The St. Martin Parish sales tax return has been redesigned to include this new taxation area. **Column M** is now designated for all sales and use tax in the St. Martinville North Annexation. This form will become effective for reporting **October, 2016** sales, due by November 21, 2016. Please do not use the new form until then.

After October 20th, please discard any old forms or copies as their use will delay processing of your return and the miscalculation of tax due may result in additional monies owed.

If you have any questions, please call the Sales Tax Department at 337-332-2105. Additional information can be found on www.laota.com.

Sales Tax Workshops are held the second Tuesday of every month at 10:00 a.m. at the Department of Administration, 625 Corporate Blvd, Breaux Bridge, Louisiana. Please call the office to register.
