IMPOSITION OF TAX

Section 2.01. There is hereby levied from and after June 1, 1965, for the purpose stated in the proposition set forth in the preamble to this ordinance, a tax upon the sale at retail, the use, the lease or rental, the consumption and the storage for use or consumption of tangible personal property and upon the sale of services within this Parish, as defined herein; and the levy of such tax shall be as follows:

- (1) At the rate of one per cent (1%) the cost price of each item or article of tangible personal property when sold at retail in this Parish; the tax to be computed on gross sales for the purpose of remitting the amount of tax due the School Board, and to include each and every retail sale.
- (2) At the rate of one per cent (1%) of the cost price of each item or article of tangible personal property when the same is not sold, but is used, consumed, distributed, or stored for use or consumption in this Parish; provided, there shall be no duplication of the tax.
- (3) At the rate of one per cent (1%) of the gross proceed derived from the lease or rental of tangible personal property, as defined herein, where the lease or rental of such property is an established business, or part of an established business or the same is incidental or germane to the said business.
- (4) At the rate of one percent (1%) of the monthly lease or rental price paid by lessee or rentee, or contracted or agreed to be paid by lessee or rentee to the owner of the tangible personal property.
- (5) At the rate of one per cent (1%) of the gross proceeds derived from the sale of services, as defined herein.

Section 2.01-1. Sales or use taxes paid to this Board on the purchase of new motor trucks and new motor tractors licensed and registered for 12,000 pounds or more, under the provisions of Section 462 of Title 47 of the Louisiana Revised Statutes of 1950 (R. S. 47:462), new trailers and new semi-trailers licensed and registered for 16,000 pounds or more under the provisions of said Section for rental may be deducted as a credit against the tax due on the rental of that item of property so that no tax is payable on rental income until the tax paid on the purchase price has been exceeded. The sales tax paid to another Parish on the purchase prices of property is not deductible from the tax subsequently due on the rental of such property in this Parish. Property imported by the lessee for use in this Parish that has been previously used by him in another Parish is not subject to any tax on the value when imported, but is only subject to the tax that applies on rental payments.

If the tax on rental income fails to exceed the credits for sales or use tax paid, no refund is due the purchaser.

A dealer in the Parish who ordinarily purchases personal property for sale and who withdraws a piece of property from stock for rental is not liable for a sales or use tax on the purchase price of the property when withdrawn from stock. Such person is liable only for the tax applicable on the rental income.

Any sales tax paid on any maintenance or operation expenses of a rental business is not deductible as a credit against the tax due on rental income; such expenses are part of the cost of doing business and do not constitute a part of the cost of identical property being rented.

Section 2.02. The tax shall be collected from the dealer, as defined herein, and paid at the time and in the manner hereinafter provided.

Section 2.03. The tax so levied is, and shall be in addition to all other taxes, whether levied in form of excise, or license, privilege or property taxes levied by any other ordinance or resolution of the School Board of this Parish.

Section 2.04. The integrated bracket schedule prescribed by the Collector of Revenue, State of Louisiana, by order issued pursuant to Section 304 of Title 47 of the Louisiana Revised Statutes of 1950 (R. S. 47:304) is established for the purpose of tax collection within the meaning of this ordinance, said schedule being in part as follows:

Amount Subject to Tax	Tax to be Collected
\$0.01 to 0.12	\$.00
0.13 to 0.42	.01
0.43 to 0.82	.02
0.83 to 1.12	.03
1.13 to 1.42	.04
1.43 to 1.82	.05
1.83 to 2.12	.06
etc.	etc.

Section 2.05. The collection of the tax herein levied shall be made in the name of the Parish School Board by the Treasurer of the said Board.

EXEMPTIONS AND EXCLUSIONS FROM TAX

Section 3.01 The taxes imposed by this ordinance shall not apply to transactions involving the following tangible personal property:

- (1) The gross proceeds derived from the sale in this Parish of livestock, poultry and other farm products direct from the farm, provided that such sales are made directly by the producers. When sales of livestock poultry and other farm products are made to consumers by any person other than a producer, they are not exempted from the tax imposed by this ordinance, provided, however, that every agricultural commodity sold by any person, other than a producer, to any person who purchases not for direct consumption but for the purpose of acquiring raw product for use or for sale in the process of preparing, finishing or manufacturing such agricultural commodity for the ultimate retail consumer trade, shall be exempted from any and all provisions of this ordinance, including payment of the tax applicable to the sale, storage, use, transfer, or any other utilization of or handling thereof, except when such agricultural commodity is actually sold as a marketable or finished product to the ultimate consumer, and in no case shall more than one tax be exacted.
- (2) The “use tax” shall not apply to livestock and livestock products, to poultry and poultry products, to farm, range and agricultural products when produced by the farmer and used by him and members of his family.
- (3) Where a part of the purchase price is represented by an article traded in, the sales tax is payable on the total purchase price less the market value of the article traded in.
- (4) The sale at retail, the use, the consumption, the distribution, and the storage to be used or consumed in this Parish of the following tangible personal property is hereby specifically exempted from the tax imposed by this ordinance: gasoline, steam, water (not including mineral water or carbonated water or any water put up in bottles, jugs, or containers, all of which are not exempted), electric power or energy, newspapers, fertilizers and containers used for farm products when sold directly to the farmer, natural gas and new automobiles withdrawn from stock by factory authorized new automobile dealers, with the approval of the Collector of Revenue, State of Louisiana, and title in the dealer’s name for use as demonstrators.
- (5) The sales of materials, equipment and machinery which enter into and become components parts of ships, vessels, including commercial fishing vessels, or barges, of fifty tons load displacement and over, built in Louisiana nor to the gross proceeds from the sale of such ships, vessels or barges when sold by the builder thereof.
- (6) The sales of materials and supplies to the owners or operators of ships or vessels operating exclusively in foreign or interstate coastwise commerce, where such materials and supplies are loaded upon the ship or vessel for use or consumption in the maintenance and operation thereof; nor to repair services performed upon ships or vessels operating exclusively in foreign or in interstate coastwise commerce; nor to the materials and supplies used in such repairs where such materials and supplies enter into and become a component part of such ships or vessels; nor to laundry services performed for the owners or operators of such ships or vessels operating exclusively in foreign or interstate coastwise commerce, where the laundered articles are to be used in the course of the operation of such ships or vessels.
 The provisions of this Sub-Section do not apply to drilling equipment used for oil exploitation or production unless such equipment is built for exclusive use outside the boundaries of the State and is removed forthwith from the State upon completion.
- (7) the sale at retail of seeds for use in the planting of any kind of crops.

