

Welcome Back to School

I know it's hard to imagine that school is just around the corner, but we're excited and have been planning to make this upcoming year amazing for all of our students and families! This very newsletter has been created to help you prepare for the upcoming school year and better understand how our school district operates.

Indeed, the content of this newsletter is valuable, but it doesn't replace the personal touch sometimes needed to answer specific questions or resolve a sensitive situation. In those cases, please don't hesitate to reach out to us. We have amazing staff who are dedicated to working with our community.

Enjoy the remainder of the summer, and we invite you to join us in the excitement for the next school year!

See you soon,

Keeping Kids Healthy

Our Sun Prairie School Health Services Team is made up of two District Health Nurses and a Health Assistant at each school building. Together we work to remove health related learning barriers and create a healthy and safe learning environment for all children.

Back-to-School Health Tips for a Happy and Healthy School Year

- Make sure your child is up to date on vaccination requirements. The state of Wisconsin requires that all students entering 6th grade get a Tdap (tetanus, diphtheria, and pertussis) booster. Kindergarteners need a booster dose of the MMR, Polio, Varicella, and DTaP vaccines. Be sure that sufficient documentation or a signed waiver is on file with your child's school.
- Consult with your child's school nurse about any health updates or health needs your child may have at school this year.
- If your child will need to keep medication at school, it needs to be in the original, labeled container, and you must complete the following forms:

Prescription Medication: Either contact your doctor's office for their school medication order form or print it from our website. Send the completed form to school with your child.

Over the Counter Medication: Print the form from our website, and return it to school with your child.

- Remind your child that hand washing is the number one way to prevent illness. Practice effective hand washing. Wash for at least 20 seconds, using friction, and wash the fronts, backs, and in between fingers. Soap and water are best, but hand sanitizer will do when those are not available.
- Make sure your child gets enough sleep. Start practicing healthy sleep habits, such as limiting caffeine after dinner, getting regular exercise, turning off electronic devices an hour before bedtime, and getting into a regular sleep routine.
- Eat breakfast each day, at home or at school.

Back-to-School Safety Reminders

Sun Prairie Area School District is committed to providing students, staff, and visitors a safe and welcoming environment. Here are a few conversation ideas for you and your student to have before the new school year begins:

General

- Communicate with your child, addressing any fears or concerns about returning to school. Discuss "what if" situations, such as "What if you get on the wrong bus?"
- If you believe there are any unresolved issues from the previous school year that may continue to affect your child's behavior, follow up with the teacher or principal.
- Remind your child not to go anywhere unless they first check with a parent or caregiver. They should not go home with a friendly neighbor without parent permission.
- · Students should follow safety rules:
 - Always tell a parent/caregiver where they are going, who they are with, and when they will be home.
 - Go places with friends, instead of alone, whenever possible.
- Ensure that your child knows their telephone number and address, contact numbers for trusted adults, and how to call 911 for emergencies.

Transportation

Parents:

- Discuss transportation. How will your child get to and from school?
- Have a back-up plan in case you are delayed and can't pick up on time. Where should your child go? Whom should they contact? What should they do? Decide on age-appropriate solutions.

Students:

- Safety reminders:
 Cross streets at marked crosswalks, obey the school crossing guards, and don't dart out in front of traffic.
- Bike-riding reminders: Know the best routes, wear a helmet, and be visible. Lock your bike in the designated place at school.

Drivers (Parents and High School Students):

- Remember to slow down, observe 20 mph school zone speed limits, and be alert for children who may dart out into traffic. School parking lots get busy with pedestrians and cars and should be navigated carefully.
- · Obey all signage displayed at the schools.
- Move to the front of the line of the student pick-up area to make room for other drivers.
- Do not attempt to pass other parked cars when there is no space for passing. Please wait.

Respect buses, particularly when children are getting on and off

Busing Information

KOBUSSEN CARES!

Sun Prairie Area School
District staff members work
collaboratively with our district
transportation provider, Kobussen
Bus Company, to keep students
safe while riding the bus.

We use the following "KOBUSSEN CARES" rules as our expectations for all bus riders. To support SAFETY for all, our EXPECTATIONS are that everyone demonstrates RESPECT through APPROPRIATE bus behavior on a CONSISTENT basis.

KOBUSSEN BUSES 1500 Forward Drive Sun Prairie, WI 608-825-8700

Hours: 6:30 a.m.-5:30 p.m.

To meet these EXPECTATIONS, all bus riders need to:

- **Sit down** when they get on the bus.
- Face forward when seated.
- Keep the aisle clear so everyone can move safely.
- Keep voices quiet so everyone can enjoy their ride and hear instructions.
- **Keep hands** to themselves.
- Do not eat on the bus, to keep it clean and sanitary.

We appreciate parents/ guardians, district staff, and bus drivers reminding students that KOBUSSEN CARES!

Bus Rules

- Students may not eat on district buses. Some students have severe food allergies, and we need to keep our buses safe for them. Snacks given out at the end of the school day should be eaten at home.
- Students may ride on their assigned bus only.
- Student must get on/off the bus at their designated stop.
- Students should be at their bus stop at least 5 minutes before the scheduled arrival time.

- Students must have their bus tags with them in order to ride the bus.
- Students who are not eligible riders may not ride the bus.

