We have the original White Polo Shirts, with red print and now, this year we offer a Maroon Polo Shirt with White lettering. The White lettering is sealed with a clear coat so the shirt won't leak onto the lettering and change the white color.

I hope this picture comes out o.k., as a Maroon color polo shirt (i.e. not looking like purple). It is Maroon!

Each notecard set will come with a write-up of what each photo is about. A little history! Very nice cards and envelopes in a homemade pouch. Designed and made by Audrey Van Hoven. Audrey is also the one that makes the cloth holders for our 50 year pins. Pins are given with honor to alums at our annual Dinner Reunion event each October.
