OCTOBER 1, 2018

Coding in Weekly Computer Class

During weekly computer class with Mrs. Hansen, students are learning to code. Coding helps develop problem solving and critical thinking skills. A BYU professor will be researching student results as they advance through the coding program. His study keeps the names of students and their progress confidential. Will you please logon to your DSD guardian accounts, read the explanation of the study and if you agree, sign consent for your child to participate in the study?

Tech The Halls

Our Tech The Halls Auction is November 5-9. All proceeds go toward purchasing devices and software that support personalized learning and real-world writing practice across content areas. If you own a business or work for a company that could donate an item or service, please fill out the flyer that went home with your student last week. For questions, call the school or Rachel Orison @801-554-0010 THANK YOU!

Student Comment of The Week

In the lunchroom a 2nd Grade student said to me, "School pizza is the very best brand of pizza. Our school should really think about doing deliveries like Dominoes."

NO SCHOOL—Teacher Professional Day

October 31

9:15 HALLOWEEN PARADE

SEP Conferences will be held

Nov 7 and 8. Nov 7&8 will be early out days.

HALLOWEEN/FALL CELEBRATION PARADE

Our Halloween parade will begin at **approximately 9:15 a.m.** on Wednesday, October 31st. The students should come to school already dressed in their costumes that day. **Please do not plan on doing student make-up and other costume details at school. This must be done at home BEFORE the beginning of the school day.** Students in grades 1-6 should bring a change of regular school clothes to change into after Halloween festivities. **Regular school clothing should be worn following the Halloween festivities.** It's recommended that when possible, students wear their regular clothes under their costumes.

To ensure safety during the parade, please note the following safety restrictions on costumes:

- ☐ **No weapons, real or pretend**
- ☐ **No roller blades/skateboards/scooters**
- ☐ **No live animals**
- ☐ **No clothing and/or adornments which depict illegal substances**
- ☐ **Masks should not be worn by any adults**
- ☐ **No gory costumes**
- ☐ **No strapless costumes, mid-drifts, short-shorts/skirts.**

HALLOWEEN PARADE LOCATION FOR PARENTS

We are asking that ALL parents and visitors during the parade stay in the gym/stage/front hall area until the entire parade is over. For the safety of the students, parents are invited to wait in the gym to watch the Halloween parade fun! As the parade route winds its way through school hallways, please stay in the gym as to decrease the congestion in the hall-ways. Pre-school age children need to be under parent supervision at all times - not with school age siblings

****Please note: the parade begins at 9:15, but takes at least 15 minutes to make it to the gym where parents will be viewing the parade.***

After students have paraded through the gym, they parade around the school one more time so that they can see the costumes of all of the students. Due to this, we need to keep the halls clear of all parents until the conclusion of the parade. When the parade is over, we will make an announcement letting everyone know that the halls will be open for parents. Thank you in advance for following this procedure.

Change Your Words, Change your Mindset—Snow Horse Students Have a Growth Mindset.

School-wide we've been focusing on growth mindset. Here are some phrases that students hear at school and are also helpful to use at home.

Instead of "This is too hard." - "This may take some time and effort"

Instead of "I'm not good at this." - "What am I missing?"

Instead of "I'll never be as smart as her." - "I'm going to figure out what she does and try it."

Please help us raise money for Snow Horse Elementary by *attaching your Smith's Fresh Values Card to Snow Horse Elementary.*

1. Go To www.smithsinspiringrewards.com
2. Click on "my account" In "account summary" click on "edit rewards" and input your rewards card number.
3. Click "Edit Community Rewards" (last selection on Account Summary) Enter the first letters of Snow Horse Elem. Select "Snow Horse Elementary" and click "enroll"
