### **BUS PLANS**

We recognize that it is very important for you to know your child's kindergarten session so that you can have your plans in place for next year. Our transportation coordinator needs the information listed below to create bus routes. Children are often picked up at one location and dropped off at another due to child care plans. If your drop-off and/or pick-up plans change during the summer, please notify us as soon as possible.

In August, we will send you a welcome to kindergarten letter verifying session as well as bus drop-off and pick-up information. This is just one more way we can be certain that we all have the same information about your child's transportation plans. We appreciate your support in this important matter.
