Private Schools

In accordance with state law, the School Committee will approve a private school when it is satisfied that the instructional program of the school equals that of the town’s public schools in thoroughness, efficiency, and progress made.

The Committee recognizes that many worthwhile contributions are made to this community by parochial and other private schools. Therefore, it will cooperate with these schools in matters of mutual benefit when law does not expressly prohibit this cooperation.

Home Schooling

Pursuant to Massachusetts General Law, Chapter 76:1, parents wishing to provide home schooling for their children must obtain prior approval from the Superintendent of Schools and the Brockton School Committee.
