

Mercy McAuley

Mother of Mercy High School and McAuley High School closed their doors in May 2018, continuing their legacy at Mercy McAuley High School. Mercy McAuley High School is a new, all-girls, college preparatory Catholic High School sponsored by the Sisters of Mercy of the Americas committed to excellence in education, compassionate service and leadership in a Christ-centered community. The school is centrally located in College Hill, just minutes from I-74, Ronald Reagan Highway, and I-75. The school opened for its inaugural year in August of 2018.

Mercy McAuley High School is where young women gain a broader worldview as part of a community, not part of the crowd. Within this sisterhood, we guide each student to mature in confidence and purpose through a customized plan for personal development. Mercy education provides a diverse range of formative experiences, innovative programs, experiential education, faith formation, and off-campus service learning opportunities. Women of Mercy think and learn beyond their comfort zone and are equipped to bring compassionate change to the world.

Women Lead Program: This is an academic discovery program that will provide the young women the opportunity to explore various careers. The disciplines explored will be based on interests of the students involved in the program in addition to medicine, law, technology and engineering. This program is open to all freshmen who have a desire to explore these various and challenging careers and are above average academically. During the third quarter of the freshman year, students in the Women Lead Program will have the opportunity to choose one of the following programs: Women in Medicine, Women in Law, Women in Technology or Women in Engineering. These programs will continue through the sophomore, junior and senior years. A student may enter the Women Lead program after her freshmen year if her grades in her freshmen year are very good and she is in the Honors classes.
