

Accountability Report

2017-18, Part 2

Lakeland Joint School District

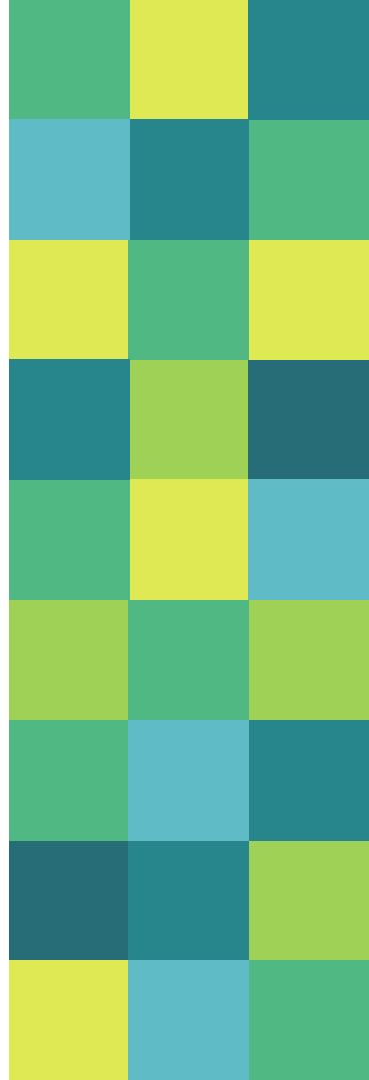

August 2018

In order to recap the 2017-18 school year, I wanted to once again update the community on our progress. For our District to be healthy and continue to perform at the exemplary level, we need to maintain a strong support system within our community. This only happens through honest, frequent, and transparent communication. As promised, I will continue to share how your tax dollars are being spent to improve the learning environment and increase student achievement twice per school year; at the midpoint in January and again at the end of the school year in August. We are very appreciative of the community's support with levy funds and want to relay the many benefits our students experienced this year with your support. We provided an academically rigorous educational program within a safe and supportive social-emotional environment, while being extremely conscientious of the hard-earned dollars the community provided this year. We are doing great things with a fiscally conservative approach.

- Dr. Meyer, Superintendent of Schools

Our Goal:

- ❑ An academically rigorous educational program
- ❑ Within a safe and supportive environment
- ❑ With a fiscally conservative approach

Accomplishments

- Click to view Completed Projects

***YOUR TAX DOLLARS AT WORK!!**

- Emergency Roof Replacements =
THS, SLE, TLE
