Cassidy

April

Jacque

**Other Topics**

6<sup>th</sup> Grade Walk: Tiffany and Jennie talked about doing a celebration. With concerns from some parents, they will do a 6<sup>th</sup> grade walk and do the celebration. The goal is to phase out the walk and focus on the celebration in future years.

Jennie DeFriez presented the theme for the 2018-2019 school year and invited us to decide what our character is in supporting the mission of the school in reaching the goals we've set.

We are looking at doing STEM focus, helping our students become CCR, and growth of the students.

There are also lots of technology updates coming within our classrooms as well as having 1 to 1 technology as well as many classes getting 2 to 1 or iPad's available to them. We will also be doing i Ready Math and Reading next year.
