## **January 8, 2018**

### **AGENDA:**

**Topic #1:** Reengage with Committee. (2 minutes)

**Topic #2:** Brief review of all previous meetings. Discussion on common themes from all members, expressed as well as written in their turned in contract. Agreement of previous Contract Minutes. (5 minutes)

**Topic #3:** Introduce Format change to the Current Athletic Contract. Open discussion will be held to first determine what is needed and not needed in terms of format. Page by page analysis will be conducted with universal agreement. Jon Schlesing will take note of the agreed format adjustments. (45 Minutes)

During this time, Committee members reviewed the Victor Athletic Contract page by page. Format was the only point of interest. Based on previous reviews of different Athletic Contracts, a consensus was created by the committee on page-by-page outlooks. Jon Schlesing is given the task between Meeting #4 and Meeting #5 of creating the format template. Constant interaction will be made with all committee members during this process. No content will be removed from the contract, only formatting will be altered.

**Topic #4:** Introduce the topic of content editing. Editing will take place at the next meeting. The agenda for Meeting #5 will be similar to Meeting #4. (5 Minutes)

Meeting #5 was introduced as a content editing day. Decisions on this day will reflect on what content is recommended by the committee for the new Athletic Contract. Meeting #5 will have a similar agenda to Meeting #4.

**Topic #5:** Good of the Order (2 minutes)

**Meeting #5 will take place on March 5<sup>th</sup> at 5:00pm in the Athletic Office. Meeting minutes from today will be sent out to all committee members within a few days.
