**2019 Afternoon Ski Sundown Program and Safety Agreement**  
**Northwestern Regional Middle School and High School / NWR7**

Dear Parents/Guardians,

Now that our cold weather is slowly returning we are looking forward to a fun ski/boarding season. We are continuing with our safety policies. We need all Parents/Guardians to come into the ski lodge at or before 5:45 and sign their child out at the NWR7 table.

If your child has a season's pass from Ski Sundown with your permission your child can sign themselves out at or before 5:45. You must signify that they have a pass and you give them permission to stay after all NWR7 chaperones leave.

Also, please review and sign our Northwestern Regional Emergency and Permission Form. We ask that you and your child carefully read together Section 4 of the Ski Sundown Program Agreement before signing all forms.

Included in the ski packet from Ski Sundown is the Weekly Group Information 2018/2019 information handout. Please read and discuss the information with your child.

Thank you for participating in our program. If you have any questions please contact me at [kcady@nwr7.org](mailto:kcady@nwr7.org) or cell 860 248-1314. Please note, at times it is hard to get cell service at Ski Sundown. Furthermore, we greatly appreciate your help with our safety forms. We always value the health, safety, and welfare of our students.

Sincerely,

Kathy Cady