- (8) The sale of casing, drill pipe and tubing in the Parish for use offshore beyond the territorial limits of the State of Louisiana for the production of oil, gas, sulfur and other minerals.
- (9) The sale or use of any materials, supplies or products for use in connection with any phase of the construction of the Toledo Bend Dam project on the Sabine River.
- (10) The sale of admission tickets by Little Theatre organizations.
- (11) The sale of admission tickets by domestic non-profit corporations or by any other domestic non-profit organization known as a symphony organization of a society or organization engaged in the presentation of musical performances; provided that this exemption shall not apply to performances given by out-of-state or non-resident symphony companies, nor to any performance intended to yield a profit to the promoters thereof.
- (12) The amount paid by the operator of a motion picture theatre to a distributing agency for use of films of photoplay.
- (13) The sale at retail of pesticides used for agricultural purposes, including particularly but not by way of limitation, insecticides, herbicides and fungicides.
- (14) The sale at retail of tangible personal property purchased within this Parish for use exclusively beyond the territorial limits of the Parish. If tangible personal property purchased tax free under the provisions of this section is later brought into this Parish for use herein, the property shall be subject to the use tax as of the time it is brought into the Parish for use herein, subject to the credit provided in Section 5.03 of this ordinance.

If the first use of tangible personal property purchased in the Parish for use beyond the territorial limits of the Parish occurs in a City or Parish of the State of Louisiana or in a City or County in a state other than Louisiana which imposes a sales or use tax, exemptions provided herein shall apply only if:

- (1) the purchaser is property registered for sales and use tax purposes in a City or Parish in the State of Louisiana or in a City or County in a state other than Louisiana, wherein such tangible personal property is used, and regularly reports and pays sales and use tax in such other City or Parish in the State of Louisiana or in a City or County in a state other than Louisiana; and
- (2) the City or Parish in the State of Louisiana or the City or County in a state other than Louisiana in which the first use occurs grants or a reciprocal basis a similar exemption or purchases within that City or Parish in the State of Louisiana or City or County in a state other than Louisiana for use in this Parish; and
- (3) the purchaser obtains from the Treasurer a certificate authorizing him to make the non-taxable purchases authorized under this section.

Section 3.02. It is not the intention of this ordinance to levy a tax upon articles of tangible personal property imported into this Parish, or produced or manufactured in this Parish, for export; nor is it the intention of this ordinance to levy a tax on a bona fide transaction in interstate commerce. It is, however, the intention of this ordinance to levy a tax on the sale at retail, the use, the consumption, the distribution, and the storage to be used or consumed in this Parish of tangible personal property after it has come to rest in this Parish and has become a part of the mass of property in this Parish. The provisions of this ordinance shall not apply to respect to the use, or consumption, or distribution, or storage of tangible personal property for use or consumption in this Parish, upon which a like tax equal to, or greater than the amount imposed by this ordinance has been paid in another Parish in Louisiana, or in a county in a state other than Louisiana, the proof of payment of such tax to be according to the rules and regulations made by the Treasurer of the School Board. If the amount of the tax paid in a city or Parish in Louisiana, or in a city or county in a state other than Louisiana is not equal to, or greater than the amount of tax imposed by this ordinance, then the dealer shall pay to the Parish School Board an amount sufficient to make the tax paid in the other city or Parish in Louisiana, or in the other city or county in a state other than Louisiana, and in this Parish equal to the amount of tax imposed by this ordinance.

Section 3.03. No tax shall be due under this ordinance on the sale of any goods or personal tangible property delivered or services performed outside the territorial limits of the Parish.

COLLECTION OF TAX BY DEALER

Section 4.01. The tax levied by this ordinance shall be collected by the dealer from the purchaser or consumer, except as provided for the collection of the tax on motor vehicles in Section 4.06 of this ordinance. The dealer shall have the same right in respect to collecting the tax from the purchaser, or in respect to non-payment of the tax by the purchaser, as if the tax were a part of the purchase price of the property, or charges for services, and

payable at the time of the sale; provided, however that the Parish School Board shall be joined as a party plaintiff in any action or proceeding brought by the dealer to collect the tax.

