

Creative Summer 2019

PERMISSION TO WALK HOME FROM CAMP

To ensure camper safety, Creative Summer recommends that campers be dismissed to a carpool, to a bus, or to Extended Day at the end of the camp day. We do, however, understand that some parents wish to allow their campers to walk home after camp.

Please fill out the form below and return it to the Creative Summer office if you wish to give such permission. Your camper will not be allowed to leave campus unaccompanied unless this form has been received by the Creative Summer office.

My child, _____, age _____, has my permission to WALK HOME from Creative Summer when camp dismisses at the regular time of 3:00 p.m. This will be my camper's regular dismissal option; this permission form will remain in effect unless I submit a Dismissal Change notice or notify Creative Summer in writing that I wish to rescind this permission.

This permission applies to (check all that apply) Session 1 Session 2

I understand that my camper should report to the Holton-Arms front desk at dismissal to meet the counselor that will escort them to the end of campus. When all walkers have checked in, the counselor will walk with them to the crosswalk at River Road. I am aware that once my child leaves the campus, there is no adult supervision for him/her.

My child is aware of the following safety guidelines:

- He/she is not allowed to loiter around the premises after camp, and should go directly to the after-camp destination.
- He/she should walk home using sidewalks or walking paths, and should cross streets at corners or designated crosswalks.
- He/she should obey all traffic signs and signals.
- He/she should check in with me or a person that I designate when he/she gets home.
