

NCAA ELIGIBILITY WORKSHEET

Name _____

Current Grade _____

Register at www.ncaaclearinghouse.net at the end of the **JUNIOR** year.

TEST SCORE requirement is on a sliding scale with Core GPA. See chart on back.

SAT Combined Score CR _____ + M _____ = _____

ACT Combined Score E _____ + M _____ + R _____ + S _____ = _____

CORE GPA CALCULATION Select the highest qualifying semester grades from the student's transcript using the list of NCAA Approved Core Courses.

English Core--8 semesters required.

EN _____ EN _____ EN _____ EN _____
 EN _____ EN _____ EN _____ EN _____

Math Core--6 semesters required, Algebra 1 and above only.

MA _____ MA _____ MA _____ MA _____
 MA _____ MA _____

Science Core--4 semesters required, at least 2 must be lab science.

SC _____ SC _____ SC _____ SC _____

Social Science Core--4 semesters required.

SS _____ SS _____ SS _____ SS _____

English, Math or Science, 2 semesters required.

1. _____ 2. _____

English, Math, Science, Social Science, Foreign Language, Philosophy, Nondoctrinal Religion--8 semesters required.

1. _____ 2. _____ 3. _____ 4. _____
 5. _____ 6. _____ 7. _____ 8. _____

NCAA will count weighted grades. To figure Core GPA, add the value of all of the semester grades listed above (A=4, B=3, C=2, D=1) and divide by the number of semester grades. (32 total)

Number of wtd. A's _____ x 5 = _____
 Number of A's/wtd. B's _____ x 4 = _____
 Number of B's/wtd. C's _____ x 3 = _____
 Number of C's/wtd. D's _____ x 2 = _____
 Number of D's _____ x 1 = _____

Column Totals a. _____ b. _____
TOTAL = b. _____ **divided by a.** _____ = _____ **CORE GPA**