Section 4.02. Every dealer located outside the Parish making sales of tangible personal property for distribution, storage, use or other consumption, in this Parish shall, at the time of making sales, collect the tax imposed by this ordinance from the purchaser.

Section 4.03. The dealer shall, as practicable, add the exact amount of the tax imposed under this ordinance, or the average equivalent thereof, in conformity with the rules and regulations to be issued by the Treasurer of the School Board, to the sale price or charge, and, when added, such tax shall constitute a part of such price or charge and shall be a debt from the purchaser or consumer to the dealer, until paid and shall be recoverable at law, in the same manner as other debts.

Section 4.04. In order to aid in the administration and enforcement of the provisions of this ordinance, and to collect all the taxes imposed by this ordinance, on or before June 1, 1965, or in the case of dealers commencing business after June 1, 1965, or opening new places of business after such date, within three (3) days after such commencement or opening, every dealer purchasing or importing tangible personal property for resale shall file with the Treasurer a certificate of registration in a form prescribed by him. The Treasurer shall, within five (5) days after such registration, issue without charge to each dealer who purchases or imports for resale, a certificate of authority empowering such dealer to collect the tax from the purchaser, and duplicates thereof, for each additional place of business of such dealer. Each certificate or duplicate shall state the place of business to which it is applicable. Such certificate of authority shall be prominently displayed in the places of business of the dealer. A dealer who has no regular place of doing business shall attach such certificate to his cart, stand, truck or other merchandising device. Such certificate shall be non-assignable and non-transferable and shall be surrendered immediately to the Treasurer upon the dealer ceasing to do business at the place therein named.

Section 4.05. A manufacturer, wholesale dealer, jobber or supplier, not included under and subject to the provisions of Section 6.07 of this ordinance, shall refuse to accept a certificate that any property upon which a tax is imposed by the ordinance is purchased for resale, and shall collect the tax imposed by this ordinance, unless the purchaser shall have filed a certificate of registration and received a certificate of authority to collect the tax imposed by this ordinance; provided, however, that the payment of the tax by such purchaser shall not relieve the purchaser of the duty herein imposed upon such purchaser to collect the tax upon any resale made by him; but such purchaser who shall thereafter file a certificate of registration and receive a certificate of authority to collect the tax may, upon application therefor, receive a refund of the taxes paid by him upon property thereafter resold by him, and upon the receipts from which he shall have collected and paid over to the Parish the tax herein imposed.

Section 4.06. The tax imposed by this ordinance upon the sale or use of any motor vehicle, automobile, motorcycle, truck, truck-tractor, trailer, semi-trailer, motor bus, house trailer, or any other vehicle subject to the Louisiana Vehicle Registration License Tax of the State of Louisiana shall be collected as provided in this section.

- (1) The tax levied by this ordinance on any such vehicle shall be paid to the Collector of Revenue of the State of Louisiana at the time of application for a certificate of title or vehicle registration license and no certificate of title or vehicle registration license shall be issued until the tax has been paid.
 - (a) The tax levied by this ordinance on the sale of any such vehicle shall be due at the time registration or any transfer of registration is required by the Vehicle Registration License Tax Law of the State of Louisiana (R. S. 47:451).
 - (b) The tax levied by this ordinance on the use of any such vehicle in this Parish shall be due at the time first registration in this Parish is required by the vehicle Registration License Tax Law (R. S. 47:451).
- (2) Every vendor of such vehicle shall furnish to the purchaser at the time of the sale a sworn statement showing the serial number, motor number, type, year and model of the vehicle sold, the total sales, price, any allowance for the description of any vehicle taken in trade, and the total cash difference paid or to be paid by the purchaser between the vehicles purchased and traded in and the sales or use tax to be paid, along with such other information as may be required. All labor, parts accessories and other equipment which are attached to the vehicle at the time of the sale and which are included in the sale price are to be considered a part of the vehicle.
- (3) It is not the intention of this Section to grant an exemption from the tax levied by this ordinance to any sale, use, item or transaction which has heretofore been taxable and this Section shall not be construed as so doing. It is the intention of this Section to transfer the collection of the sales and use tax on vehicles from the vendor to the Collector of Revenue of the State of Louisiana and to provide a method of collection of the tax directly from the vendee or user by the collector of Revenue in accordance with an agreement by and between the collector of Revenue shall be paid to the Parish School Board Sales

and Use Tax Department and sent to the Treasurer of the School Board as soon as possible, and in any event at least once each month, all in accordance with the said agreement.

- (4) The provision contained in Section 1.15 which excludes isolated or occasional sales from the definition of a sale at retail is not to apply to the sale of vehicles which are the subject of this subsection. Isolated or occasional sales of vehicles are hereby defined to be sales at retail and as such are subject to the tax.

Section 4.07. A person engaged in any business taxable under this ordinance shall not advertise or hold out to the public, in any manner, directly or indirectly, that he will absorb all or any part of the tax, or that he will relieve the purchaser from the payment of all or any part of the tax. The dealer shall state and collect the tax separately from the price paid by the purchaser, but his failure to do so shall not be available as a defense to the purchaser in any proceedings brought under this ordinance.

