

Vision and Hearing Screenings

Vision and hearing screenings are provided annually to District 27 students at the State-mandated grade levels, as designated by the Illinois Department of Public Health.

Vision and hearing screenings will be conducted by the nurses in district 27 who are certified by the state of Illinois. Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Any student suspected by a parent, guardian or teacher of having a vision or hearing problem may also be referred for testing. Please contact the nurse's office if you have any questions or concern

Scheduled intervals for Vision and Hearing screenings are as follows:

Vision screenings

- Kindergarten, 2nd and 8th grades
- Special Education students (includes students in speech)
- Transfer students from out of state

Hearing screenings

- Kindergarten, 1st, 2nd and 3rd grades
- Special Education students (includes students in speech)
- Transfer students from out of state
- Students having known or suspected hearing loss
