

## **CAMP MASON CLOTHING AND EQUIPMENT PACKING LIST**

Because of the elevation, expect the temperature at Camp Mason to be about 10 degrees colder than it would be at home during the same season. Please keep this in mind when planning appropriate clothing to pack. Comfortable, practical clothes are recommended. Shoes should be sturdy. Loafers, sneakers, etc. are of little use on rocky ground. Waterproof boots are a must.

Students should leave all jewelry and other expensive belongings at home. The camp specifically asks that no electronic games, radios, hair dryers, tape players, pocketknives, gum, candy or snacks are brought. Nametags are recommended for personal belongings.