Section 4.08. Where the tax collected for any period is in excess of one percent (1%), the total collected must be paid over to the Treasurer of the School Board less the commission to be allowed the dealer as hereinafter set forth.

Section 4.09. Where the purchaser has failed to pay and a dealer has failed to collect a tax upon a sale, as imposed by this ordinance, then in addition to all other rights, obligations and remedies provided, such tax shall be payable by the purchaser directly to the Parish School Board, and it shall be the duty of this purchaser to file a return thereof with the Treasurer of the School Board and to pay the tax imposed thereon to the Parish School Board within fifteen (15) days after such sale was made or rendered.

Section 4.10. For the purpose of compensating the dealer in accounting for and remitting the tax levied by this ordinance, each dealer shall be allowed two per cent (2%) of the amount of tax due and accounted for and remitted to the Treasurer in the form of a deduction in submitting his report and paying the amount due by him if the amount due was not delinquent at the time of payment.

COLLECTION OF TAX FROM DEALER

Section 5.01. The tax imposed by this ordinance shall be collectible by the Treasurer on behalf of this Board from all persons engaged as dealers.

Section 5.02. On all tangible personal property imported, or caused to be imported, from other states or other political subdivisions of this State, or any foreign country, and used by him, the dealer shall pay the tax imposed by this ordinance on all articles of tangible personal property so imported and used, the same as if the said articles had been sold at retail for use or consumption in this Parish. For the purpose of this ordinance, use or consumption, or distribution, or storage of tangible personal property, shall each be equivalent to a sale at retail, and the tax shall thereupon immediately be levied and be collected in the manner provided herein, provided there shall be no duplication of the tax in any event.

Section 5.03. A credit against the use tax imposed by this resolution shall be granted to taxpayers who have paid a similar tax upon the sale or use of the same tangible personal property in another City or Parish in the State of Louisiana, or City or County in a state other than Louisiana. The credit provided herein shall be granted only in the case where the City or Parish in the State of Louisiana, or the City or County in a state other than Louisiana to which a similar tax has been paid grants a similar credit as provided herein. The proof of payment of the similar tax to another City or Parish in the State of Louisiana, or to a City or County in a state other than Louisiana shall be made according to rules and regulations promulgated by the Treasurer. IMPORTED GOODS – PERMITS

Section 8.01. In order to prevent the illegal importation into this Parish of tangible personal property which is subject to the tax, and to strengthen and make more effective the manner and method of enforcing payment of the tax imposed by this ordinance, the Treasurer is hereby authorized and empowered to put into operation a system of permits whereby any person, or dealer, may import tangible personal property by truck, automobile, or other means of transportation other than a common carrier, without having said truck, automobile or other means of transportation seized and subjected to legal proceedings for its forfeiture. Such system of permits shall require the person, or dealer who desires to import tangible personal property into this Parish, which property is subject to tax imposed by this ordinance, to apply to the Treasurer or his assistant for a permit stating the kind of vehicle to be used, the name of the driver, the license number of the vehicle, the kind or character of tangible personal property to be imported, the date, the name and address of the consignee, and such other information as the Treasurer may deem

property or necessary. Such permits shall be free of cost to the applicant and may be obtained at the office of the Treasurer.

REMEDIES FOR COLLECTION, INCLUDING INTEREST, PENALTIES, ETC.

Section 9.01. For the purpose of the enforcement of this ordinance, and the collection of the tax, levied hereunder, it is presumed that all tangible personal property, subject to the provisions of this ordinance, imported into this Parish or held in this Parish by any dealer is to be sold at retail, used or consumed, or stored for use or consumption in this Parish, or leased or rented within this Parish, and is subject to the tax herein levied; provided, that such presumption shall be prima facie only, and subject to proof furnished to the Treasurer.

Section 9.02. Failure to pay any tax due as provided in this ordinance, shall ipso facto, without demand or putting in default, cause said tax, interest, penalties, and costs to become immediately delinquent, and the Parish School Board is hereby vested with authority, on motion in a court of competent jurisdiction, to take a rule on the said dealer, to show cause in not less than two (2) or more than ten (10) days, exclusive of holidays, after the service thereof, which may be tried out of term and in chambers, and shall always be tried by preference, why said dealer should not be ordered to cease from further pursuit of business as a dealer, and in case said rule is made absolute, the order thereon rendered shall be considered a judgement in favor of the Parish School Board, prohibiting such dealer from the further pursuit of said business until such time as he has paid the said delinquent tax, interest, penalties and costs, and every violation of the injunction shall be considered as a contempt of court, and punished according to law.

Section 9.03. If the amount of tax due by the dealer is not paid on or before the twentieth (20th) day of the month next following the month for which the tax is due, there shall be collected, with said tax, interest upon said unpaid amount, at the rate of twelve per cent (12%) per annum, or fractional part thereof, to be computed from the first day of the month next following the month for which the tax is due until it is paid; and in addition to the interest that may be so due there shall also be collected a penalty equivalent to five percent (5%) for each thirty (30) days, or fraction thereof, of delinquency, not to exceed twenty-five percent (25%) in aggregate, of the tax due, when such tax is not paid within thirty (30) days of the date the tax first becomes due and payable, and in the event of suit, attorney's fees at the rate of ten per cent (10%) of the aggregate of tax, interest and penalty.

