

We Are Wranglers and We Are Awesome! "REACH FOR THE STARS"

October 12, 2018

Did you know...

Kimi Bateman and Karen Mendenhall are new members of our School Community Council? We will not hold a formal election because only two applications were submitted. Our next SCC meeting is scheduled for October 25 at 4pm in the school library.

we have 4 amazing students at Reading Elementary who use wheelchairs to access the school? Please help them (and their parents) by not parking in reserved parking stalls without a permit and not blocking the "blue zone" areas painted outside the main entrance of the school and our bus loop.

Ribbon Week is coming October 22-26? Mrs. Moss has planned some great activities each day. Ribbon Week helps us learn how to be safe walking and biking to school, how to stay away from drugs and alcohol, how to use the internet safely and how to de-bully our school!

Parent Resources for Math

Parents can access helpful resources for the district's K-6 math curriculum in two different ways. First, you can visit the [K-6 Mathematics OneDrive](#) (CTRL+Click to follow link). To log in, use your student's email address. Your child's district-assigned PIN number is the password.

A second option is to log into your own guardian myDSD account, then click on your child's picture or name. After you click on your child's grade level, scroll to the bottom of the page to find "Course Resources (DESK)". This will provide a list of resources available to parents and guardians. Parent videos have been provided for most 3rd - 6th grade lessons. These can also be accessed by scanning the QR codes found on the "School to Home" pages. Any free QR code scanner will work. Choose "Parent Guide" to see a copy of the textbook, or choose "Parent Video Guide" to see video links for each lesson. New videos are posted as they become available. The numbers at the top of the School-Home Connection pages correspond to the chapter and lesson numbers in each book.

THREE THINGS TO KNOW ABOUT...

- Mrs. S. Clayton – huge UofU football fan, once saw a shark while scuba diving in Mexico, is most happy doing yoga
- Mrs. Connors – has loved being a teacher for the past 33 years, has 4 children and 5 ½ grandchildren, enjoys running before school and reading before bedtime
- Mrs. McClellan – used to be a fraud investigator, could eat Chick-Fil-A everyday, says her favorite person is Everett

SHOUT-OUTS

Lincoln S. completed his Eagle Scout project for Reading Elem. He painted all the basketball backboards and bought several new balls and jump ropes for the school. Thank you Lincoln!

Matt H. made class sets of whiteboards for several teachers at Reading for his Eagle project. Thank you Matt!

A huge thank you to Jared J.! He helped Mrs. Ewell in our library with a new way to organize picture books and easy-readers.

Eagle Scouts Are Awesome!

The best place to find up-to-date information is always our school website. Go to this page and click "Full Calendar" to see the events for an entire month: <https://reading.davis.k12.ut.us/>
