

## District Staff Development

Date: 10/5/18

1. Staff Development Sheets to be approved
  - a. Anita Hendricks – approved
  
2. Tie the 5 district goals into committee work
  - a. Introduced and reviewed with the committee.

### ROCORI District Goals 2018-2019

1. In 2018-19 School Year ROCORI Schools will increase student proficiency by 3% as measured by the MCA's.
  2. Continued improvement of communication systems for the ROCORI School District stakeholders to build confidence in the district while increasing student achievement.
  3. Continue to implement a fiscally responsible and transparent budget given the uncertainty of legislative action while maintaining the integrity of programs and services offered at ROCORI schools.
  4. ROCORI Schools will use resources to provide 21<sup>st</sup> century technology to staff and students that will support student achievement and help ensure the opportunity for each student and staff member to expand their learning opportunities.
  5. ROCORI administrative teams will begin the process of data analysis, causes of, best practice, and development of strategies to ensure equity and access for all students.
-
