

FACS Exploration - A

COURSE DESCRIPTION

This course provides students the opportunity to develop essential skills in the various career pathways related to Family and Consumer Sciences (FACS). Students will explore and cultivate skills in interior design, clothing and textile construction, fashion design and merchandising, consumerism, entrepreneurship and career and job-related tasks.

STRANDS

Discuss elements of housing and interior design and how it impacts families, communities and careers

Discuss and participate in hands-on skill development related to clothing construction, fashion, textile technology and careers.

Explore employability skills, entrepreneurship, the principles of the free enterprise system and their impact on families, communities and careers.