Section 9.04. In the event any dealer fails to make a report and pay the tax as provided by this ordinance, or in case the dealer makes a grossly incorrect report, or a report that is false or fraudulent, it shall be the duty of the Treasurer to make an estimate for the taxable period of the retail sales, or sales of services, of such dealer, or of the gross proceeds from the rental or leases of tangible personal property by the dealer, and an estimate of the cost price of all articles of tangible personal property imported by the dealer for use or consumption or distribution or storage to be used or consumed in this Parish, and assess and collect the tax and interest, plus penalty, if such have accrued, on the basis of such assessment, which shall be considered prima facie correct, and the burden to show the contrary shall rest upon the dealer. In the event such estimate and assessment requires an examination of books, records, or documents, or an audit thereof, then the Treasurer shall add to the assessment the cost of such examination, together with any penalties accruing thereon. Such costs and penalties when collected shall be placed to the account of the "School Board Sales Tax fund" in the manner as are the taxes collected under this ordinance.

If any dealer fails to make any return required by this ordinance or makes an incorrect return, and the circumstances indicate willful negligence or intentional disregard of rules and regulations, but no intent to defraud, there shall be imposed, in addition to any other penalties provided herein, a specific penalty of five per cent (5%) of the tax of deficiency found to be due, or Ten Dollars (\$10.00), whichever is the greater. This specific penalty shall be an obligation to be collected and accounted for in the same manner as if it were a part of the tax due and can be enforced either in a separate action or in the same action for the collection of the tax.

Section 9.05. If any dealer liable for any tax, interest or penalty hereunder shall sell out his business or stock of goods or shall quit the business, he shall make a final return and payment within fifteen (15) days after the date of selling or quitting business. His successor, successors or assigns if any, shall withhold sufficient of the purchase money to cover the amount of such taxes, interest and penalties due and unpaid until such time as the former owner shall produce a receipt from the Treasurer showing that they have been paid, or a certificate stating that no taxes, interest, or penalties are due. If the purchaser of a business or stock of goods shall fail to withhold purchase money as provided, he shall be personally liable for the payment of the taxes, interest and penalties accrued and unpaid on account of the operation of the business by any former owner, owners or assignors.

Section 9.06. In the event that any dealer is delinquent in the payment of the tax herein provided for, the Treasurer may give notice of the amount of such delinquency by registered mail to all persons having in their possession, or under their control, any credits or other personal property belonging to such dealer, or owing any

debts to such dealer at the time of receipt by them of such notice and thereafter any person so notified shall neither transfer nor make any other disposition of such credits, other personal property, or debts until the Treasurer shall have consented to a transfer or disposition, or until thirty (30) days shall have elapsed from and after receipt of such notice, advise the Treasurer of any and all such credits, other personal property, or debts, in their possession, under their control or owing by them, as the case maybe.

Section 9.07. In the event the dealer has imported tangible personal property and he fails to produce an invoice showing the cost price of the articles which are subject to tax, or the invoice does not reflect the true or actual cost price, then the Treasurer shall ascertain, in any manner feasible, the true cost price and assess and collect the tax with interest, plus penalties, if such have accrued, on the true cost price as assessed by him. The assessment so made shall be considered prima facie correct and the burden shall be on the dealer to show the contrary.

Section 9.08. In the case of the lease or rental of tangible personal property, if the consideration given or reported by the dealer does not, in the judgment of the Treasurer, represent the true or actual consideration, then the Treasurer is authorized to fix the same and collect the tax thereon for the Parish School Board in the same manner as above provided (Sec. 9.07), with interest plus penalties, if such have accrued.

Section 9.09. In the event any transportation company, agency, or firm shall refuse to permit examination of its books, records and other documents by the Treasurer, the Treasurer may proceed by rule, in term or in chambers, in any court of competent jurisdiction and require said transportation company, agency or firm to show cause why the Treasurer should not be permitted to examine its books, records or other documents, and in case said rule be made absolute, the same shall be considered a judgment of the court and every violation of said judgment as a contempt thereof and punished according to law.

Section 9.10. If any dealer, subject to make and file a return required by any of the provisions of this ordinance, fails to render such return within the time required, or renders a return which is false or fraudulent, in that it contains statements which differ from the true gross sales, purchases, leases, or rentals, or other transactions, taxable under this ordinance, or otherwise fails to comply with the provisions of this ordinance, for the taxable period for which said return is made, the Treasurer shall give such dealer fifteen (15) days notice, in writing, requiring such dealer to appear before him or his assistant, with such books, records and papers as he may require, relating to the business of such dealer, for such taxable period; and said Treasurer may require such dealer, or the agents or employees of such dealer, to give testimony or to answer interrogatories, under oath administered by the Treasurer or his assistants, respecting the sale at retail, the use, or consumption, or distribution, or storage for use or consumption, in this Parish, or lease or rental of tangible personal property, or other transactions, subject to tax, or the failure to make report thereof, as provided in this ordinance.

