Peace of Mind Benefit from FACTS

Make Sure You're Fully Covered With FACTS.

As many of us know, experiencing a loss in the family is extremely difficult. While we can't prevent these types of tragedies, we can guarantee that we'll be there to help if tragedy occurs.

The FACTS Peace of Mind Benefit ensures that if a family is unable to pay their tuition due to the death of the Customer or the Customer's legal spouse, the Benefit may cover the student's tuition costs.* That way, your child will experience as little disruption in their academic life as possible.

For more information, call **866.441.4637** or visit **FACTSmgmt.com**.

*Coverage begins when the Customer elects the Peace of Mind Benefit and signs the FACTS payment plan agreement.

Once the nonrefundable fee has been received by FACTS, in the event of the death of the Customer or his/her legal spouse, the Benefit may pay the remaining unpaid balance up to \$30,000 (except payments in arrears) on the agreement.

The Peace of Mind Benefit is available to individuals who are under 70 at the time coverage begins.
