4	Grade 10 Event	Yvonne O’Shea shared with the group the results of a Google survey that was given to the Sophomore Class for input on what type of event they would like to have during this school year. The choices were a Spring Fling, an Amazing Race Scavenger Hunt, and a Sophomore Skate. The class was asked to rate how likely they were to attend the event and for suggestions and feedback for each event. A semi-formal Spring Fling was the top choice and the class officers and advisors will make a decision based on the input that was received.

5	Requirements to change district policy on class rank	Yvonne O'Shea shared with the group what the requirements to change district policy would be to eliminate the use of class rank at Victor High School. Our Superintendent, Dawn Santiago-Marullo has asked that Yvonne and the Guidance Department to give a presentation to the Board of Education on their findings and offer their recommendations. The Board is in charge of grading policy for the District and will make the final decision.		
6	Student Human Library	Building Council discussed ideas on adapting the Human Library for high school students through the assistance of SH Librarian Danyelle Westbrook. It was decided that a subcommittee will meet with Danyelle before the next Building Council Meeting on January 18 th to discuss how to offer the program to our students. Building Council suggested using clubs/organizations to host various "books" during the month of March during activity period. The sub-committee will report on their progress at the next Building Council Meeting.
