

Landis Elementary Title I Parent & Family Engagement Policy

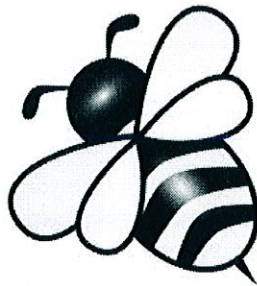

The faculty of Landis Elementary School believes that family involvement is important to the success of all students. Landis Elementary is a schoolwide Title I school. We are committed to working with parents and guardians as we utilize digital instruction. Learning experiences that are intended to help parents/guardians become effective partners with the school include

- Encouraging parents/guardians to promote the education of their children at home through the use of technology.
- Establishing conferences between parents/guardians and teachers.
- Reporting each student's progress through Parent Portal and Schoology.
- Holding an annual meeting to explain the services provided by the Title I program.
- Signing and following the guidelines of the *Agreement between School and Home*.
- Distributing monthly newsletters.
- Informing parents of supplemental learning materials available at the Title I Parent Center located in the Landis Elementary School; as well as, Rowan-Salisbury School System's Parent Resource Center located in the Wallace Educational Forum.
