

Voluntary Termination of Membership Rights and Benefits

After speaking with representatives of the Association, I understand that I have elected to forfeit the following Local USEA/NEA benefits by requesting my membership be terminated upon my last payroll deduction.

- \$1 million liability insurance protection through NEA
- Representation by my local Association staff and USEA legal assistance
- Rights to legal representation by USEA’s staff including legal assistance in job-related actions
- Rights to claim and/or use member benefit services (i.e. attorney referral program, benefit card discount programs/purchasing, voluntary insurance coverage through association-approved vendors, etc.) and
- Any other rights or benefits of membership

***I understand that my decision to terminate my membership from my local and USEA may result in a reduction in bargaining strength which ultimately may affect my current wages, hours and working conditions. In addition, it may be detrimental to my future wages, hours, working conditions and benefits bargained by my local and USEA.**

When a member completes a Membership Application for USEA, they agree to the following:

I hereby apply for membership in the Utah School Employees Association and in its local and national affiliates.

I hereby authorize the District to deduct dues for the Utah School Employees Association and its local and national affiliates as may be established and certified from time to time by those organizations, from my pay each month and to remit those dues to USEA. I hereby designate USEA and its local and national affiliates as my exclusive bargaining representatives.

By signing this application I understand and agree that: this authorization to deduct dues may be revoked by submitting a written revocation to the District; such revocation does not terminate membership in USEA or in its local or national affiliates or the obligation to pay monthly dues, and; my membership in USEA and its local and national affiliates continues until a written notice of cancellation is received at the main office of USEA or until it is otherwise terminated pursuant to bylaws, policies, or procedures of those organizations.

The above language constitutes a binding contract between the member and the Association, and as such, this contract cannot be terminated without submitting a written notice of cancellation to the USEA office.

This cancellation form or other written notice can be returned in person, by US Mail, email or by fax.
