This form also serves as a Waiver of Liability Form for Volunteers over the Age of 18

Please bring with you on your scheduled workday. *Please do not send this form to the office.*

Dear Parent or Guardian:
We appreciate your child's interest in volunteering with Habitat for Humanity of Wake County. Habitat volunteers perform the majority of all labor done on our homes. This translates into a considerable cost savings, helping to provide affordable housing for families in need.

While we take every precaution to ensure a safe, enjoyable work experience for our volunteers, construction sites do present certain dangers. Habitat relies on mature, responsible volunteers, capable of working with minimum supervision. Accordingly, it is our policy to require the execution of this *Consent Waiver of Liability Form* by a parent or guardian of volunteers under the age of 18. Please acknowledge your consent and agreement to the following by signing below:

I am the parent and/or legal guardian of _____, who is _____years old, and he/she
full name of volunteer age
has my permission to work as a volunteer with Habitat for Humanity of Wake County and may work on the construction site with adult supervision.

On behalf of said minor, I expressly waive any claim for compensation for work done and hereby release Habitat from any liability for illness, injury, or medical expenses sustained by said minor while volunteering with Habitat – beyond what may be offered freely by Habitat. I further agree to personally indemnify Habitat and hold the organization harmless from any loss sustained by reason of any illness or injury to said minor while volunteering for Habitat.

I understand that the only volunteer coverage Habitat for Humanity of Wake County will provide is a volunteer insurance policy that pays only DIRECT MEDICAL EXPENSES that are NOT paid by my own insurance company. The limit of coverage is $250,000 for overall accident medical expenses after the full amount paid by the volunteer's insurance company.
