Did you know...

one great way to help improve Reading Elementary is by serving on our School Community Council? We are going to need three additional parent members to serve alongside Candace Gunnell, Kate Anderson and Jeff Johnson. SCC members are elected to terms of two school years, so the newly elected members will be on the council for 2018-19 and 2019-20. The SCC meets 4-6 times each year, usually on a Thursday afternoon. Please think about serving on the council and watch for additional information to come home next week. The election will happen through myDSD later in September.

Reading Elementary is named after Lucile Cardon Reading, one of the first female members of Davis District School Board? You can read more about her on our school website.

NEWS FROM THE PTA...

BOX TOPS FOR EDUCATION

Our school earns money from every Box Top for Education donated. From now through Oct. 26th, Reading is having a Box Tops contest. The class contributing the most Box Tops will win a popcorn party and their teacher wins a HUGE gift basket! Students can put donated Box Tops in the wicker drawers inside the main office. Please either attach the Box Tops to a collection sheet OR put them in a Ziploc bag labeled with your student's name, grade, and teacher. All Box Tops turned in since the first day of school count toward the class total. This program helps our school earn cash for items we need the most. Questions? RECRUITING REFLECTIONS JUDGES

Judges are needed during the first week of November. Volunteers are asked to look through the entries from a specific category, give feedback to our amazing artists AND help choose winners to continue at next level. If you have experience in art, film, music, literature, or photography and would like to judge, please contact the Reading Reflections Chair, Emily Jensen at emmusic12@hotmail.com

SHOUT-OUTS

Mrs. Gassaway, Mrs. Thornock, Mrs. Klinker, Mrs. Shupe and a WHOLE BUNCH of parent helpers planned an amazing 4th grade Brain Day for our students!

Mrs. Manroe did a wonderful job clearing out the weeds and overgrown plants in our courtyard. It looks much better. THANK YOU FAWN!

Congratulations to all 40 sixth graders who completed applications for our student council. All 40 were amazing candidates! Kudos to the lucky twelve finalists selected for Student Council and the additional ten who will serve on our brand new Service Council.