Section 9.11. If any dealer fails to make a return, or refuses to permit an examination of his, the dealer's books, records, or papers, or to appear and answer questions within the scope of such investigation relating to the sale, use, consumption, distribution, storage, lease or rental of tangible personal property, or sale of services, the Treasurer may apply to any court of competent jurisdiction, for an order requiring such dealer to make such return, or requiring the dealer, or his agents or employees, to appear and answer any such questions or permit such examination, and the court or any judge thereof, shall thereupon issue an order, upon such reasonable notice as shall be prescribed therein, to be served upon said dealer or the agents or employees of such dealer, directing him or them to so appear and testify, and to produce such books, records and papers as may be required. Any person, or any member of any firm, co-partnership, joint venture, association, or corporation, or any agent or employee thereof, failure to comply with any such order shall be guilty of contempt, and shall be punished as provided by law in cases of contempt.

Section 9.12. The importation into this Parish of tangible personal property which is subject to tax, by truck, automobile, or other means of transportation and other a common carrier, without having first obtained a permit as described in Section 8 (if the tax imposed by this ordinance on said tangible personal property has not been paid), shall be construed as an attempt to evade payment of the said tax and the same is hereby prohibited, and the said truck, automobile, or means of transportation other than a common carrier, and said taxable property may be seized by the Parish School Board in order to secure the same as evidence in a trial and the same shall be subject to forfeiture and sale in the manner provided for in this ordinance.

Section 9.13. The failure of any dealer who imports tangible personal property from outside the Parish into the Parish for use or consumption or distribution or storage to be used or consumed in this Parish, or who imports for lease or rental any tangible personal property subject to the provisions of this ordinance, to pay any tax, interest, penalties, or costs under this ordinance shall ipso facto make the said tax, interest, penalties and costs delinquent and shall be construed as an attempt to avoid the payment of same which shall be sufficient grounds for attachment of such tangible personal property wherever the same may be located or found, whether said delinquent dealer be a resident or non-resident of this Parish, and whether said tangible personal property is in the possession of said

delinquent dealer or in the possession of other persons, firms, corporations or associations of persons; provided, that it is the intention of this ordinance to prevent the disposition of the said tangible personal property in order to insure payment of the tax imposed by this ordinance, together with interest, penalties and costs, and authority to attach is hereby specifically authorized and granted to the Parish School Board.

In addition to the penalties prescribed in this and the preceding section (Section 9.12), any person, or dealer, who shall violate the provisions thereof, upon conviction shall be fined in a sum of not more than One Hundred Dollars (\$100.00) or imprisonment in jail for a period of not more than ninety (90) days or by both such fine and imprisonment, in the discretion of the court. And, each importation or shipment by truck, automobile, or other means of transportation, other than a common carrier, found to be in violation of the provisions of these sections shall constitute a separate offense.

Section 9.14. The liability of any person, or dealer arising from any tax, interest and penalty, or any of them, imposed by this ordinance, from the time they are due, shall be a personal debt of such person, or dealer to the Parish School Board recoverable in any court of competent jurisdiction in an action at law by the School Board. Such debts, whether sued upon or not, shall be a lien on all the property of such delinquent person, or dealer except as against an innocent purchaser for value without notice in the actual course of business, and shall have preference in any distribution of the assets of the person, or dealer, whether in bankruptcy, insolvency, or otherwise. The proceeds of any judgment or order obtained hereunder shall be paid to the Parish School Board.

Section 9.15. The Parish School Board may require a bond or other security satisfactory to the Treasurer for the payment of any taxes, fees, interest and penalties, or any of them, imposed pursuant to this ordinance when he shall find that the collection thereof may be prejudiced without such security.

Section 9.16. If any person, or dealer shall fail to make a return or report as required by this ordinance, the Treasurer, within three (3) years after the last day on which the omitted report could have been filed without penalty, may make an estimate of the amount of taxes such person, or dealer, is liable to pay under the terms of this ordinance, from any information he is able to conveniently obtain, and according to such estimate so made by him, assess the taxes, fees, penalties and interest due the Parish School Board from such person, or dealer, give notice of such assessment to such person, or dealer and must make demand upon him for payment or otherwise the said claim shall prescribe.

Section 9.17. After a return or report if filed under the provisions of this ordinance, the Treasurer shall cause to be examined and make such further audit or investigation as he may deem necessary, and if therefrom, he shall determine that there is a deficiency with respect to the payment of any tax due under this ordinance, he shall assess the additional amount of tax, and any penalties and interest, or either of them due the Parish School Board from such person, or dealer, and make demand upon him for payment.

Section 9.18. If the Treasurer finds that any person, or dealer liable for the payment of any tax under this ordinance designs quickly to depart from this Parish or to remove therefrom his or its property, subject to any lien under the provisions of this ordinance, or to discontinue business, or to do any other act tending to prejudice or render wholly, or partly ineffectual any proceedings that might be instituted to collect such tax, whereby it shall have become important that such proceedings be instituted without delay, the Treasurer may make an arbitrary assessment as herein provided, whether or not any return or report is then due by law, and may proceed under such arbitrary assessment to collect the tax, or demand security for it, and thereafter shall cause notice of such findings to be given to such a dealer, together with a demand for an immediate return or report, and immediate payment of such tax.

All taxes, penalties and interest assessed pursuant to the provisions of the last three preceding sections, shall be paid within fifteen (15) days after notice and demand shall have been mailed to the dealer liable therefor by the Parish School Board. If such taxes, penalties and interest so assessed shall not be paid within such fifteen (15) days, there shall be added to the amount assessed, in addition to interest as hereinabove provided, and any other penalties provided by this ordinance, a sum equivalent to five percent (5%) of the tax.

