### Bylaw Revision

**What:** By-Law Revision

**When:** A vote of the new Bylaws will be voted on October 11th at 9:15am

**Where:** UHS LGI

**Why:** The UHS PTO Bylaws were outdated and in need of revision. The biggest change proposed is to remove the requirement of paying dues in order to be a voting member of the PTO.

Stopping the Flu Starts with You!

School season is prime time for classes, homework, sports... and the flu. With the flu virus most active from October to May, getting vaccinated is the #1 way to prevent the flu and the fever, sore throat, body aches, and even serious health complications it can cause. We are partnering with the Chester County Health Department to offer a flu shot clinic to community members.

**When:** October 4, 2018 - 3:00 pm - 7:00 pm

**Where:** Unionville High School

Flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and sometimes the lungs. It can cause mild to severe illness, and at times can lead to death. For more information, visit [www.chesco.org/health/flu](http://www.chesco.org/health/flu) . Same day, onsite registration only.