School bus transportation is a privilege, not a right. In the event that a student's behavior does not conform to the bus rules listed above, the bus company will report the behavior to the school, and an investigation will occur. Consequences may be assessed and could include loss of bus transportation privileges.

Bus Tags

All eligible bus riders must have their bus tags on their person when riding the bus. Drivers will ask to see bus tags and may deny rides to students they don't recognize if those students don't have a bus tag. If your child needs a replacement bus tag, please contact the school secretary. Students who carry smartphones can take a picture of their bus tag to show the driver.

- Secondary students will receive their bus tag at the Back-to-School Kickoff, August 22-28.
- Elementary students will receive their bus tag at Ready, Set, Go! or at the Meet and Greet.

- Students should wait on the sidewalk or as close to the curb as possible if there are no sidewalks.
- Students should avoid waiting on the road and people's yards.
- Students should wait for the bus to come to a complete stop before approaching to board.
- Students should be dressed appropriately for waiting in any type of weather.

Busing Eligibility

Busing services are provided to elementary, middle, upper middle, and high school students who do not live within walking distance of their schools. For students to receive busing services, they must meet the following distances requirements:

Elementary School: Must live more than 1 mile from school

Middle School: Must live more than 1.5 miles from school

Upper Middle School: Must live more than 1.5 miles from school

High School: Must live more than 1.5 miles from school

You can verify your household's busing eligibility by using the Boundaries and Walking/Busing Areas interactive map located on our website.

Students with disabilities are provided transportation services in accordance with their individualized education programs (IEPs).

Activity Bus Information (Secondary Schools Only)

- All eligible bus riders are authorized to ride the activity bus.
- Riders must present their bus tag and a pass from their coach.
- Activity buses do not have set routes. Schools that have more than
 one activity bus have designated areas of that school's busing area
 (north and south, east and west, etc.). The drivers of these buses
 develop routes based on the students who are riding that day.
- Because there are no set routes for activity buses, the amount of time students may ride and the stops they will use can vary greatly from day to day. Student ride times may exceed one hour.

Busing FAQs

What do I need to do to sign my child up for the bus?

You don't need to do anything! All students in grades K-12 that are eligible to/from their primary household are automatically routed. If you need transportation to/from a secondary household or child care provider, please visit the website to learn more about those requests. Busing for 4K students must be requested through the 4K office (608-834-6672).

Where can I find my child's busing information?

Parents can view their child's busing information for the regular school year through the Infinite Campus Parent Portal at least two weeks prior to the start of school. The district will also communicate busing information around the same time.

I have a concern about other children on the bus and/or my child's bus driver. Whom should I contact?

Your first point of contact should be your child's school principal for any concerns regarding student behavior on the bus. The principal can talk with your

child and any other students involved in the incident and determine if any necessary disciplinary measures need to be taken. If you have a concern regarding your child's bus driver, please contact Kobussen at 825-8700. They will review the concern and contact the appropriate District personnel.

My child missed the bus/the bus is running late. Whom should I contact?

Please contact Kobussen at 825-8700. If the bus arrived and left the stop before the scheduled pick-up time, they will send the driver back to pick up any students that were missed. Families are encouraged to have their child waiting at the stop at least 5 minutes prior to the scheduled pick-up time.

I think my child may have left something on the bus. Whom should I contact?

Kobussen has a lost and found for all items left on the bus. Bus drivers usually keep lost items on the bus for a few days and then turn them in at the terminal. If your child has a lost item, don't forget to check with Kobussen. You may call or stop by the terminal to check the lost and found.

New School Ribbon-Cutting Events

Thank you, Sun Prairie! Because of you, we are opening two new elementary schools in just a few weeks.

You are invited to attend ribbon-cutting ceremonies and open houses for the two new elementary schools:

TOKEN SPRINGS: AUGUST 28, 6:00-8:00 P.M. MEADOW VIEW: AUGUST 29, 6:00-8:00 P.M.

Ribbon-cutting ceremonies will begin at 6:00 p.m. and will be followed by an open house with self-guided tours.

WE ARE GROWING!

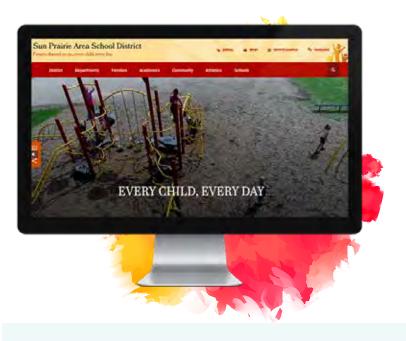

Did you know that our high school will be full in 2022 and that it takes up to 3.5 years to design and build a new high school? Follow along with the work of the Secondary School Space Planning Committee as they evaluate options for the future of Sun Prairie Schools. Visit the website for more information.

Check out our *BRAND NEW* website, *sunprairieschools.org*.

This summer we held a ribbon-cutting ceremony for our BRAND NEW website. The individual schools in the district each received a new webpage as well. Through focus groups with parents, staff, and students, we received feedback and redesigned the website with fresh, new content that will help families and community members find exactly what they are looking for. Through photos, stories, and information on the website, we will be able to show you what the Sun Prairie Experience looks and feels like for our students, staff, and community!

Need Help?

Assistance and translators are available at the District Office, 501 S. Bird Street, Sun Prairie, from 8 a.m. to 4 p.m., Monday through Friday.
