

**MISSION STATEMENT OF THE GERMAN  
SCHOOL LONDON  
SCHOOL AS A PLATFORM FOR  
CULTURAL EXCHANGE**

At the German School London ...

... we value mutual respect. This furthers a pleasant environment, enhances academic success and boosts the spirit of the school community. Social awareness, responsibility and self-discipline are of particular importance.

**>Social Learning**

... we, in cooperation with the parents, raise our pupils to become respectful, independent, and responsible individuals. In addition, we encourage students to be mindful of health, environmental and sustainability issues.

**>Character Formation**

... pupils attain essential knowledge and subject-specific know-how to enable critical reflection on matters of value and significance.

**>Academic Competencies**

... we, in accordance with German and international educational standards, offer our pupils a broad and sophisticated range of subjects.

**>International Educational Offers**

... pupils acquire competences and the necessary expertise to earn national and international degrees.

**>International Qualifications**

... we encourage intercultural exchange to facilitate a tolerance, cosmopolitanism and independence.

**>Intercultural Contact**

... pupils participate in a diverse and varied school life, where they are challenged according to their abilities and needs.

**>Appreciation of Diversity**
