Sora

The Sora app was designed around the modern student reading experience. It empowers students to discover and enjoy eBooks' and audiobooks from their school.

Inspired by educator and student feedback, Sora was created to excite kids about reading and remove distractions to promote a focus on learning.

- Easy to use, one tap to get inside a book
- The largest catalog of eBooks and audiobooks…made even larger by access to your public library through Sora
- Exportable notes highlights for collaborative learning
- Personalized with book recommendations and learning tools like dyslexic font, enlarged text, Read-Alongs and audiobooks
- Badges and achievements to engage students
- Same experience on all devices