Section 9.19. If any dealer against whom taxes have been assessed under the provisions of this ordinance shall refuse or neglect to pay such taxes within the time prescribed in this ordinance, it shall be lawful for the Treasurer, or his duly authorized representative, who is charged with the enforcement of collection of such taxes, to enforce collection of such taxes, together with such interest and other additional amounts as are added by law, by distraint and sale of any property or rights to property belonging to the delinquent dealer.

Section 9.20. Any dealer who shall neglect, fail or refuse to collect the tax as provided in Section 4.01 through 4.10 of this ordinance, upon any, every and all retail sales made by him, or his agent, or employee, which is subject to tax, shall be liable for and pay the tax himself.

Section 9.21. For any one of the following violations, in addition to being liable for the other penalties provided herein, the party named shall be guilty of a misdemeanor and upon conviction be punished by a fine of not

more than One Hundred Dollars (\$100.00), or imprisonment in jail for not more than three (3) months, or both, in the discretion of the court:

- (1) any person who as a purchaser is obligated to report and pay the tax imposed upon any purchase made by him under Section 4.01 through 4.10 of this ordinance, and who fails, neglects, and refuses to file a return thereof with the Treasurer and pay the tax imposed thereon, within the time stated after such sale is made;
- (2) any dealer who shall fail, neglect, or refuse to collect the tax as provided in Sections 4.01 through 4.10 of this ordinance, whether by himself or through his agents or employees;

- (7) any dealer who violates the provisions of Section 7.02 of this ordinance;
- (8) any dealer failing or refusing to furnish any return as provided in Section 6.01 through 6.06 of this ordinance or failing or refusing to furnish a supplemental return, or other data required by the Treasurer.
- (9) any dealer required to make, render, sign or verify any return as provided in Section 6.01 through 6.06 of this ordinance, who makes a false or fraudulent return, with intent to evade a tax hereby levied;
- (10) the president, executive officers, managers and directors of any corporation, who shall violate the provisions of Section 9.22 of this ordinance; provided that such fine and imprisonment shall not prevent other action against the corporation as otherwise provided in this ordinance for the recovery of the tax, interest, and penalties that may be due; and
- (11) any person who shall violate any other provisions of this ordinance, punishment for which is not otherwise herein provided.

Section 9.22. No corporation organized under the laws of the state shall hereafter be dissolved, or effect a merger, reorganization, or consolidation under any law of the State by the action of the stockholders or by the decree of any Court until all taxes, fees, penalties and interest imposed on the corporation in accordance with provisions of this ordinance shall have been paid in full. No foreign corporation which has obtained authority from this State to transact business in this Parish may surrender such authority and withdraw from this State until all taxes, fees, penalties, interest, and other charges imposed upon said corporation in accordance with the provisions of this ordinance shall have been full paid.

Section 9.23. Any person or dealer who shall fail to pay any tax levied by this ordinance on or before the day when such tax shall be required by this ordinance to be paid, shall pay in addition to the tax, interest on the tax at the rate specified in Section 9.03 of this ordinance, for each month or fraction thereof that the tax remains unpaid, to be calculated from the date the tax was originally due to the date of actual payment.

In addition, such person, or dealer shall pay any special penalty or penalties provided by this ordinance.

Section 9.24. All penalties and interest imposed by this ordinance shall be payable to and recoverable by the Parish School Board in the same manner as if they were part of the tax imposed. If the failure to pay any such tax when due is explained to the satisfaction of the Treasurer, he may remit or waive payment of the whole or any part of any penalty, and may remit and waive payment of any interest charged in excess of the rate of one-half of one per centum (1/2 of 1%) per month.

REFUNDS AND REIMBURSEMENTS

Section 10.01. In the event purchases are returned to the dealer by the purchaser or consumer after the tax imposed by this ordinance has been collected or charged to the account of the consumer or user, the dealer shall be entitled to reimbursement of the amount of tax so collected or charged by him, in the manner prescribed by the Treasurer and in case the tax has not been remitted by the dealer to the Parish School Board, the dealer may deduct the same in submitting his return. Upon receipt of a sworn statement of the dealer as to the gross amount of such refunds during the period covered by such sworn statement, which period shall not be longer than ninety (90) days, the Parish School Board, through the Treasurer, shall issue to the dealer an official credit memorandum equal to the net amount remitted by the dealer for such tax collected. Such memorandum shall be accepted by the Parish School

Board at full face value from the dealer to whom it is issued, in the remittance for subsequent taxes accrued under the provisions of this ordinance.

Section 10.02. If any dealer shall have given to the Treasurer notice within the time provided in Section 10.01 of this ordinance, such dealer thereafter at any time within two (2) years after the payment of any original or additional tax assessed against him, may file with the Treasurer a claim under oath for refund, in such form as the Treasurer may prescribe, stating the grounds thereof. However, no claim for refund shall be required or permitted to be filed with respect to a tax paid, after protest has been filed with the Treasurer as hereinafter provided, or after proceeding on appeal has been finally determined.

Section 10.03. If, upon examination of such claim for refund, it shall be determined by the Treasurer that there has been an overpayment of tax, the amount of such overpayment shall be credited against any liability of any dealer under this ordinance, and if there be no such liability, the said dealer shall be entitled to a refund of the tax so overpaid. If the Treasurer shall reject the claim for refund in whole or in part he shall make an order accordingly and serve notice upon such dealer.

