their Voice** - From behind-the-scenes to speaking in front of the student body, we foster students' gifts and talents to develop confident faith leaders.
- **Activities and Initiatives** - Our initiatives are youth-led and youth-focused. Student ministers develop an annual theme and implement related activities. They support retreat programming and service projects.
