20 minutes prior to kickoff - Band Takes Field/Cadet March-On/National Anthem

- Approximately 20 minutes before kickoff, the area inside of Gate 1 shuts down, as the Cadet Regiment marches on to the field. It takes roughly five minutes to complete. Once the 1,000 Cadets are in position on the field, a member of the Cadet Glee Club and the Army Band perform the National Anthem

10 minutes prior to kickoff - Parachute Demonstration

- A fan favorite portion of the game, look skyward as you see West Point cadets jump from a helicopter and land minutes later on the field as they parachute in the official game ball and flags approximately 10 minutes before kickoff.

2 minutes prior to kickoff - Army West Point Takes the Field

- The Black Knights are led out of the tunnel by the Rabble Rousers, mascots, American flag, and a flag representing that week's unit patch worn on the jerseys.