Section 10.04. Where no question of fact or law is involved, and it appears from the records of the Parish School Board that any moneys have been erroneously or illegally collected from any dealer, or have been paid by any dealer, under a mistake of fact or law, the Treasurer may, at any time within two (2) years of payment, upon making a record in writing his reasons therefor, certify that any dealer is entitled to such refunds and thereupon the Treasurer shall authorize the payment thereof from any appropriation available for such purposes.

Section 10.05. When, to secure compliance with any of the provisions of this ordinance any moneys shall have been deposited with the Parish School Board by any dealer, and shall have been paid over to the Parish School Board and the Treasurer shall be satisfied that such dealer has fully complied with all such provisions, the Treasurer shall so certify and authorize repayment from any appropriations available for such purpose to such dealer of such moneys, or such part thereof as the Treasurer shall certify has not been applied by him to the satisfaction of any indebtedness arising under this ordinance.

REMEDIES OF THE DEALER

Section 11.01. A right of action is hereby created to afford a remedy at law for any dealer aggrieved by the provisions of this ordinance; and in case of any such dealer resisting the payment of any amount found due, or the enforcement of any provisions of such laws in relation thereto, such dealer shall pay the amount found due by the Treasurer and shall give the Treasurer notice, at the time, of this intention to file suit for the recovery of the same; and upon receipt of such notice the amount so paid shall be segregated and held by the Treasurer for a period of thirty (30) days; and if suit be filed within such time for recovery of such amount, such funds so segregated shall be further held, pending the outcome of such suit. If the dealer prevails, the Treasurer shall refund the amount to the claimant, with interest at the rate of two per cent (2%) per annum covering the period from the date the said funds were received by the Parish School Board to the date of refund.

Section 11.02. This section shall afford a legal remedy and right of action in any State, City or Federal Court having jurisdiction of the parties and subject matter, for a full and complete adjudication of any and all questions arising in the enforcement of this ordinance, as to the legality of any tax accrued or accruing or the method of enforcement thereof. In such actions service shall be upon the Treasurer of the School Board.

Section 11.03. This section shall be construed to provide a legal remedy in the State, City or Federal Courts, by action of law, in case such taxes are claimed to be an unlawful burden upon interstate commerce, or the collection thereof, in violation of any Act of Congress or the United States Constitution, or the Constitution of the State of Louisiana, or in any case where jurisdiction is vested in any of the courts of the United States; provided that upon request of the dealer and upon proper showing by such dealer that the principle of law involved in an additional assessment is already pending before the courts for judicial determination, the said dealer, upon agreement to abide by the decision of the courts may pay the additional assessment under protest, but need not file an additional suit. In such cases the tax so paid under protest shall be segregated and held by the Treasurer until the question of law involved has been determined by the courts and shall then be disposed of therein provided.

Section 11.04. If any dealer shall be aggrieved by any finding or assessment of the Treasurer, he may, within thirty (30) days of the receipt of notice of the assessment or finding, file a protest in writing signed by him or his duly authorized agent, which shall be under oath and shall set forth the reasons therefor, and he may request a hearing. Thereafter, the Treasurer shall grant a hearing to such dealer, if a hearing has been requested, and may make an order confirming, modifying, or vacating any such finding or assessment. The filing of any such protest shall not abate any penalty for nonpayment, nor shall it stay the right of the Treasurer to collect the tax in any manner herein provided unless the dealer shall furnish security of a kind and in an amount satisfactory to the

Treasurer. Appeals from the decision of the Treasurer shall be direct to any State, City or Federal Court of competent jurisdiction as provided for in Section 11.02

OTHER ADMINISTRATIVE PROVISIONS

Section 12.03. The Treasurer shall design, prepare, print, and furnish to all dealers or make available to said dealers, all necessary forms for filing returns, and instructions to insure a full collection from dealers and an accounting for the taxes due, but failure of any dealer to secure such forms shall not relieve such dealer from the payment of said taxes at the time and in the manner herein provided.

The provisions of this section shall also apply where such tangible personal property is not sold, but is used, consumed, distributed, stored, lease or rented, and where services taxable hereunder are contracted for before the effective date of this ordinance, but are actually furnished after the effective date, hereof.

For authenticating any such copy, he shall be paid a fee of One Dollar (\$1.00) which shall be deposited in the "School Board Sales Tax Fund."

Section 12.10. Nothing in this ordinance shall be construed to deprive the dealer of any remedy in the review of any tax, or in any proceedings to collect the tax given such dealer by any other law or to deprive the School Board of the Parish of any remedy for the enforcement of this ordinance through any procedure or remedies expressly provided in this ordinance imposing the tax herein levied or in any other law, nor shall this ordinance be construed as repealing or altering any such laws, ordinances, or resolutions.

Section 12.11. If any section, sub-section, sentence, clause, or phrase of this ordinance be held invalid, such decisions shall not affect the validity of the remaining portions of this ordinance. The School Board hereby declares that it would have passed this ordinance, and each section, sub-section, sentence, clause, and phrase thereof irrespective of the fact that any one or more sections, sub-sections, sentences clauses, or phrases may be so declared invalid.
