- Sam Berry- Parent (PTA President)
- Amy Beckstrand- Parent
- Jodi Wetzell- Parent
- Sarah Wawrzynski- Parent
- Doug Wawrzynski- Parent
- Cassurie McCairns- Parent
- Jessie Pond- Parent

**School Safety Concern:** Driveways/Drop-off and Pick-up Loop

Guest: Mr. Scott Zigich, DSD Risk Management Director

Explained the school zone and a new traffic study to take place. Will request a traffic study through Layton City to expand school zone as well as a possible new crossing guard. Our traffic patterns and road risks are a city deal, not a district deal.

Proposal- Mandate to only allow right turn out of the school. (Both exits). This is a bus zone anyway and is off limits for student pick up and drop off. Places of concern are the areas that are across traffic in the east driveway. Option to paint a dotted line and label drop off/pick up and drive through. (Drive through area would be no parking and no waiting.) Option to relocate faculty and staff parking to the far east side of that driveway. Speed bumps considered to be added to that driveway. Would like to move bike racks to the front of the building behind a hill but away from traffic. Will see if maintenance will pour cement pad for bike rack.

# Community Council Agenda

October 8, 2018

\*Davis school district would ideally like students to be picked up on the passenger side by the curb.

Needs approval-

1. Pick up/ drop off labeled on road. Voted yes.
2. No pick up on east side of driveway. Voted yes.
3. Parking added to the far east side. Voted yes.
4. Right turn only out of school. Changed to out of east lot only. Voted yes.
5. Speed bumps added to driveway. Voted yes.
6. Move bike rack. Voted yes.

**Election of Officers:** Mrs. Hammer

Community Council Chairman- Cassurie McCairns

Community Council Vice Chairman- Jodi Wetzel
